# Sensing Risk

A Symposium of Risk in the Sensor Society

Keynote Address:

Dr. Mark Andrejevic (Pamona College, USA)

Monday, March 14<sup>th</sup> • 1 to 5 p.m.

*Hall Building (1120), 1455 de Maisonneuve Blvd. W.*

## Symposium Information:

The purpose of the *Sensing Risk Symposium* is to explore the implications of emergent and pervasive forms of risk management in the sensor society. The Symposium will bring together risk researchers from across Concordia University, and beyond, with the aim of developing new conceptual frameworks for analyzing the dynamics of risk in the sensor society. A core focus will be upon the implications of risk sensing techniques for citizens as they transit through spaces of consumption.
