# CONCORDIA COMPOSTS ORGANICS

40% of Concordia's waste can be composted\*  
(turned into fertilizer)!

[CONCORDIA.CA/SUSTAINABILITY](http://CONCORDIA.CA/SUSTAINABILITY)

\*according to the 2012-2013 Concordia Waste Audit

# LANDFILL WASTE

Landfills releases greenhouse gases,  
contributing to climate change.

Only **17%** of **Concordia's** waste is truly landfill.  
Are you sure about what you're throwing out?
