Join us at Concordia University and help us explore the wonderful world of fractals. Together we will create beautiful pieces of art, find their connection to the world of Mathematics, and show how they relate to fields such as ecology, geography, and even video game design!

Date: December 1st, 10am – 2pm
(Lunch break from 11:30-12:00, bring your own lunch.)

Location: Concordia University
John Molson Business School
Room: MB S1.430
1450 Rue Guy St.
Montréal, QC H3H 0A1
