

“MORE THAN WAITING FOR THE BUS”

ENVIRONMENTALLY ENGAGED IDEAS COMPETITION (2017 EDITION)

This competition is an occasion for a call for innovative ideas and principles for imagining and conceptualizing urban installations that, while responding to contemporary environmental concerns, will improve the living environment of citizens by proposing best long-term practices.

CONCORDIA UNIVERSITY RESEARCH CHAIR IDEAS-BE + LE CONSEIL RÉGIONAL DE L'ENVIRONNEMENT DE MONTREAL + UNIVERSITÉ DE MONTRÉAL RESEARCH CHAIR ON COMPETITIONS organizing an environmentally engaged ideas competition for reinvigorating public spaces around bus stops. This competition is open to students and graduates of less than 5 years in the fields of architecture, design, landscape and urban design. This ideas competition seeks both:

- (a) designs that are environmentally engaging; and
- (b) a series of principles that could be adopted for future implementation in collaboration with the City of Montreal, the STM and private landowners.

Registration is mandatory. For registration or for further information, please send an email to: ideas.be@concordia.ca

Please include the following information for each team member:

- 1. full name
- 2. affiliation (whether this is academic or professional)
- 3.a. If a student, program of study, university and year of study
- b. If a young creative practitioner the number of years of experience in design related field.
