

BIOL 490 ORAL PRESENTATION SCHEDULE

Wednesday 5 December 2018 in SP-457.03 (the Biology Conference Room)

Note that this is the first day of exams.

Come and see some of our finest undergraduate students presenting the results of their projects, find out what has been happening in our research laboratories, learn more about how science is communicated, and show your support.

Note that these students are candidates for the Berti Farag Science Award, presented to the most outstanding BIOL 490 project this academic year (2018-2019).
