The Colors of Concordia Award

This award was established in 2005 through the fundraising efforts of members and friends of the Colors of Concordia Team, which has had over 200 participants from 62 countries in Montréal's annual Tour de l'Île for several years. The guiding philosophy of the Colors of Concordia Team, and the Colors of Concordia Award, resides in promoting awareness, cooperation, cultural integration and communication, and the bringing together of different cultural communities.

As such, the purpose of this award is to encourage and reward a full-time or part-time student enrolled in a Bachelor's program at Concordia, who has demonstrated initiative in trying to unite people from different cultures (religious, ethnic, sovereign) and who remains committed to promoting cultural integration.

Eligibility: The award is open to full-time in Bachelor's programs at Concordia University, in any discipline of study, who meet at least one of the following criteria:

On campus cultural groups: A Concordia student working with one of Concordia's cultural groups and who is working to promote intercultural integration and communication with the intent of bringing different communities together.

Exchange program student: A Concordia student who is taking part in an inter-university exchange program whereby the student, while visiting another school on exchange, is helping promote cultural integration and cooperation at or within the host University's community. The Concordia student and their host University must represent two distinctly different cultural communities.

Outside initiatives: A Concordia student who has taken initiative to promote, either within the local Montreal community or with an outside community, awareness, cooperation and cultural integration.

Citizenship: This award is open to Canadian Citizens, Permanent Residents, and International Students.

Application: Students wishing to be considered for this award must complete the application form on the reverse of this information bulletin, and also provide an applicant's statement in response to all of the following:

- 1) Explain why you should be considered for the award.
- 2) What motivates and inspires you to continue doing this type of work?
- 3) Provide examples of your experience with other cultures that have impacted your own personal development.
- 4) From past experience what are some of the roadblocks to greater cultural understanding?
