

Economics Open House: November 3, 2017, 1 to 5 p.m., H-1145

Are you a prospective graduate student in Economics? An undergraduate student in Economics or studying or working in a related field? Are you interested in pursuing an MA or PhD in Economics at Concordia? If so, join us at our Open House event on Friday, November 3, in H-1145 on the 11th floor of the Hall building (1455 de Maisonneuve West) at 1 p.m.

We will start with an information session on the graduate programs, the graduate community, the Co-op program and funding opportunities, and with brief presentations by MA and PhD students. The presentations will be followed by an informal department tour with current graduate students, and the event will conclude with an opportunity to network at our annual Coffee and Cake with faculty, staff, and current graduate students.
