

Job Offer
Research Assistant
(part time)

Position: Research Assistant

The Research Chair on Gambling is seeking a Research Assistant for its project on the perception of risk associated with AI-based prevention models, funded by the Social Sciences and Humanities Research Council of Canada (SSHRC).

Job Description:

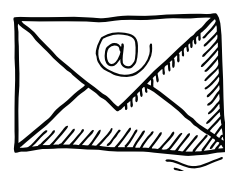

We are looking for someone to 1) plan and conduct semi-structured group interviews under the supervision of the Chair holder, and 2) contribute to the coding and analysis of interviews. This position offers a unique opportunity to contribute to ongoing research efforts in the field of gambling.

Requirements:

- Be a Master's or PhD student in social sciences, with research experience.
- Have experience with qualitative interview techniques.
- Be fluent in French for facilitating group discussions.
- Possess strong communication skills.
- Have the ability to work independently and collaboratively within a research team.
- PhD students, especially those available during the summer semester (May-August), are encouraged to apply.

Job Details:

- Part-time schedule (approximately 10 hours per week).
- Salary based on Concordia University standards.
- Start date: May 2024.
- Workplace: Concordia University - Gambling Studies Research Chair, Sir George Williams campus.

Application Submission

Please email a cover letter and curriculum vitae by April 1st, 2024, with the subject line "Research Assistant" to: Email: lifestyle.lab@concordia.ca

Only shortlisted candidates will be contacted.
