

Professor T.D. Dwivedi Memorial Lecture

THEORETICAL STATISTICS IN PRACTICE

DR. NANCY REID
DEPARTMENT OF STATISTICAL SCIENCES
UNIVERSITY OF TORONTO

The theoretical foundations of statistical science distinguish the subject from the many fields of research in which statistical thinking is a key intellectual component. In this talk I will emphasize the ongoing importance and relevance of theoretical advances and theoretical thinking through some illustrative examples from the scientific literature.

**FRIDAY, OCTOBER 13, 2023 AT 3PM IN LB 646
FOLLOWED BY A RECEPTION IN LB 921-04
SGW CAMPUS, CONCORDIA UNIVERSITY**
