HOMA HOODFAR 100 DAYS

CAPTIVE IN IRAN

On June 6, retired Concordia professor Homa Hoodfar was arrested by Iran's Revolutionary Guard. Reported to be in failing health, she is being investigated for "dabbling in feminism and security matters." More than 5,000 academics from around the world have signed a petition calling for her release (homahoodfar.org). Cartoon by the Montreal Gazette's Boris. #FreeHoma
