

Incremental Project Grants (IPG) Program Program Description and Allocation Overview 2023-2024

The Incremental Project grants (IPG) funding opportunity is a stream of the Research Support Fund (RSF) that provides further support for the indirect costs of research, in addition to the RSF grant. The IPG provides additional support for projects in the following four priority areas:

- innovation and commercialization activities;
- facilities renewal, including deferred maintenance;
- information resources, including digital resources, open access and databases; and
- equity, diversity and faculty renewal (in the context of equity, diversity and inclusion).

For 2023-2024, Concordia University requested IPG funding for the three following projects:

Projects	IPG Program Priority Area	Notional Amounts
Research Infrastructure Renewal at Concordia University	Facilities renewal, including deferred maintenance	\$482,974
Development of Research Support for Computing and Information Technology at Concordia University	Information resources, including digital resources, open access and databases	\$45,000
Supporting Equity, Diversity and Inclusion Awareness Activities at Concordia University	Equity, diversity and faculty renewal (in the context of equity, diversity and inclusion)	\$35,000
TOTAL		\$562,974
