CIADI AEROSPACE DAY 2020

APRIL 7, 2020

CONCORDIA CONFERENCE CENTRE,
JOHN MOLSON BUILDING,
1450 GUY ST., MONTREAL, QUEBEC, CANADA

IN COLLABORATION WITH

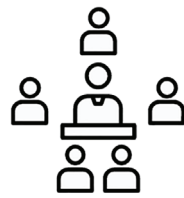

AEROSPACE DAY 2020

THE FUTURE OF AIR AND SPACE MOBILITY

The Concordia Institute of Aerospace, Design and Innovation (CIADI), is a center of excellence for aerospace research and education, which promotes and supports innovation in the aerospace community and the development and management of multi-partner aerospace research projects.

After a successful Aerospace Day in March 2019 with over 100 participants, CIADI and the aerospace student societies at Concordia are back, in collaboration with ICAO, for a second edition of the conference with the theme “The Future of Air and Space Mobility”.

Join us for a day filled with:

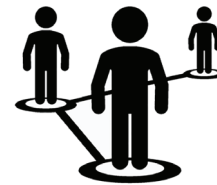

PANEL DISCUSSION

PRESENTATIONS

COCKTAIL

NETWORKING

WHY SPONSOR US?

The Concordia Institute of Aerospace Institute, Design and Innovation (CIADI), in collaboration with Concordia's Aerospace societies - Space Concordia, UAV Concordia, SAE AERO and the Vertical Flight Society (VFS), aims at creating a platform for industry professionals, experts, students and aerospace enthusiasts to engage in a day of panels and discussions.

Our aim is to collaborate and enrich the growth of aerospace within Quebec and beyond. Our sponsors will benefit from the unparalleled opportunity to strengthen awareness and tap into the vast potential of our aerospace community .
