

CONCORDIA UNIVERSITY'S FACULTY OF
ARTS AND SCIENCE PRESENTS THE 2012-2013

SCHOLARS LIST

Concordia's Faculty of Arts and Science takes tremendous pride in recognizing students who have achieved outstanding academic success. Arts and Science Scholars are those students who have earned the highest grade point averages in each academic program during the 2012-13 academic year. These students are the top 1% of a remarkable group of approximately 800 students who are on the 2012-13 Dean's List for having achieved a grade point average of 3.75 or higher.
