Instructor: Dr. I. Groparu, Office: LB 1036 (SGW), Phone: 514-848-2424, Ext. 8656
Email: ionica.groparu-cojocaru@concordia.ca

Class Schedule: Wednesday, 18:00-20:15.

Office Hours: Mondays, 9:00-12:00.

Prerequisites: Math 205 or an equivalent Calculus II course.

Assignments: Assignments are *very important* as they indicate the level of difficulty of the problems that the students are expected to solve. Therefore, every effort should be made to do and understand the assignment problems. The assignments will be corrected and graded.

Web Resources: Many excellent animated illustrations to the text of the book are collected at the site [www.stewartcalculus.com](http://www.stewartcalculus.com), see TEC (Tools for Enriching Calculus) for the edition 6. Regular use of this resource is much recommended.

Use of Computer Algebra System: It is optional but much recommended to install and use Maple or Mathematica. These computer tools can be used to verify and illustrate any analytical results you get while doing your assignment problems.

Calculators: Electronic communication devices (including cell phones) are not allowed in the examination rooms. Only “Faculty Approved Calculators” SHARP EL-531 or CASIO FX-300MS are allowed in the examination rooms during the midterm exam and the final exam.

Test: Midterm exam covering the first six weeks will be given in week 8.

Final Grade: The highest of the following:
- 90% final exam, 10% assignments.
- 30% midterm, 10% assignments, and 60% final exam.

If the grading scheme for this course includes graded assignments, a reasonable and representative subset of each assignment may be graded. Students will not be told in advance which subset of the assigned problems will be marked and should therefore attempt all assigned problems.
Academic Integrity and the Academic Code of Conduct

This course is governed by Concordia University’s policies on Academic Integrity and the Academic Code of Conduct as set forth in the Undergraduate Calendar and the Graduate Calendar. Students are expected to familiarize themselves with these policies and conduct themselves accordingly. "Concordia University has several resources available to students to better understand and uphold academic integrity. Concordia’s website on academic integrity can be found at the following address, which also includes links to each Faculty and the School of Graduate Studies: concordia.ca/students/academic-integrity." [Undergraduate Calendar, Sec 17.10.2]
