

Sequence of the Courses Needed for the Major in Supply Chain Operations Management

Notes:

1. A *prerequisite* (—▶) refers to a course that should be completed before the course that appears at the tip of the arrow. For example, either COMM 225 or 226 must be completed before BTM 480.
2. A *prerequisite or co-requisite* (- - -▶) refers to a course that can be completed in the same term as the course that appears at the tip of the arrow or before, not after. For example, COMM 225 and SCOM 363 can be completed in the same term.
3. The courses needed for this major appear in two colours. The seven required courses appear in **red** and the elective courses appear in **green**.
4. COMM prerequisites to SCOM courses are shown next to the SCOM courses.
5. **Students are responsible for following the correct sequence of courses required for the completion of a particular major. Students who fail a course must repeat it before taking the next course.**
6. The **Minor in Supply Chain Operations Management** consists of SCOM 361, 363, 372, 374.
