

Bi-Weekly Newsletter of the Loyola Sustainability Research Centre

December 15, 2017

- **Sustainability Ignite Session coming soon: Mark your calendars!**
 - Jan 19, 2018 in MB 3.430 (it'll be here before you know it)
 - Short presentations (5 minutes max) by some of our most valued fellows and graduate students. Thank you to those who have agreed to participate!
 - More information available [here](#)
- **Spend some time this holiday thinking about the [LSRC Sustainability Across Disciplines Conference](#)!** (March 8-9, 2018)
 - **STUDENTS:** submit a title and abstract (max 300 words) to [Rebecca](#) by **Feb 15th** and benefit from free conference experience!
 - **FACULTY:** We're looking for internal keynotes (45-minute slot), or you can give a shorter talk (15 minutes). This is a great way to get your work out to the community! [Contact Rebecca](#) if you're interested!
 - Do you have ideas about
 - External speaker? We have space for one more!
 - Panel discussions in which you would be interested in participating?
 - Sustainability professionals to invite for the Careers in Sustainability panel?
 - [Let us know](#) how we can make this conference great!
 - (This conference has been made possible due to the generous support of the Office of Research, JMSB, LCDS, and the Departments of Applied Human Sciences; Biology; Communication Studies; Economics; Geography, Planning and Environment; and Sociology and Anthropology)
- **Potential funding opportunities**
 - [Canadian Foundation for Innovation Fund \(CFI\) grants](#)

- Anyone interested in being a co-applicant on a proposal for a sustainability lab space on campus? [Let us know](#) what your needs would be so we can start thinking about how to put a proposal together! The deadline for the EOI is March 1st so the sooner the better.

- **Recent publications by LSRC members**

- Massey, W., [Biron, P. M.](#), & Choné, G. (2017). [Impacts of river bank stabilization using riprap on fish habitat in two contrasting environments](#). *Earth Surface Processes and Landforms*, 42(4), 635-646.
 - [Didur, J.](#) (2017; forthcoming). [Walk This Way: Postcolonial Travel Writing and the Environment](#). Chapter 3 in Clarke, R. (Ed.). (2017). *The Cambridge Companion to Postcolonial Travel Writing*. Cambridge University Press.
 - Zastavniouk, C., Weir, L. K., & [Fraser, D. J.](#) (2017). [The evolutionary consequences of habitat fragmentation: Body morphology and coloration differentiation among brook trout populations of varying size](#). *Ecology and Evolution*, 7(17), 6850-6862.
-

The LSRC Newsletter will be back in January 2018. We take this opportunity to wish you all a happy, healthy, relaxing holiday season!

Question? Comments? Concerns? Additions for the next newsletter? [Contact LSRC Coordinator Rebecca Tittler](#)
