Nik Nanos is Chief Data Scientist and Founder of Nanos Research, one of Canada's most distinguished research companies. Nik leads the team behind the weekly Bloomberg Nanos Canadian Confidence Index, considered a must-have resource for senior executives. He is featured in a weekly segment on CTV's News Channel, *Nanos on the Numbers*, which focuses on the latest political, business and social trends. He is the pollster for CTV News, the Globe & Mail, and Bloomberg News in Canada. Nik Nanos is the author of *The Age of Voter Rage*, published earlier this year, in which he examines the rise of populist politics in the US, the UK, Canada and France, the restructuring of citizen engagement and how small swings in voter sentiment have a disproportionate impact on democratic outcomes.
