Application To Honours Programme in Psychology

RETURN TO: Concordia University,
Psychology.forms@concordia.ca

Instructions:
1. Print CLEARLY. Complete the two (2) sections.
2. Attach your unofficial current student transcript/record.
3. The minimum requirements for consideration to apply to Honours are 30 credits completed with a cumulative GPA of 3.5 in Psychology courses and a GPA of 3.30 overall. NO grade lower than a C. Applications should be submitted before 60 credits are completed.
4. The deadline for the submissions of applications is at the end of the term, [January 30, May 30, September 30] with the previous term’s final grades included.
5. Applications are reviewed, by the Honours Advisor, but final decisions are made by the Faculty of Arts and Science at least a month following departmental approval.
6. In submitting this application, I agree that if accepted, I will abide by the regulations currently in effect, or as may come into effect, with respect to maintaining my status as an Honours candidate. I understand that failure to maintain the requirements for Honours candidates will necessitate my withdrawal from the Honors program. Furthermore, I understand that I will not graduate with Honours unless I have at least 3.7 GPA in my Psychology courses.

Application made for Honours Program leading to: (check one) ☐ B.A. ☐ B. Sc.

Please read the information below and fill the grid you will find on the back of this page.

How to Calculate A Grade Point Average (GPA)

Grades have point values:

- A++ = 4.3
- A+ = 4.0
- A- = 3.7
- B+ = 3.3
- B = 3.0
- B- = 2.7
- C+ = 2.3
- C = 2.0
- C- = 1.7
- D+ = 1.3
- D = 1.0
- D- = 0.7
- F, FNS, R, NR

Failed grades have a zero (0) point value.

Courses are assigned a specific number of credits:

eg. PSYC 200 = 6 credits
SOCI 203 = 3 credits
CHEM 331 = 2 credits

1. Multiply the point value by the credits for the course. The product of this multiplication will be the weighted grade points.
2. Divide the total weighted grade points by the total number of credits to obtain the GPA, (Grade Point Average).

Eg. PSYC 200 A = 4.0 x 6 (credits) = 24.0
SOCI 203 B+ = 3.3 x 3 (credits) = 9.9
CHEM 331 D- = 0.7 x 2 (credits) = 1.4
PHYS 225 F = 0.0 x 1 (credits) = 0.0

12 (credits) = 35.3  35.3 ÷ 12 = 2.94 (GPA)
II. In accordance with my attached transcript, I have completed the following Concordia University courses and obtained the following final grades:

<table>
<thead>
<tr>
<th>PSYCHOLOGY COURSES</th>
<th>NON PSYCHOLOGY COURSES</th>
