

INTERNAL DEGREE TRANSFER REQUIREMENTS

Psychology & Neuroscience

The internal degree transfer applies to Concordia students who are enrolled in a degree program and wish to transfer degrees to enter a program in Psychology or Neuroscience. Examples include students in a BSc program switching to the BA in Psychology, or students in a BComm, BEd, BComp, BEng, or BFA program switching to the BSc in Neuroscience.

If on the other hand you are a BA or BSc student who does NOT wish to transfer your degree, but just add or switch to the Major in Psychology or the Specialization in Neuroscience, please see the [Change of Concentration process](#).

Eligibility information

- To be eligible for the Internal Degree Transfer you must be a current Concordia student in a degree program.
- Internal degree transfers are considered for the Fall and the Winter terms only.
- The deadline to [apply for the internal degree transfer](#) is **March 1** for Fall transfers and **November 1** for Winter.

Academic requirements

1. Complete a **minimum of 12 credits** at Concordia University.
2. Achieve a minimum cumulative grade point average (**CGPA**) of **at least 3.00 (B)**.
3. Students wishing to transfer to the BSc in Psychology or Neuroscience **MUST** have completed or be exempted from at least 50% of the pre-science profile with at least one course from each discipline.
4. Completion of Introductory Psychology (PSYC 200) is suggested for entering a Psychology program, unless you have an exemption or transfer credits (TRC) for the course. PSYC 200 is not recommended for Neuroscience.
5. Admission to the Honours program is only possible after completing the first year of the Psychology or Neuroscience program.
6. Refer to [section 31.250 of the undergraduate calendar](#) to review program requirements and course descriptions before applying.

Transferable courses

Credits completed at Concordia with a grade of C- or better and any transfer credits that you were awarded in your current program are eligible for transfer.

Courses available to students in other programs

If you are not currently in a Psychology or Neuroscience program, but are interested in taking a course, please see the [Course Override procedure](#).

Switching to Psychology/Neuroscience information sessions

February 24, 2025 (12 - 1PM) / May 22, 2025 (12 - 1PM) / August 14, 2025 (12 - 1PM) / October 6, 2025 (12 - 1PM)

In-person sessions will be held in Loyola [RF 110](#). RSVP your attendance at an info session on our [Sign-Up Form](#).
