
FALL 2019

This programme is an elective for the Global ACI-ICAO Airport Management Professional Accreditation Programme (AMPAP).

Successful participants will receive a joint ACI/JMSB-Concordia University certificate.

Featuring a classroom session in San Francisco, USA

October 27th to November 1st, 2019

A unique career-building opportunity for future leaders of the global airport industry. Offered by Airports Council International (ACI) in collaboration with the John Molson School of Business of Concordia University, Montreal.

OBJECTIVES

- Foster the development of airport industry leaders, assisting them to develop their leadership and strategic management skills
- Create a global forum for future leaders to network with peers
- Provide participants with:
 - Advice on strategies to handle leadership responsibilities in an effective manner
 - Global, regional and cultural perspectives
 - New professional opportunities

PROGRAMME STRUCTURE

- Three-week, on-line introduction, initiation and discussions.
- Six-days intensive face-to-face classroom component; leadership will be analyzed from different perspectives on organizational, managerial and team I levels. Leadership as a basis for transformation, innovation and change will also be discussed.
- One week recess.
- Four-week on-line session built on the issues addressed in the classroom week and mainly focused on problem- based activities (individual and group assignments)

SESSION DATES

- The AELP Fall 2019 session will run from October 5 to December 6, 2019 and consists of:
- Three weeks distance learning (commencing October 5, 2019)
- One week classroom session in San Francisco, USA (October 27 to November 1, 2019)
- Four weeks of distance learning (November 9 to December 6, 2019)
