*Students should get the above information from their instructor during class time. The instructor is the person to contact should there be any questions about the course.

Assignments: Given weekly. No late assignments will be accepted. Solutions will be posted at the SGW Digital Store (LB-115).

Test: There will be one class test in the seventh week. There will be no make-up test.

Final Exam: The final examination will be three hours long. It covers material from the entire course.

Final Mark: The final grade will be based on the higher of (a) or (b) below:
a) 5% for the assignments, 30% for the test, and 65% for the final.
b) 5% for the assignments, 95% for the final examination.
Please note that there is no “100% final exam” option in this course.

Calculators: Only calculators approved by the Department are permitted in the class test and final examination. The calculators are Sharp EL 531 and Casio FX 300MS, available at the Concordia Bookstore.
