

Site	Person	Interview #	Question 53	Question 54
1	2	193	Increase employment in Winterton, especially for youth; make fish plant operational 12 months of the year Increase industry in the area.	Work together to secure employment opportunities for young people in Winterton.
1	2	191	Maintain the status quo. The fish plant is open nearly year round.	Attempt to rid Winterton of debt that was incurred through the incompetence of provincial government representatives and its officials.
1	2	166	Increase employment in Winterton. Achieve equality and equal rights for all residents of Winterton. Increase business, such as a Aproper@ grocery store. Since Hindy=s grocery store closed, the price for groceries in Winterton has increased.	Winterton needs to pull together to insure that it is a better community for all to live in. AIt is a one man town.@
1	2	53	Increase industry in Winterton which would provide employment for young people. This would keep them from having to move to the Mainland to find work. Would like to see the residents of Winterton to work closer together on voluntary endeavors and help each other (e.g., councillors).	Would like to see a project for recycling/composting which would employ 15-20 residents of Winterton.
1	2	92	Hope that Winterton continues to survive, and that it can hold on to its young people. Hope that residents can continue to make a living in Winterton. Increase recreation facilities in Winterton.	Increase steady employment for young people in Winterton so the community can survive.
1	2	126	Increase the number of young families living here which would increase the number of babies being born, increasing the population. Without this, Winterton will become an Aold-folks home.@ Increase the population of full-time residents.	Residents of Winterton have to be open to new ideas. Things are difficult to change in Winterton because residents are set in their ways.
1	2	114	Increase employment opportunities in Winterton. There is a fear that the fish plant will close. A change is needed in the water system so the supply can be drawn from the ponds.	Increase employment opportunities, especially for younger generation. This would keep them from having to move away to find work.

1	2	50	Would like to see the fishery return so it would provide financial stability for rural communities.	Keep the services that are presently in Winterton (e.g., Doctors, fire protection. There is a fear that some of these services will be lost.
1	2	33	More recreational facilities are needed for young people. There must be an increase in the number of people who are working together for the good of the community. Maintain the educational institution so it does not close.	To draw more young people and families to live in Winterton, perhaps through increased business.
1	2	45	Increase employment so young people who have left to find work can move back to the community.	Get young people to return from away by increasing employment in Winterton.
1	2	65	Increase employment to keep young people in Winterton. Bring back lost population.	Increase employment to keep young people in Winterton. Bring back lost population.
1	2	172	Increase employment to keep young people in Winterton. The majority of people living in Winterton are from 70-96 years of age.	Increase employment, especially for younger generation.
1	1	142	Hope Winterton can become a viable community free of crime.	Maintain economical viability.
1	1	15	Not much hope for the future of Winterton. Once the seniors are gone, there will no longer be a town.	Don't Know.
1	1	96	Hope people will be able to stay in Winterton and not feel forced to leave. Hope there is no longer any out-migration.	Winterton should work on keeping the school system in town so that kids do not have to be bused to other communities.
1	1	72	Hope Winterton can get keep its Doctor. Hope Winterton can keep the school. Would be nice to see a shopping center in Winterton. Hope that the young people will move back into the community.	Winterton should continue to fight to keep the school in town and its Doctor.
1	1	200	Hope that Winterton stays as it is or it continues to improve. Winterton is a Senior's Community; the community needs younger people to move back.	Community members must come together to bring things to the town to attract young people to stay in Winterton or to move there.
1	1	38	Winterton is a declining community. Churches need to play a more important role and involve young people. Increase employment in Winterton. Make Winterton a more	Try to keep the school open in Winterton. There is a possibility that the school may close.

			prosperous community.	
1	1	35	Would like to see more employment in Winterton so that youth can stay. Presently, only older people are staying.	Increase employment to keep youth in Winterton.
1	1	1	Increase youth population in Winterton.	Increase youth population in Winterton.
1	3	24	Sustain Winterton=s employment and population.	Winterton should work on sustaining employment.
1	3	81	Hope there is more employment to keep people in the community.	Winterton should aim to generate more employment for local people.
1	3	145	Hope Winterton becomes more economically prosperous, and that there are more employment opportunities for youth so that they stay in the community.	Improve commerce-generate more employment.
1	3	129	Hope for increased employment and that the youth stay in Winterton to live.	Generate more employment for youth.
1	3	122	Hope that there are more jobs created for people in Winterton.	Don=t know.
1	3	82	Hope that Winterton remains financially stable, and that people stay in the community.	Winterton should provide and sustain employment.
1	3	198	Hope that a new industry will set up in Winterton.	No Answer.
1	3	194	Hope Winterton continues to prosper and experience growth. Hope the youth remain in Winterton.	Keep youth employed in Winterton.
1	3	6	Education for young people in Winterton has gotten worse. Student should receive their education in town rather than being bused 30 minutes away. Hope the students of Winterton can receive their education in town.	Open schools in the area so that the students would not have to leave to go to school.
1	3	177	Hope there is increased employment opportunities in the future.	Winterton should work on increasing employment.
1	3	23	Hope students will be able to remain in town to receive their education.	Winterton should work on improving the school system so that student can remain in town instead of traveling 30 minutes to the nearest school.

1	3	192	Hope Winterton becomes a retirement community because it is the seniors that are the only ones contributing to the town. Without seniors, Winterton would not exist.	No one has the answer to this question. The community spirit is gone. The only thing to do is to keep the seniors in the community.
1	3	41	Hope that Winterton has increased employment so that people can stay in the community.	Winterton should work on increasing employment, and keeping the school open so that children will not have to be bused to the nearby community. Winterton should work on creating recreational programs for youth so that they do not have to go to Carbonear. Winter Travel is very difficult, thus making winter recreation very difficult.
1	3	150	Hope that the fishery returns so that more people can be employed.	Winterton should go after politicians to return the fishery.
1	3	175	Future not looking promising with several youth moving out. Federal Government has to change their attitude and value small communities.	Winterton should work on increasing employment so that the youth will stay in the area.
1	1	34	Hope that more people move into Winterton and that there are more jobs for everyone.	Winterton should provide more youth programs. Youth do not have enough to do in town, and have to travel to other communities.
1	1	118	Hope there are more opportunities for young people (i.e. better schools and recreational facilities/programs). Winterton is a great place to live, however there isn't much for young people to do here. People should get used to the fact that they can not get all of their services in the community; this is the way things will be in the future for most rural communities.	We have entered the technological age. Women should become more involved the community and become more interested in technology rather than traditional house roles. In addition, we should get used to the fact that we have to travel to other communities for work and services. With this in mind, roads in (and around) the area should be improved so that people can easily commute to other centers. The town of Winterton should push government to make these improvements.
1	1	140	Hope that Winterton prospers.	Enlightenment.
1	1	83	There are only retired people in this town now. The only hope for the town is to keep the fish plant open.	Keep the crab plant open. Without the crab plant, young people will continue to leave.
1	1	86	She predicts that Winterton will die out as there is an absence of work in Winterton and the fishery is lagging. Feels that government is pushing residents toward cities.	Attract some large business to the area. Increase employment to attract people to stay in Winterton.

			The moratorium greatly impacted Winterton; there is no longer much to the fishery in the area.	
1	1	147	Hope that people of Winterton will stay friendly.	Winterton needs a facility where old folks can be taken care of. Older people often have to go to senior=s facility in Carbonear.
1	1	68	The biggest problem is the that the high school may be moved to Old Perlican; it is presently in Heart=s Content. People won=t settle in Winterton if they have to send their children far to go to school.	Opposition of A super-school@ idea being proposed by Provincial Government. AIt is outrageous to get children to stay on a bus for 1.5 hours and possibly 3 hours on dangerous winter roads.
1	1	196	For Winterton to continue as it is. Increase employment to keep the community from losing more young people.	No answer.
