Sustainability report

Gold

87% score

26 / 30 actions taken

Diversity & Inclusion | 60%

- Utilized diverse channels to promote the event
- Provided a clear and precise code of conduct

Indigenization | 100%

- Consulted with the First Peoples Studies Subject Librarian for advice from the very beginning
- Adapted the land acknowledgement available from Indigenous Directions

Accessibility | 100%

- Provided a thorough event schedule, highlighting break times for health and wellness
- Made event financially accessible by making it free to all
- Followed through with best practices for universal accessibility

Waste & Transportation | 100%

- Utilized reusable dishware and cutlery
- Compostable and recyclable packaging was used
- Bulk condiments were used instead of single-use ones

Purchasing & Sponsorship | 50%

- No meat was served, only fruits and pastries
- Fair-trade coffee and fair-trade tea was served

Digital Consumption | 100%

- Used low carbon impact platforms for event
- Invited participants to reduce streaming quality, and to turn off camera when not interacting

Sustainability Awareness & Reporting | 100%

- Communicated the sustainability measures that were being taken for the event via the "Sustainability Efforts" tab in the event webpage
- Communicated actions that participants, speakers and presenters could take during the event to reduce their impact
