M.Des Program: This 2 year (45 credit) program provides an opportunity for students to broaden their theoretical knowledge of design and focus on innovative research in the areas of visual communication, the built environment, interaction design and design studies. If you plan to work during your course of study, we strongly encourage that you reduce your weekly commitments, in order to get the most out of the program.

Orientation: The Graduate Program Director requests all students to be present at the Orientation session on **Wednesday, August 31st from 2:00 – 4:00pm in EV6.720** (details will be emailed to students in early August). Please reserve this date in your calendar, as this is an important opportunity to ask questions and meet your cohort of peers in the program.
