As part of its commitment to the lifelong pursuit of education, Concordia University, through its Centre for Continuing Education, offers a variety of non-credit educational programs. These are designed to meet the practical needs and interests of people in the workplace, helping them to refine and improve their skills.

Students may choose individual courses or a program series to earn diplomas or certificates in a particular area of specialization. Acceptance to any of the Centre for Continuing Education's programs does not guarantee admission to, or credit towards, any of the University's degree programs.

The Centre for Continuing Education calendar (concordia.ca/conted) provides a description of the available courses and programs as well as the Centre's regulations pertaining to admission, tuition, and academic concerns.

For the most up-to-date non-credit program and course offerings, please go to concordia.ca/conted.
