

CONGRATULATIONS!

The International News Media Association (INMA) honoured the Montreal Gazette and Concordia University on May 24, 2016 at the Global Media Awards.

Best Execution of Native Advertising Award Rethinking Montreal

A five-part, 10-week print, tablet, web and video about the future of Montreal

Rethinking Montreal aimed to promote Concordia University as a leader in hard-sciences research and facilities. It showcased Concordia professors whose research is impacting the city and its citizens.
