How would you describe life in Montreal?
It’s an explosion of so many different things! I’m absorbing all this culture everywhere I go. I wouldn’t want to live anywhere else.

Please note that the above-mentioned are minimum qualifications required and do not guarantee admission to a specific program. The university reserves the right to change admission requirements at any time.
PROGRAM CHOICES — WHAT YOU NEED TO KNOW BEFORE YOU APPLY

• How do I choose the right program for me? Browse our programs, research career options for those programs and notice what captures your imagination. Visit concordia.ca/programs.

• You can indicate up to three program choices, in order of priority. Your first choice should be your top choice, since we will evaluate your application in the order you specify. If you don’t get accepted to your first choice, we’ll automatically consider your next choice and so on.

• Pick a new subject for each choice. Don’t select the honours, specialization and major of the same subject (e.g. Psychology) for your three choices. If you don’t meet the requirements for the honours, we’ll automatically consider you for the specialization or the major in the same subject instead.

• Admission requirements for some programs are exactly the same (for example, all John Molson School of Business degree programs and all Aerospace Engineering options). Don’t waste a choice on a program that has the exact same requirements as a choice you already specified. Consider including a less-competitive program among your choices, to maximize your chances of admission to the university!

TO APPLY:

1. HAVE YOUR THREE PROGRAM CHOICES READY.

2. CHECK YOUR PROGRAMS’ ADMISSION REQUIREMENTS.
   Look for specific math and/or science course requirements, a letter of intent, a portfolio, etc.

3. APPLY ONLINE at concordia.ca/apply.

4. INCLUDE YOUR SUPPORTING DOCUMENTS.
   a. TRANSCRIPTS: Upload a copy now. We’ll ask you for official copies later, if you’re accepted.
   b. PROOF OF LANGUAGE PROFICIENCY, if applicable.
   c. PROOF OF CANADIAN CITIZENSHIP OR PERMANENT RESIDENCY, if applicable.
   d. PROGRAM-SPECIFIC REQUIREMENTS, if applicable (i.e. letter of intent, portfolio, etc.). These additional documents may need to be submitted directly to the academic department. Check concordia.ca/ugrad-other-req.

   You may upload documents to your file even after submitting your application.

Complete instructions are at concordia.ca/undergraduate.
