

NEW STUDENT ADVISING SHEET FOR MBA STUDENTS

Academic Advising Appointment:

To obtain information about registration all new MBA students **must** email the Assistant Director at: admba.jmsb@concordia.ca after they have accepted the offer of admission and confirmed their participation in the program. The Assistant Director will remove the 'hold' on the new student's file to enable them to register for courses.

Your Academic Program:

Please refer to the curriculum requirements of your program in order to plan your courses with an awareness of the program structure and the required pre-requisite and co-requisite courses. That information will be found in the Graduate Studies Calendar, on the program website in the curriculum section, and in the program Registration Guide.

The Class Schedule and Important Dates:

The class schedule and registration start dates will be announced annually in the MyStudent Centre and on the MBA Program Moodle. The Important Dates list for the academic year includes the course registration ADD, DNE (Did Not Enter), and DISC (Discontinue) dates, as well as the examination weeks, and holidays and are found at:
