Calculus, 3rd Edition, by M. Spivak

Assignments: Given approximately weekly. No late assignments will be accepted.
You should submit your assignments handwritten on paper, not electronically, and provide complete arguments. Not all assigned problems will be marked. Solutions to assigned problems will be posted on Moodle.
Students must follow the University’s policy on Academic Integrity:
http://www.concordia.ca/students/academic-integrity.html

Departmental website: http://www.mathstat.concordia.ca
Midterm Test: There will be a 75 minute midterm test in the 7th or 8th week of classes. **There will be no make-up midterm.**

Final Exam: To be scheduled by the exams office. Students should plan to be present for the entire exam period and are responsible for finding out the time and location of the exam when it is announced. Any conflicts or other problems should be reported to the exams office in a timely manner.

Grading: 10% Assignments, 30% Midterm Test, 60% Final Exam

OR

10% Assignments, 90% Final Exam

Since the grading scheme for this course includes graded assignments, a reasonable and representative subset of each assignment may be graded. Students will not be told in advance which subset of the assigned problems will be marked and should therefore attempt all assigned problems.

Topics: Time frame is approximate and is meant to include the midterm test.

**Academic Integrity and the Academic Code of Conduct**

This course is governed by Concordia University’s policies on Academic Integrity and the Academic Code of Conduct as set forth in the Undergraduate Calendar and the Graduate Calendar. Students are expected to familiarize themselves with these policies and conduct themselves accordingly. “Concordia University has several resources available to students to better understand and uphold academic integrity. Concordia’s website on academic integrity can be found at the following address, which also includes links to each Faculty and the School of Graduate Studies: concordia.ca/students/academic-integrity.” [Undergraduate Calendar, Sec 17.10.2]
