

# BIOL 490 ORAL PRESENTATION SCHEDULE

*Because of the large number of students presenting, presentations will take place over two days:*

Ecology/Organismal Biology: Thursday 14 April 2022 (the day after the last day of classes)

Cell and Molecular Biology: Tuesday 19 April 2022 (first day of exams)

GE-110.00 (in person)

Come and see some of our finest undergraduate students presenting the results of their projects, find out what has been happening in our research laboratories, learn more about how science is communicated, and show your support.

**Note that these students are candidates for the Berti Farag Science Award, presented to the most outstanding BIOL 490 project this academic year (2021-2022).**
