

Letter of Intent for Applied Human Sciences

A letter of intent (maximum 2 pages), which should cover the following areas:

- Program you wish to enter. A statement of both your long and short-term goals.
- Your reasons for choosing Applied Human Sciences.
- How does the program relate to your learning goals and your career goals? Your strengths and weaknesses as a candidate.
- List of previous and current work/volunteer experience that might fit with this program. If a CV is submitted or a letter of reference, all documents will be reviewed.
- If you think any element of your academic record is not reflective of your true potential, please explain.
