

## Director's Note:

This has been another incredibly rewarding experiment in “How to stage a Reading of over 50 plays in a room with no lighting grid?” Here is our proposition. Once again, this has been a collaborative process, all the best ideas absolutely belong to this collective of artists. I invite you to read all the plays presented over these last two semesters of Staged Readings: The Birds by Yvette Nolan, Concord Floral by Jordan Tannahill, Smalltalk by Carole Fréchette, Wildfire by David Paquet, Dance Nation by Clare Barron, Mr. Burns a Post Electric Play by Anne Washburn, and finally 365 Days/ 365 Plays by Suzan-Lori Parks. It has been a true privilege to share in the discovery of these worlds with all of you!!
