Remember, in most cases this is an update from 1998, so not a lot of detail is required, except where noted.

For each item determine whether or not it is located within the site boundaries (Yes/No column). If it is not, please indicate:

- which community residents travel to for these services (Community column)
- and how far it is by personal car, both in time (minutes) and distance (Time and Kms columns).

Add any additional relevant comments. For example, perhaps the elementary school has closed since 1998, or there has been a change in who provides a particular service. The key is to ask “What has changed?” of the person(s) you are speaking to.

7. ECONOMIC FORTUNES

Review the original site profile to see which businesses existed at that time. We want to know a bit about how many and what type of businesses opened or closed since 1998. Check with the Chamber of Commerce first.

New business opened since summer 1998: Existing business closed since summer 1998:

Country Cobweb Weaving Studio - artisan (1)

8. COMMERCIAL SHOPPING

We want to determine the level of retail / commercial shopping in the site, and the distance and time to travel to any higher levels of retail / commercial shopping. We are roughly following Hodge / Stabler's classification scheme.

For example, if the community is a full convenience centre, write "yes" in the Yes/No column beside that description. Then for each of the four descriptions of more extensive retail / commercial centres, identify the nearest community people in this site would travel to for that level of shopping, and how far that is in terms of time and distance by personal automobile.

Description	Yes/No	If "no", how far?			Comments
		Which Community?	Time	Kms	
minimum convenience centre (gas and basic groceries)					Lake Dalrymple General store (presently for sale)
full convenience centre (minimum plus some general merchandise, full grocery store, implement dealers)		Brechin, Orillia, Kirkfield	15 20 15	20 30 15	
partial shopping centre (above plus selected merchandise - small malls)		Orillia Lindsay	20 45	30 65	
complete shopping centre (above plus extensive retail merchandise - large malls)		Orillia Lindsay	20 45	30 65	
secondary wholesale-retail centre (above plus some wholesale)		Orillia Lindsay	20 45	30 65
