

# CURRICULUM VITAE

**Natalie A. Phillips**

**Citizenship:** Canadian

Department of Psychology, Concordia University  
7141 Sherbrooke Street, West, Montréal, Québec H4B 1R6  
*tel:* 514-848-2424 ext. 2218 (work); *fax:* 514-848-4537  
*e-mail:* Natalie.Phillips@concordia.ca

## EMPLOYMENT AND ACADEMIC HISTORY

- May, 2020–May 2025      Concordia University Research Chair (CURC) in Sensory-Cognitive Health in Aging and Dementia (Tier 1)
- June, 2010-      Professor, Department of Psychology, Concordia University, Montréal, Québec
- September 2019 -      Associate Scientific Director, Canadian Consortium on Neurodegeneration in Aging (CCNA)
- July 2021-2023      Director of Clinical Training, Department of Psychology  
June, 2010-2011      Concordia University, Montréal, Québec  
June, 2008-2009
- June, 2001-2010      Associate Professor, Department of Psychology, Concordia University, Montréal, Québec
- February, 1998 -      Principal Member, Centre for Research in Human Development, Concordia University
- September, 2001 -      Fellow of the Science College, Concordia University, Montréal, Québec
- June, 2006 -      Principal Member, Centre for Research on Language, Mind and Brain /  
Centre Research for Brain, Language, and Music  
<https://crblm.ca/>
- June, 2004-2005      Director, Applied Psychology Centre, Department of Psychology, Concordia  
June, 1999-2002      University, Montréal, Québec
- July, 1996-      Assistant Professor, Department of Psychology, Concordia University,  
June, 2001      Montréal, Québec

PHILLIPS, N.A.

### ***Cross Appointments***

- January, 2020 - Adjunct Professor, McGill University Research Centre for Studies in Aging (MCSA)
- February, 2001 - Researcher, Bloomfield Centre for Research in Aging, Lady Davis Institute for Medical Research, Montréal, Québec
- July, 1996- Associate Member, Department of Neurology, Clinical Neuroscience, Jewish General Hospital, Montréal, Québec
- July, 1996- Senior Researcher, Lady Davis Institute for Medical Research, Montréal, Québec

### **EDUCATION**

- 1990-1996 Doctor of Philosophy, Clinical Psychology (CPA/APA-accredited program) Dalhousie University, Halifax, Nova Scotia, B3H 4J1  
Thesis Title: Neuropsychological function in patients with peripheral vascular disease.  
Supervisor: Charles Mate-Kole, Ph.D.
- 1988-1990 Master of Science, Psychology Dalhousie University, Halifax, Nova Scotia, B3H 4J1  
Thesis Title: Neurophysiological correlates of encoding into episodic memory in young and old adults.  
Supervisor: Gail Eskes, Ph.D.
- 1983-1987 Honours Bachelor of Science, Psychology Dalhousie University, Halifax, Nova Scotia, B3H 4J1  
Honours Thesis: The effects of degraded stimuli and sentential constraint on the N400 response of the event-related potential.  
Supervisor: John Connolly, Ph.D.

### **HONOURS AND AWARDS**

- 2022 Fellow of the *Canadian Society for Brain, Behaviour and Cognitive Science (CSBBCS)*
- 2017 Concordia University Dean's Award for Excellence in Scholarship - Senior
- 2002 Concordia University Junior Research Fellow - \$5000
- 2000-2005 Canadian Institutes of Health Research (CIHR) Health Career Award - New Investigator \$50,000 per annum
- 2005 American Psychological Association Award for Innovative Practices in Graduate Education was won for the CIHR-sponsored Strategic Training Program in Communication and Social Interaction in Healthy Aging (tied with the University of Wisconsin). The award was given to the four participating Departments of Psychology (Calgary, Concordia, McMaster, and Toronto). Our innovative program was one of many reviewed by an APA committee composed of representatives from their Board of Educational Affairs (BEA) and the Council of Graduate Departments of Psychology (COGDOP). They noted the interdisciplinary and inter-university aspects of the program and how our model bridges departments and institutions (\$2,500).

PHILLIPS, N.A.

## RESEARCH GRANTS

- 2022 - 2028 Investigators: Titone, D. (PI), Baum, S., Byers-Heinlein, K., Klein, D., Luk, G., Phillips, N., Polka, L., Xiaoqian, C.  
Agency: Fonds de recherche Québec – société et culture, Soutien aux équipes de recherche  
Project: Montreal Bilingual Initiative  
Amount awarded: \$384,000 over 6 years.
- 2022-2024 Investigators: N. Phillips  
Agency: Grace Dart Foundation  
Project: How have COVID-19 pandemic experiences affected persons with or at-risk for dementia?  
Amount awarded: \$100,000
- 2021-2022 Investigators: Boller, B., Frasnelli, J., Phillips, N., & Jobin, B.  
Agency: Réseau Québécois de Recherche sur le Vieillissement (RQRV)  
Project: La mémoire olfactive : un potentiel marqueur précoce de la maladie d'Alzheimer.  
Amount awarded: \$29,878
- 2022-2024 Investigators: Phillips, N. (PI), Campos, J., Chasteen, Guthrie, D., Mick, P., Orange, J.B., O'Rourke, H., Pichora-Fuller, K., Savundranayagam, M., and Wittich, W.  
Agency: CCNA Women, Sex, Gender and Dementia Cross-Cutting Program  
Project: From brain to communication: Understanding the role of sex and gender in the relationship between sensory loss and health in COMPASS-ND participants  
Amount awarded: \$90,000
- 2021-2022 Investigators: Phillips, N. (PI), Ansaldo, A.I., Belleville, S., and Coulter, K.  
agency: Réseau Québécois de Recherche sur le Vieillissement (RQRV)- Axe Cognition Pilot Project  
project: La contribution du bilinguisme à la réserve cognitive à différents niveaux de cognition: du vieillissement normal à la maladie d'Alzheimer  
amount awarded: \$17,500
- 2020-2021 Investigators: Wittich, W., Joubert, S., Phillips, N., Kehayia, E., Johnson, E., Pichora-Fuller, K., and Bachir, V.  
agency: CIHR – Project Grant  
project: Words on the brain: Can reading rehabilitation for low vision improve cognitive functioning?  
amount awarded: \$100,000
- 2020-2021 Investigators: Poline, J.B., Glatard, T., & Phillips, N.  
agency: Joint McConnell Brain Imaging Centre – Perform Centre Call for Multidisciplinary Research proposals  
project: Continuous testing of neuroimaging results across pipelines and datasets: application to hearing loss associations with brain structure

PHILLIPS, N.A.

amount awarded: \$12,500

- 2020-2021 Investigator: N.A. Phillips  
agency: Concordia University, OVPRGS Spring 2020 Established Researcher Support Funding Opportunity  
project: Advances in geriatric tele-health assessment: Development of the Montreal Cognitive Assessment for telephone (T-MoCA) administration  
amount awarded: \$6500
- 2020-2021 Investigators: D. Titone, N.A. Phillips, B. Johns  
agency: Centre for Research on Brain, Language, and Music, Research Incubator Award, McGill University  
project: What is the Relation between Biological Sex, Bilingualism, and Cognitive Reserve over the Adult Lifespan?  
amount awarded: \$10,000
- 2020-2021 Investigators: Bethell, J., Andrew, M., McGilton, K., Morgan, D., O'Connell, M., Phillips, N., Walker, J., Wittich, W.  
agency: Canadian Institutes of Health Research, Catalyst Grant – Analysis of CLSA Data  
project: The association between loneliness and cognitive decline and the roles personality traits may play  
amount awarded: \$70,000
- 2020-2021 Investigators: P. Mick, Campos, J.L., Gan-Or, Z., N. Phillips, M.K. Pichora-Fuller, Wittich, W., Young, T.L.  
agency: Canadian Institutes of Health Research, CLSA Catalyst Grant  
project: Do genetic and social factors modify associations between sensory impairment and cognitive decline? An analysis of the Canadian Longitudinal Study on Aging.  
amount awarded: \$70,000
- 2020-2021 Investigators: P. Mick, M.K. Pichora-Fuller, N. Phillips, C. Jones.  
agency: University of Saskatchewan College of Medicine Research Award  
project: The association between glycosylated hemoglobin and incident hearing loss: An analysis of the Canadian Longitudinal Study on Aging  
amount awarded: \$28,250
- 2019-2021 Investigators: Brambati (PI), Marcotte, Rochon E, Langlais P, Philips N, Chertkow H.  
Agency: Alzheimer Society of Canada  
 Project Title: Quantitative assessment of speech in preclinical Alzheimer's disease  
Amount awarded: \$142,470
- 2019-2022 Investigators: S. Hebblethwaite, K. Li, A. Johnson, N. Phillips, K. Sawchuk  
agency: TELUS Health  
project: Enhancing AGENCY: Understanding the Potential for Older Adults' Use of Digital Health Technology  
amount awarded: \$300,000

PHILLIPS, N.A.

- 2019-2022 Investigators: Mick, P., Phillips, N., Pichora- Fuller, K., Wittich, W., Brewster, K., & Douglas, A.  
agency: Saskatchewan Hearing Research Foundation (Establishment Grant)  
project: Hearing and thinking from cradle to grave  
amount awarded: \$120,000
- 2019-2024 Investigators: N. Phillips (P.I.), J. Campos, A. Chasteen, D. Guthrie, P. Mick, Pichora-Fuller, J.B. Orange, M. Savundranayagam & W. Wittich  
agency: Canadian Institutes of Health Research  
project: Canadian Consortium on Neurodegeneration in Aging (CCNA) - Team 17: Interventions at the Sensory and Cognitive Interface  
amount awarded: \$1,426,600
- Investigators: N. Phillips (P.I.)  
 Subproject: The relationship between sensory function, cognitive function, brain structure, and quality of life in COMPASS-ND participants  
amount awarded: \$1,426,600
- 2019-2024 Investigators: H.M. Chertkow, H.M. (P.I.), R. Bartha, E. Rogaeva, Z. Gan-Or, A.C.G. Cuello, ... N.A. Phillips, ... et al.  
agency: Canadian Institutes of Health Research (and several partners)  
project: Canadian Consortium on Neurodegeneration in Aging Phase II  
amount awarded: \$44.26M
- 2019-2023 Investigators: K. Li, L. Bherer, J Campos, J-P Gagné, N St. Onge, N Phillips, MK Pichora-Fuller, W. Wittich  
agency: Canadian Institutes of Health Research (CIHR)  
project: Training cognition to improve mobility in older adults with hearing loss: Moving from lab to life.  
amount awarded: \$451,352
- 2019-2024 Investigators: S. Belleville, P. Bellec, C. Bocti, F. Calon, T.T. Dang-Vu, S. Duchesne, P. Gaudreau, S. Gauthier, C. Hudon, M.J. Kergoat, N., Leclerc, N. Mechawar, & N.A. Phillips  
agency: Fonds de la recherche du Québec – Santé (FRQ-S), La recherche intersectorielle sur le vieillissement.  
project: Cohorte CIMA-Q: Suivi longitudinal, multicentrique, multifactoriel et intersectoriel des mécanismes, trajectoires et facteurs de protection et de vulnérabilité de la maladie d'Alzheimer  
amount awarded: \$1,498,378

## PHILLIPS, N.A.

- 2019            Investigators: E. de Villers-Sidani, D. Klein, N. A. Philips, and A. Zeitouni,  
agency: Centre for Research on Brain, Language, and Music, McGill University  
project: The link between hearing loss, auditory ability, and cognition in older individuals  
amount awarded: \$15,000
- 2018-2023      Investigators: N.A. Phillips  
agency: NSERC (Natural Sciences and Engineering Research Council of Canada)  
project: Speech processing under effortful listening conditions in a first and second language in younger and older bilinguals  
amount awarded: \$47,000/annum
- 2018-2020      Investigators: W. Wittich (P.I), N. Phillips, J.A. Marinier, A. Johnson, E. Kehayia, J.P. Gagné, M. K. Pichora-Fuller, & C. Murphy  
agency: Fonds de la recherche du Québec – Santé (FRQ-S), Research on Age-related Macular Degeneration (AMD program)  
project: Words on the brain: Can reading rehabilitation for age-related macular degeneration improve cognitive functioning?  
amount awarded: \$254,000
- 2018            Investigators: N.A. Phillips, S. Baum, A. Grant.  
agency: Centre for Research on Brain, Language, and Music, Research Incubator Award, McGill University  
project: Electrophysiological correlates of auditory discourse processing in older adult bilinguals  
amount awarded: \$10,000
- 2018            Investigators: Marc Pell, Noemie Auclair-Oullet, and Natalie Phillips  
agency: Centre for Research on Brain, Language, and Music, McGill University  
project: Influence of lexical and prosodic cues in social interaction behavior in patients with Parkinson's Disease and its relation to cognitive functioning  
amount awarded: \$15,000
- 2017            Investigators: N.A. Phillips  
agency: Office of the VP, Research & Graduate Studies, Concordia University  
project: Planning Workshop for Edited Volume entitled: "Multi-system Aging: Interfaces among hearing, vision, communication and cognition in aging"  
amount awarded: \$2,500
- 2017            Investigators: N.A. Phillips, D. Klein, V. Penhune  
agency: Centre for Research on Brain, Language, and Music, McGill University  
project: Measures of cognitive reserve and brain reserve in multilingual persons with or at risk for dementia  
amount awarded: \$3,000

PHILLIPS, N.A.

- 2017-2021 Investigators: S. Baum, V. Gracco, D. Klein, N.A. Phillips & D. Titone  
agency: Fonds de recherche Québec – société et culture, Soutien aux équipes de recherche  
project: Multilinguisme: les défis et les impacts cognitifs et socio-culturels (2018-SE-206856)  
amount awarded: \$316,000
- 2017-2018 Investigators: W. Wittich (P.I.), D. Guthrie, P. Mick, N.A. Phillips, M.K. Pichora-Fuller, & H. Hoffman  
agency: Canadian Institutes of Health Research: CLSA Catalyst Grant  
project: The interactions of sensory, cognitive, and social factors and their influence on the health and quality of life of older Canadians  
amount awarded: \$68,000
- 2016-2021 Investigators: H. Chertkow (P.I.), D. B. Hogan, E. E. Smith, K. Rockwood, N.A. Phillips, R. A. Dixon, T. Y. L. Lui-Ambrose, I. Fortier, & S. Duchesne, et al.  
agency: Canadian Institutes of Health Research  
project: Broad and Deep Analyses in Neurodegeneration (BRAIN)  
amount awarded: \$4,750,000
- 2016 Investigators: N. Phillips, & W. Wittich  
agency: Réseau Québécoise de Recherche sur le Vieillessement (RQRV)- Aide à l'organisation de colloque et symposium (LEVIER)  
project: How to incorporate screening for cognitive, vision and falls risks into practice  
amount awarded: \$2,700
- 2016-2017 Investigators: W. Wittich (P.I.), D. Guthrie, & N. Phillips  
agency: Réseau Québécoise de Recherche sur le Vieillessement (RQRV)- Partnership Program  
project: Early detection of sensory impairment at front-line health services: A study to examine standardized assessments in older adults  
amount awarded: \$15,000 (plus \$7,500 partner funding from CRIR/Centre de réadaptation MAB-Mackay du CIUSSS du Centre-Ouest-de-l'Île-de-Montréal and \$ 7,500 partner funding from CRIR/Institut Nazareth et Louis-Braille du CISSS de la Montérégie-Centre)
- 2016-2017 Investigators: W. Wittich (P.I.), A. Johnson, JA. Marinier, K. Southall, N. Phillips, S. Fraser, N. Duponsel, N. Bergeron  
agency: FRQ-S: Recherches sur la dégénérescence maculaire liée à l'âge (Programme DMLA)  
project: A mixed-methods approach to characterize stereotype beliefs associated with assistive devices used in the rehabilitation of age-related macular degeneration  
amount awarded: \$50,000

PHILLIPS, N.A.

- 2014-2019 Investigators: N. Phillips (P.I.), J. Campos, D. Guthrie, K. Hunter, P. Mick, B. Parke, K. Pichora-Fuller, J.B. Orange, M. Savundranayagam & W. Wittich  
agency: Canadian Institutes of Health Research  
project: Canadian Consortium on Neurodegeneration in Aging (CCNA) - Team 17: Interventions at the Sensory and Cognitive Interface  
amount awarded: \$745,772
- 2013-2017 Investigators: S. Baum, V. Gracco, D. Klein, N.A. Phillips & D. Titone  
agency: Fonds de recherche Québec – société et culture, Soutien aux équipes de recherche  
project: Multilinguisme: les défis et les impacts cognitifs et socio-culturels  
amount awarded: \$326,920
- 2012-2015 Investigators: K. Li (P.I.), L. Bherer, J. Campos, J. Gagne, N. A. Phillips, K. Pichora-Fuller, N. St-Onge  
agency: Canadian Institutes of Health Research, Institute of Aging  
project: The impact of hearing impairment on mobility in older adults: Moving from lab to life  
amount awarded: \$307,977 in total
- 2012-2013 Investigators: N. A. Phillips, L. Bherer, T. Falk  
agency: Réseau Québécois de Recherche sur le Vieillissement (RQRV)- Axe Cognition Pilot Project  
project: Portable and Low-Cost Objective Assessment of Cognitive Fitness Interventions for Older Adults  
amount awarded: \$8,500
- 2012-2014 Investigators: N. A. Phillips  
agency: VPRGS Seed Funding Program – Individual Project, Concordia University  
project: Low-cost objective assessment of cognitive fitness interventions for older adults  
amount awarded: \$7,000
- 2012 Investigators: D. Titone, S. Baum, D. Klein, N. A. Phillips  
agency: Centre for Research in Brain, Language, and Music (CRBLM) Research Incubator Award  
project: The Montreal Multilingualism Project: Delineating the consequences of bilingualism in healthy younger adults for cognitive control, language processing, and their structural brain correlates  
amount awarded: \$15,000

PHILLIPS, N.A.

- 2011-2016 Investigators: W. Bukowski (P.I.), E. Barker, A. Bernier, A. Bertone, T. Bouffard, K. Byers-Heinlein, R. DeMont, M. Dirks, K. Dunfield, M. Ellenbogen, J-P. Gagné, N. Hall, N. Howe, S. Kairouz, S. King, K. Li, S. Martin-Chang, L. Nadeau, H. Osana, V. Penhune, H. Petrakos, N. Phillips, D. Poulin-Dubois, H. Recchia, L. Serbin, S. Sirois, D. Stack, R. Tessier, N. Trudeau, M-H. Véronneau, C. Vezeau & C. Wrosch  
agency: VPRGS - Concordia University  
project: Centre de Recherche en Développement Humain / Centre for Research in Human Development  
amount awarded: \$70,000 per annum (total \$350,000)
- 2010-2015 Investigator: F. Karayanidis, B.U. Forstmann, R.K. Lenroot, A. Parsons, W. Mark, P.T. Michie, N.A. Phillips, E.J. Wagenmakers  
agency: Australian Research Council  
project: Cognitive flexibility from adolescence to senescence: variability associated with cognitive strategy and brain connectivity  
amount awarded: 2012-2013: \$144,000.00, 2014: \$99,000.00; Total \$387,000.00
- 2010-2018 Investigator: N.A. Phillips  
agency: NSERC (Natural Sciences and Engineering Research Council of Canada) Discovery Grant  
project: Executive control of language in young and older bilinguals  
amount awarded: \$42,000 per annum (operating)
- 2010-2012 Investigator(s): N.A. Phillips, E. Johns  
agency: Alzheimer Society of Canada  
project: "Executive Function and EEG Coherence in Mild Cognitive Impairment and Alzheimer Disease"  
amount awarded: ~ \$59,000 per annum (operating)
- 2009-2010 Investigator: N.A. Phillips  
agency: NSERC (Natural Sciences and Engineering Research Council of Canada) Discovery Grant  
project: "Executive control of language in young and older bilinguals"  
amount awarded: \$20,000 per annum (operating)
- 2009-2010 Investigators: D. Klein, and N.A. Phillips (co-PIs)  
agency: G.W. Stairs Memorial Fund, McGill University  
project: "An investigation of word form and meaning in bilinguals"  
amount awarded: \$14,000
- 2009-2013 Investigator(s): N.A. Phillips, J.-P. Gagné  
agency: Canadian Institutes of Health Research  
project: "Perceptual and cognitive mechanisms of audio-visual speech perception in younger and older adults"  
amount awarded: Year 1: \$38,962, Year 2: \$79,749, Year 3: \$65,353, Year 4: \$56,644, Year 5: \$28,997

PHILLIPS, N.A.

- 2009      Investigator: N.A. Phillips  
agency: Concordia University VPRGS Seed/Accelerator Funding Program  
project: "The impact of audio-visual speech processing on working memory  
amount awarded: \$7000
- 2008      Investigator(s): N.A. Phillips, E. Johns, H. Chertkow, D. Lorrain  
agency: Réseau Québécois de Recherche sur le Vieillessement (RQRV)- Axe Cognition  
Pilot Project  
project: "Executive Function and EEG Coherence in Mild Cognitive Impairment and  
Alzheimer's Disease"  
amount awarded: \$5000
- 2007-2009      Investigator(s): N.A. Phillips, S. Baum, V. Taler  
agency: Alzheimer Society of Canada  
project: "Comprehension of phonetic and prosodic information with audio-visual and  
linguistic cues in Alzheimer's disease and mild cognitive impairment"  
amount awarded: Year 1: \$74,947; Year 2: \$70,563
- 2008-2009      Investigator(s): L. Serbin (P.I.), plus all CRDH Members (Aboud, Bouffard, Bukowski,  
Burgos, Chamberland, Conway, DeMont, Des-Rivieres, Doyle, Ellenbogen, Etezadi,  
Hastings, Howe, Jacobs, Julien, Li, Penhune, Petrakos, Phillips, Poulin-Dubois,  
Pushkar, Ross, Sandberg, Scala, Schwartzman, Stack, Tamblyn, Tessier, Weinfeld,  
Wrosch, Zelazo  
agency: MDEIE (Ministere du Développement économique, de l'Innovation et de  
l'Exportation; Program: Appui du financement d'infrastructures de recherche  
project: CRDH: Facilitating multi-disciplinary studies across the lifespan  
amount awarded: \$ 233,865
- 2007-2008      Investigator(s): N.A. Phillips, J.-P. Gagné  
agency: Canadian Institutes of Health Research, Institute of Aging  
project: "Perceptual and cognitive mechanisms of audio-visual speech perception in  
younger and older adults  
amount awarded: \$ 74,646
- 2007-2012      Investigator(s): Dugas, M. J., Radomsky, A. S., Phillips, N. A., Bukowski, W. M.,  
Turcotte, J., Savard, P., & Gaudet, A.  
agency: Canadian Institutes of Health Research  
project: Cognitive-behavioural treatment for generalized anxiety disorder: Impact of  
cognitive processing on short- and long-term outcomes  
amount awarded: \$250,205 in total
- 2007-2010      Investigator(s): Dugas, M. J., Koerner, N., Radomsky, A. S., & Phillips, N. A.  
agency: Canadian Institutes of Health Research  
project: Experimental manipulation of cognitive variables in generalized anxiety  
disorder: Impact on uncertainty processing and worry  
amount awarded: \$182,853

PHILLIPS, N.A.

- 2007      Investigator(s): S. Baum, N.A. Phillips, V. Taler  
agency: Centre for Research in Language, Mind, and Brain, McGill University  
project: "Audio-visual and contextual enhancement in the comprehension of phonetic and prosodic in Alzheimer's disease and mild cognitive impairment"  
amount awarded: \$10,000
- 2006-2009      Investigator(s): N.A. Phillips, V. Dwivedi, S. Baum  
agency: Social Sciences and Humanities Research Council  
project: "An electrophysiological investigation of processing quantifiers in discourse"  
amount awarded: Year 1: \$ 44,827, Year 2: \$ 47,900, Year 3: \$ 47,900
- 2005-2006      Investigator(s): N.A. Phillips, D. Klein, F. Genesee, D. Titone  
agency: Centre for Research in Language, Mind, and Brain, McGill University  
project: "Language processing in young and old bilingual and monolingual adults"  
amount awarded: \$ 10,000
- 2005-2006      Investigator(s): D. Titone, D. McFarland, C. Palmer, N.A. Phillips  
agency: Centre for Research in Language, Mind, and Brain, McGill University  
project: "The neural basis of conversational interaction"  
amount awarded: \$ 10,000
- 2005-2006      Investigator(s): N.A. Phillips (P.I.), co-investigator(s): J.-P. Gagné, D. Saumier  
agency: CIHR Pilot Projects Grants, Institute of Aging  
project: "Perceptual and cognitive mechanisms of audio-visual speech perception in aging"  
amount awarded: \$ 49,793
- 2004-2010      Investigator(s): L. Serbin (P.I.), including N.A. Phillips and 33 others  
agency: Fonds du Québec pour la recherche en société et culture - Regroupement Stratégiques (FQRSC)  
project: "CRDH - Centre for Research in Human Development"  
amount awarded: \$ 1,658,766
- 2004-2008      Investigator(s): D. Stack, L. Serbin, P. Hastings, A. Schwartzman, N.A. Phillips, D. Poulin-Dubois  
agency: Fonds du Québec pour la recherche en société et culture - Regroupement Stratégiques (FQRSC)  
project: "The development of emotional competence: Innovative methodologies and focused applications"  
amount awarded: \$ 320,710
- 2004-2009      Mentor, CIHR Strategic Research Training Program in Communication and Social Interaction in Healthy Aging (2004 - 2009); B.A. Schneider (P.I.), with P. Bennett, M. Daneman, J. Faubert, J.P. Gagné, H. Kunov, K. Li, K. Pichora-Fuller, N. Phillips, C. Scialfa, A. Sekuler, P. Spadafora

PHILLIPS, N.A.

- 2004-2007 Investigator(s): M. Dugas, N.A. Phillips, A. Radomsky  
agency: CIHR  
project: "Intolerance of uncertainty and fear of anxiety in generalized anxiety disorder: Cognitive processing in nonclinical and clinical samples"  
amount awarded: \$ 52, 237 per annum (operating)
- 2004 Investigator(s): V. Dwivedi, S. Baum, N.A. Phillips, K. Steinhauer  
agency: Centre for Research in Language, Mind, and Brain, McGill University  
project: "Electrophysiological Studies of Discourse Comprehension"  
amount awarded: \$ 7500
- 2004 Investigator(s): V. Gracco, D. Saumier, N.A. Phillips, S. Baum  
agency: Centre for Research in Language, Mind, and Brain, McGill University  
project: "Event Related fMRI and Brain Potential Imaging of sentence comprehension and phonological priming"  
amount awarded: \$ 7500
- 2004 Investigator(s): D. Saumier, N.A. Phillips, S. Baum, V. Gracco  
agency: Regroupement Provincial de Recherche en Imagerie Cérébrale (REPRIC) Integration Program - Pilots Projects  
project: "Event Related fMRI and Brain Potential Imaging of sentence comprehension"  
amount awarded: \$ 10,000
- 2003-2007 Investigator: N.A. Phillips  
agency: NSERC (Natural Sciences and Engineering Research Council of Canada)  
project: "Electrical brain mechanisms of executive control in task switching"  
amount awarded: \$15,000 per annum (operating)
- 2003-2005 Investigator: N.A. Phillips  
agency: Alzheimer Society of Canada  
project: "Executive control of attention in Alzheimer's disease and mild cognitive impairment"  
amount awarded: Year 1: \$66,493, Year 2: \$46,985  
Ranked #1 in the 2002/03 Social/Psychological Research Grant competition
- 2003-2004 Investigator(s): L. Serbin (P.I.), including N.A. Phillips and 22 others  
agency: Fonds du Quebec pour la recherche en societe el culture - Regroupement Strategiques (FQRSC)  
project: "CRDH - Centre for Research in Human Development"  
amount awarded: \$ 100,000
- 2002 Investigator(s): M. Singer (P.I.), including N.A. Phillips and 15 others  
agency: Department of Psychology, Concordia University  
project: "CIHR - Development Program"  
amount awarded: \$ 80,000

PHILLIPS, N.A.

- 2001-2005 Investigator(s): Y. Joannette and H. Chertkow (P.I.s), including N.A. Phillips and 12 others  
agency: Valorisation-Recherche Québec  
project: "Consortium Cognition et Vieillessement  
amount awarded: Operating: \$ 1,656,000 over 4 years  
 Projects funded from this agency:
- 2004-2005 Investigator(s): N.A. Phillips, V. Taler, D. Saumier, H. Chertkow  
project: Sentence processing in AD and MCI: predictive measures and the effects of donepezil  
amount awarded: \$ 15,000
- 2003-2004 Investigator(s): N.A. Phillips, V. Dwevedi, and S. Baum  
project: Discourse and modal processing in aging and Alzheimer's disease: A pilot study  
amount awarded: \$ 7,000
- 2003-2004 Investigator(s): N.A. Phillips, S. Auchterlonie, D. Saumier, H. Chertkow  
project: Semantic memory impairment in Alzheimer's disease and semantic dementia: Evidence from proactive interference  
amount awarded: \$ 7,000
- 2000-2005 Investigator: N.A. Phillips  
agency: Canadian Institutes of Health Research (CIHR) Health Career Award - New Investigator  
project: "Language and executive control in aging  
amount awarded: Operating: \$50,000 per annum over 5 years
- 2000-2003 Investigator(s): M. Conway (P.I.), T.Y. Arbuckle, M. Dugas, N.A. Phillips, D. Pushkar, J. Steinberg  
agency: FCAR Équipes (Fonds pour la Formation de Chercheurs et l'Aide à la Recherche)  
project: "The maintenance of competence during adulthood: Issues relating to control  
amount awarded: Operating: \$81,900 per annum over 3 years
- 2000 Investigator: N.A. Phillips  
agency: FCAR (Fonds pour la Formation de Chercheurs et l'Aide à la Recherche)  
project: "Software and amplifiers for an event-related brain potential lab  
amount awarded: Equipment: \$49,457
- 2000 Investigator(s): S. Baum (P.I.), H. Chertkow, H. Cohen, M. Crago, F. Genesee, D. Ostry, M. Paradis, N. Phillips, N. Spada, L. White  
agency: Canada Foundation for Innovation - Innovation Fund  
project: AMontreal Network for the Study of Language, Mind and Brain  
amount awarded: Infrastructure: \$ 1,736,687
- 1999-2003 Investigator(s): L. Serbin (P.I.), including N.A. Phillips and 21 others  
agency: Ministre de l'Éducation du Québec (FCAR)

PHILLIPS, N.A.

project: "CRDH - Centre for Research in Human Development"  
amount awarded: \$ 720,000 (operating); \$ 32,500 (equipment)

- 1999-2003 Investigator: N.A. Phillips  
agency: NSERC (Natural Sciences and Engineering Research Council of Canada)  
project: "The impact of working memory capacity and inhibition efficiency in language processing in young and old adults"  
amount awarded: \$13,650 per annum (operating); \$12,410 (equipment)
- 1998-2000 Investigator(s): H. Chertkow (P.I.), M. Beauregard, H. Bergman, S. Murtha, N. Phillips, R. Schondorf  
agency: MRC-PMAC (Medical Research Council of Canada - Pharmaceutical Manufacturers of Canada)  
project: "In-vivo markers for cholinergic drug response in Alzheimer's disease"  
amount awarded: Year 1: \$182,837, Year 2: \$162,687
- 1997-2000 Investigator: N.A. Phillips  
agency: FCAR Nouveaux Chercheurs (Fonds pour la Formation de Chercheurs et l'Aide à la Recherche)  
project: "Testing the permanency of semantic memory using event-related brain potentials in subjects with and without semantic memory impairment"  
amount awarded: Operating: \$14,000 per annum over 3 years; Equipment: \$15,000
- 1997-2000 Investigator(s): T.Y. Arbuckle, M. Conway, N.A. Phillips, D. Pushkar, J. Steinberg  
agency: FCAR Équipes (Fonds pour la Formation de Chercheurs et l'Aide à la Recherche)  
project: "The maintenance of competence in the elderly"  
amount awarded: Operating: \$60,000 per annum over 3 years
- 1997 Investigator: N.A. Phillips  
agency: Alzheimer Society of Montréal  
project: "Psychological, electrophysiological, and structural measures of memory function in Alzheimer's disease";  
amount awarded: \$2500
- 1996-1999 Investigator: N.A. Phillips  
agency: Faculty Research Development Program, Concordia University  
project: "Event-related brain potential investigations of episodic and semantic memory in Alzheimer's Disease";  
Operating: \$17,000 per annum over 3 years; Equipment: \$15,000
- 1991-1992 agency: Scottish Rite Charitable Foundation of Canada  
project: "Neurophysiological and Neuropsychological Investigation of Alzheimer's Disease and Multi-Infarct Dementia";  
Operating: \$4000

PHILLIPS, N.A.

## SCHOLARSHIPS

### ***Post-Doctoral***

- 1996 Alzheimer Society of Canada Post-Doctoral Award (declined) - Year 1: \$26,790, Year 2: \$28,650
- 1996 Fonds de la Recherche en Santé du Québec (FRSQ) Bourse Postdoctorat (declined) - \$21,800
- 1996 Social Sciences and Humanities Research Council (SSHRC) Post-Doctoral Award (declined) - \$32,000

### ***Doctoral and Pre-Doctoral***

- 1995 Department of Clinical Neurosciences Research Day, University of Calgary, Best Paper Presentation in Neuroscience - \$250
- 1992 The Phyllis Horton Memorial Student Bursary, Alzheimer's Society of Nova Scotia - \$500
- 1992-1993 Dalhousie University Graduate Fellowship - \$11,500
- 1991-1992 Natural Sciences and Engineering Research Council (NSERC) Post-Graduate Fellowship - \$16,700
- 1990-1991 Natural Sciences and Engineering Research Council (NSERC) Post-Graduate Fellowship - \$15,600
- 1988-1990 Dalhousie University Graduate Fellowship - \$10,560
- 1989 Dalhousie University Graduate Travel Award - \$500
- 1983-1984 N.A.S. Bermuda Chapel Fund - \$1200

## Professional Licensing

Registration in the *Ordre des psychologues du Québec*; permit no. 09177-01

## CLINICAL EXPERIENCE

- 2007 - Consulting Clinical Neuropsychologist, Royal Bank Insurance  
I provide independent neuropsychological assessment services for a variety of medico-legal and disability referrals, including clients with depression, anxiety, stroke and related vascular problems, tumour, etc.
- 2005 - Supervising Clinical Neuropsychologist, Applied Psychology Centre, Concordia University
- 2001 - Consulting research neuropsychologist to the Anna and Leo Goldfarb Memory Clinic, Sir Mortimer B. Davis-Jewish General Hospital.

### Pre-doctoral

- 1994-1995 *Clinical Psychology Pre-Doctoral Internship* (2000 hours). Department of Psychology, Foothills Hospital, 1403 - 29th Street N.W., Calgary, Alberta, T2N 2T9.  
*Clinical Neuropsychology Rotation* (1400 hours); Supervisor: Gregor Jason, D.Phil.  
*Addictions Assessment Rotation* (300 hours); Supervisor: Jean Addington, Ph.D.  
*Behavioural Medicine Rotation* (300 hours); Supervisor: Paul Taenzer, Ph.D.

PHILLIPS, N.A.

1991 *Group Therapy Practicum* (50 hours); Supervisor: Nina Woulff, Ph.D. Atlantic Child Guidance Centre, Sackville Branch, Halifax, Nova Scotia.

1990-1991 *Cognitive/Behavioural Therapy Practicum* (350 hours); Supervisor: Michael Vallis, Ph.D. Department of Psychology, Camp Hill Medical Centre, Halifax, Nova Scotia.

1988 *Neuropsychology Practicum* (200 hours); Supervisor: Charles Mate-Kole, Ph.D. Department of Psychology, Camp Hill Medical Centre, Halifax, Nova Scotia.

## PROFESSIONAL/SCIENTIFIC MEMBERSHIPS

International Federation of Aging (IFA) Expert [link](#)

Canadian Psychological Society

Canadian Society for Brain, Behaviour, and Cognitive Science (CSBBCS)

Society for Psychophysiological Research, since 1990

American Psychological Association, since 1994

Division 40 (Neuropsychology), since 1997

Division 20 (Adult Development and Aging) since 1999

International Neuropsychology Society, since 1993

FRQS Réseau Québécois de Recherche sur le Vieillissement (RQRV) - Axe Cognition, since 1997

Regroupement Provincial de Recherche en Imagerie Cérébrale, since 2003

## CONTRIBUTIONS TO PROFESSIONAL PRACTICE

- Executive Member, Conference Organizing Committee for the Canadian Society for Brain, Behaviour, and Cognitive Science (CSBBCS) 2021 Annual Conference, Montreal, June 2021
- Associate Scientific Director, Canadian Consortium on Neurodegeneration in Aging (CCNA), September 2019 -
- Member, Research Executive Committee, Canadian Consortium on Neurodegeneration in Aging (CCNA), 2018 –
- Associate Editor, *Psychophysiology*, 2018 - 2020; 2006 - 2009
- External Reviewer, Unit Review of the Department of Psychology, Dalhousie University, March 2018
- Committee Member, CIHR Biological and Clinical Aspects of Aging (BCA), (2018-2021)
- Women in Cognitive Science – Canada (WiCSC) Advisory Board Member, 2017-2022
- Governing Body member and Axis Leader (“Health and Wellbeing Across the Lifespan”) for Concordia University Research Centre engAGE, 2017-2019
- National leader for the Neuropsychology Working Group, Canadian Consortium on Neurodegeneration in Aging (CCNA), 2014 –

PHILLIPS, N.A.

- Clinical Cohort Platform Working Group member, Canadian Consortium on Neurodegeneration in Aging (CCNA), 2014 –
- Member, NSERC Biological Systems and Functions Evaluation Group (1502) 2022-onwards; 2014- 2017.
- Member, CIHR Behavioural Sciences B (BSB) Committee (2013)
- Co-Director, FRSQ Réseau Québécois de Recherche sur le Vieillissement (RQRV)-Axe Cognition (05/2013--05/2017)
- Member of the review committee for pilot grants, FRSQ Réseau Québécois de Recherche sur le Vieillissement (RQRV)-Axe Cognition (2022)
- Chair of the Quality of Life research review panel, *Alzheimer Society of Canada* (2013-2014).
- Member, Research Policy Committee, *Alzheimer Society of Canada* (2013-2014).
- Member of the Quality of Life research review panel, *Alzheimer Society of Canada* (2011-2014).
- Member of the review committee for post-doctoral awards, Health Research Training A - Ph.D. *Canadian Institutes for Health Research (CIHR)* (2009-2012).
- CIHR Delegate for Concordia University (2004 - 2007)
- Associate Editor, *Biological Psychology* (2003 - 2005)
- Member of the review committee for post-doctoral awards, *Fonds de la Recherche en Santé du Québec* (1997-2000).
- Member of the review committee for fellowship awards, *Ontario Mental Health Foundation* (2000-2006).
- External reviewer for the following research grant competitions:
  - Alzheimer's Society of Canada (1999, 2002)
  - Canadian Institutes for Health Research (CIHR) (2001)
  - Fonds de la Recherche en Santé du Québec (FRSQ) (1999)
  - Natural Sciences and Engineering Research Council of Canada (NSERC) (2002, 2003, 2006)
  - Neurological Foundation of New Zealand (2003; 2004)
  - Saskatchewan Health Research Foundation (2004)
  - Social Sciences and Humanities Research Council (SSHRC) (2022)
  - College of Reviewers for the Canada Research Chairs Program, 2003-07
- Reviewer for the following journals: *American Journal of Audiology* (2010), *Canadian Journal of Aging* (2022), *Canadian Journal of Experimental Psychology* (2022, 2001), *Cognitive, Affective, and Behavioral Neuroscience* (2012), *Alzheimer's & Dementia: Diagnosis, Assessment & Disease Monitoring* (2020), *Ear and Hearing* (2021), *Frontiers in Systems Neuroscience* (2013), *Health Psychology; Language and Cognitive Processes* (2010), *Journal of Alzheimer's Disease* (2021), *Oxford Research Encyclopedia of Psychology* (2018); *Psychology and Aging* (2021, 2005), *Psychosomatic Medicine, Neuroscience Letters* (2001), *Psychophysiology* (2000, 2001, 2011, 2013)
- Guest editor for *Ear and Hearing* (2022)
- Executive committee, VRQ Consortium Cognition et Vieillissement.(April, 2001 - 2005)

PHILLIPS, N.A.

## PROFESSIONAL WORKSHOPS PRESENTED

- Phillips, N. (2020). Moderator in the Think Tank on Hearing in Later Life, 9-10 November 2020. A precursor to the International Federation of Aging Global Summit on Hearing in Later Life, 9 November 2020.
- Leroi, I., Phillips, N.A., & Wittich, W. (2020). Remote cognitive testing with older people with hearing and vision loss. Dementia Academy Webinar. May 14, 2020.  
<https://www.youtube.com/watch?v=Yo15OVJ6FAw&feature=youtu.be>
- Phillips, N.A., & Mick, P. (2019). Hearing, Seeing, and Thinking: The cross-sectional relationship between sensory status and cognitive function in CLSA participants. Canadian Longitudinal Study of Aging Webinar Series. September 12, 2019.  
<https://www.youtube.com/watch?v=zRugEF0ZDUw&feature=youtu.be>
- Phillips, N.A. (2019). What is the evidence for associations between hearing loss and cognition? A talk presented in the workshop, “Hearing Loss and Comorbidities in Aging: How Will Emerging Evidence Influence Future Best Practice in Audiology?” *The Speech-Language & Audiology Canada (SAC) Audiology Event*, Friday, May 11, 2019. Montreal, Canada.
- Phillips, N.A. (2016). Mentoring relationships. Invited presentation at the Canadian Association on Gerontology 45<sup>th</sup> Annual Scientific and Education Meeting, Montreal, QC, October 20, 2016.
- Phillips, N.A. (2016). Research highlights from the Quebec Network for Research on Aging (RQRV) - Cognition Group. Chair, symposium at the Canadian Association on Gerontology 45<sup>th</sup> Annual Scientific and Education Meeting, Montreal, QC, October 21<sup>st</sup>, 2016.
- Phillips, N.A. (2016). “Considerations on dual-sensory loss and cognitive decline in older adults.” Chair, symposium at the Canadian Association on Gerontology 45<sup>th</sup> Annual Scientific and Education Meeting, Montreal, QC, October 21<sup>st</sup>, 2016.
- Phillips, N.A. (2016). “Driving retirement, Multi-morbidity and Building Rural Primary Care: A sample of Quality of Life Research within The Canadian Consortium on Neurodegeneration in Aging (CCNA).” Invited discussant for symposium at Canadian Gerontological Association 45<sup>th</sup> Annual Scientific and Educational Meeting, October 21, 2016, Montreal, QC.
- Phillips, N.A. (2016). “How to Incorporate Screening for Cognitive, Vision and Fall Risks into Practice.” Invited to chair preconference workshop given at the 33<sup>rd</sup> World Congress of Audiology. Vancouver, BC, September 18, 2016.
- Phillips, N.A. (2015). Fifth Eriksholm Workshop, “Hearing impairment and Cognitive Energy,” June 3-5<sup>th</sup>, 2015, Helsingor, Denmark. Invited participant.
- Phillips, N.A. (2012). “The Montreal Cognitive Assessment (MoCA): A workshop on its psychometric properties and its research and clinical utility.” A workshop given for the research group of the Czech Republic National Normative Study of Cognitive Determinants of Healthy Aging (NANOK). Prague, Czech, Republic, November 27, 2012.
- Phillips, N.A. Cognitive Assessment in the Older Adult, CIHR Strategic Training Program on Communication and Social Interaction in Healthy Aging, Mississauga, September 5-8, 2003; August 15-18<sup>th</sup>, 2004; August, 2006; August 15-17<sup>th</sup>, 2008.
- Phillips, N.A. (2008). Research Ethics and Grant Review Procedures, Invited workshop for the CIHR Institute of Aging Summer Program in Aging, June 3, 2008, Delawana Inn, Ontario.

PHILLIPS, N.A.

## Public Lectures/Service to the Community

Strategies for supporting brain health: a focus on hearing, vision, and exercise. Canadian Consortium on Neurodegeneration in Aging (CCNA) 2021 Public Event. January 20 and 21, 2021

“Is this normal? The neuroscience of cognitive aging.” Brain Awareness Montréal Scientific Café, May 13, 2015, Montréal.

Language and the Aging Adult, Public lecture given to the Beth Ora Temple, St. Laurent, QC, June 23, 2009.

Normal aging versus cause to worry: A not-so-fine line. Keynote lecture, AWhere Did I Put My Glasses?"....A Health Forum focusing on memory. Sponsored by the Nurses Council of Montreal Hadassah-WIZO. November 2, 2005.

Memory Enhancement in the Older Adult: A Workshop, Cummings Jewish Centre for Seniors, Montreal, November 23, 2003; April 16<sup>th</sup>, 2004; November 12<sup>th</sup> & 19<sup>th</sup>, 2004

Understanding your memory: A user's guide. Public lecture given to the Active Retirement Alumni of the College Marie-Victorin. November 26, 2004.

## Reports to Governments, Agencies, or Organizations

Acton, M., Archbold, S., Barratt, J., Beattie, B.L., Bisgaard, N., Brasher, K., Bromwich, M., Chadha, S., D'Haese, P., Ligeti, J., Lin, F., Livingston, G., Lunner, T., McMahon, C., Hickson, L., Hodin, M., Holcomb, M., Joannette, Y., Kaplan, B., Launer, S., Sinha, S., Wahl, H.-W., Warick, R., Whitson, H., Phillips, N., Pichora- Fuller, M.K., Wilson, B., Wittich, W., & Zimmer, S. (February 2021). Statement of Intent: Ageing and hearing care sectors join forces to raise awareness of the link between hearing and healthy ageing, and the importance of improving access to hearing care for older adults, International Federation on Aging, Toronto, ON, Canada. <https://ifa.ngo/wp-content/uploads/2021/02/Think-Tank-on-Hearing-in-Later-Life-Final-Statement-of-Intent-.pdf>

## WORKSHOPS ATTENDED

BrainVision EEG Analyzer 2 Workshop, Montréal, May 21-23, 2014.

PHILLIPS, N.A.

## TEACHING EXPERIENCE, MENTORSHIP, AND STUDENT SUPERVISION

2017 NSERC CREATE in Complex Dynamics of Brain and Behaviour, Program Mentor. PI: Caroline Palmer.

1999-2000	Vivian Akerib, Miglena Grigorova <sup>n</sup> , Dayle Lesperance
1998-1999	Sarah Auchterlonie, Tanya Szammer
1997-1998	Nesrine Awad, Jennifer Jarvis, Heather Pim
1996-1997	Ron Hooper

\* Winner of the Concordia University Faculty of Arts & Science Undergraduate Research Scholarship

\*\* Winner of the Certificate of Academic Excellence for an honours thesis from the Canadian Psychological Association

\*\*\* Most Outstanding Graduating Student in Psychology

\*\*\*\* Governor General's Silver Medal (highest ranking undergraduate student graduating from Concordia University).

<sup>c</sup> Winner of a Concordia Undergraduate Student Research Award

<sup>n</sup> Winner of an NSERC Undergraduate Summer Research Award

PHILLIPS, N.A.

*Graduate Thesis Supervision*Masters Theses (n=16)

2022-2024	Tristin Best	TBD
2021 – 2023	Nicholas Grunden	Neuropsychological function in subjective cognitive decline
2020 - 2022	Nicole Grant	How are Hearing Loss and Cognitive Status Related to Functional Connectivity in Pre-Clinical and Clinical Alzheimer's Disease?
2018 - 2020	Sana Rehan	The relationship between vision status and brain structure in patients with mild cognitive impairment (MCI)
2017 - 2018	Kristina Coulter	Accelerated to Ph.D. program
2014 -2016	Faisal Al-Yawer	EEG coherence as a measure of brain plasticity following cognitive training in older adults
2013 - 2015	Alexandre Chauvin	Proactive and reactive control mechanisms in bilinguals
2011 -2013	Max Hébert	The Impact of Audiovisual Speech on Working Memory During Semantic Processing
2008 -2010	Jana B. Frtusova	The effect of audio-visual stimuli on working memory
2008 - 2010	Hilary Duncan	The effects of age and bilingualism on language-directed attention.
2006-2008	Erin K. Johns	Neuropsychological function in patients with mild cognitive impairment and fronto-temporal dementia
2003 - 2005	Shanna Kousaie	The effects of context on processing inter-lingual homographs in young and old bilingual adults
2000 - 2002	Marco Sinai	Attention switching performance in younger and older adults
2000 -2004	Vivian Akerib	Transitive inference and problem solving in younger and older adults
1999 -2001	Sarah Auchterlonie	Semantic priming deficits in patients with Alzheimer's disease
1997 - 1999	Luisa Cameli	Age-related differences in semantic priming: Evidence from event-related brain potentials

Ph.D. Theses (14)

2020 -	Sana Rehan	Investigating the effect of psychosocial factors on the relationship between sensory loss and cognitive decline in older adults with (or at risk for) Alzheimer's dementia
2018 -	Kristina Coulter	The contribution of bilingualism to cognitive reserve at different levels of cognitive function: From healthy aging to Alzheimer's disease
2016 - 2021	Faisal Al-Yawer	The impact of sensory impairment on cognitive function in persons with or at risk for dementia
2015 - 2021	Alexandre Chauvin	Audio-visual speech perception in the first and second languages of bilinguals
2010- 2014	Jana B. Frtusova	The effect of audio-visual stimuli on working memory in patients with dementia
2010- 2017	Hilary Duncan	The contribution of bilingualism to differences in brain structure and function in aging, mild cognitive impairment, and Alzheimer disease

## PHILLIPS, N.A.

2008-2015	Erin K. Johns	EEG coherence during executive function tasks in patients with mild cognitive impairment and Alzheimer's disease
2005 - 2009	Axel Winneke	Mechanisms of audio-visual speech perception ** Winner of the Canadian Psychology Association (CPA) Thesis Award of Excellence
2005 - 2011	Shanna Koussaie	A behavioural and electrophysiological investigation of the bilingual advantage Concordia University's nominee for the Council of Graduate Studies/University Microfilms International Distinguished Dissertation Awards (Biological and Life Sciences)
2002 - 2009	Marco Sinai	Executive control of attention in Alzheimer's disease and mild cognitive impairment
2001 - 2013	Sarah Auchterlonie	Proactive Interference and semantic memory in Alzheimer's disease
2000 - 2007	Philippe Goffaux	Attention switching performance in older adults with atypical speech patterns (co-supervisor) * Winner of the Canadian Psychology Association (CPA) Best Thesis Award, with Distinction * Concordia University nominee for the Health Sciences Category for le Prix d'excellence de l'Académie des Grands Montréalais and ADESAQ competitions
1999 - 2005	Denise Milovan	A neuropsychological investigation of chronic migraine (internal supervisor)
1999 - 2006	Luisa Cameli	Implicit linguistic competence and metalinguistic knowledge: A double dissociation between Parkinson's and Alzheimer's disease

*POSTDOCTORAL FELLOWS (n=5)*

2018- 2019	Nathalie Giroud, Swiss National Science Foundation Postdoctoral Fellowship
2017- 2019	Angela Grant, Concordia University Horizon Postdoctoral Fellowship
2017- 2018	Anni Marjukka Hämäläinen, University of British Columbia, Canadian Institutes of Health Research: CLSA Catalyst Grant (co-supervisor). Current position: Post-doctoral Fellow, Department of Ecology and Genetics, University of Oulu, Finland
2006-2007	Vanessa Taler; current position: Associate Professor, University of Ottawa
2004-2006	Veena Dwivedi; current position: Associate Professor, Brock University

*VISITING SCIENTISTS*

May 20 – July 20, 2017 – Karen Aguilar Mateu, Cuban Neurosciences Centre  
 January 13 – 15, 2016 – Nathalie Giroud, University of Zurich  
 July 7 – 11, 2014 – Thomas Hinault, Aix-Marseille Université

PHILLIPS, N.A.

### *Other Mentoring Activities*

- 2022 Mentor for the Women in Cognitive Science - Canada (WiCSC) Speed Mentorship Session, July 18, 2022, at the CSBBBCS Conference, Halifax, Nova Scotia
- 2022 Participation in the CIHR 2022 Summer Program in Aging (SPA) moderated panel on Indicators & Assessment of Dementia Risk: Imaging, Biomarkers, and Modifiable Factors (May 11, 2022, virtual). (<https://cihr-irsc.gc.ca/e/53078.html>).
- 2004-2010 Mentor in the CIHR Strategic Research Training Program in Communication and Social Interaction in Healthy Aging

## PUBLICATIONS

Overview (2021 October 19): citations=22,137; h-index: 41; i10-index: 74

*N.B.:* The names of students/trainees/research fellows under my direct supervision appear underlined.  
I am senior and/or corresponding author on the publications in which my name appears in **bold**.

### *Peer-Reviewed (n=111)*

111. Phillips, N. A., Isler, L., Kabir, R., Hämäläinen, A., Wittich, W., Pichora-Fuller, M. K., and Mick, P. (accepted). Hearing and visual acuity predict cognitive function in adults aged 45-85 years Findings from the baseline wave of the Canadian Longitudinal Study on Aging (CLSA). Revision submitted to *Psychology and Aging*.
110. Reavis, K., Bisgaard, N., Canlon, B., Dubno, J., Frisina, R. D., Hertzano, R., Humes, L. E., Mick, P., Mong, J. A., Phillips, N. A., Pichora-Fuller, M. K., Shuster, B., & Singh, G. (accepted). Sex-linked biology and gender-related research is essential to advancing hearing health. *Ear and Hearing*.
109. Grant, A., Kousaie, S., Coulter, K., Gilbert, A. C., Baum, S. R. Gracco, V. L., Titone, D., Klein, D., **Phillips, N.A.** (2022). Age of acquisition modulates alpha power during bilingual speech comprehension in noise. *Frontiers in Psychology*, Vol. 13, Article 865857. <https://doi.org/10.3389/fpsyg.2022.865857>
108. Gosselin, P., Guan, D., Chen, H-Y., Pichora-Fuller, M.K., Phillips, N., Faris, P., Smith, E., and Ismail, Z. (2022). The relationship between hearing and Mild Behavioral Impairment and the influence of sex: A study of older adults without dementia from the COMPASS-ND study. *Journal of Alzheimer's Disease Reports*, 6(1), 57-66. DOI 10.3233/ADR-210045
107. Coulter, K. and **Phillips, N.A.** (2022). Conflict-based speech error monitoring in bilinguals: Differences between first and second language monitoring. *Journal of Neurolinguistics*, 63. <https://doi.org/10.1016/j.jneuroling.2022.101061>
106. Al-Yawer, F., Bruce, H., Li, K., Pichora-Fuller, M.K., **Phillips, N.A.** (accepted). Sex-Related Differences in the Associations between MoCA Scores and Pure-Tone Measures of Hearing. *American Journal of Audiology*, 31, 220-227. [https://doi.org/10.1044/2021\\_AJA-21-00131](https://doi.org/10.1044/2021_AJA-21-00131)

### ***Invited Chapters and Essays***

- Wittich, W., Pichora-Fuller, M.K., Mick, P., & Phillips, N. (submitted April 2022). Sensory Health to Support Function and Well-Being in People Living with Dementia. For Chapter 13 Changes in motor function and senses. In Gauthier, S., Webster, C., Morais, J., Rosa-Neto, P. (Senior Co-authors), Alzheimer's Disease International's 2022 World Report on "Post Diagnosis Support: Principles of Care".

### ***Symposia Organized***

- Phillips, N. (2022). A symposium entitled, "Differences in the nature and quality of memory processes: Evidence from young adults and older adults with normal and impaired cognition," presented at the *Canadian Society for Brain, Behaviour and Cognitive Science (CSBBCS) 32nd Annual Meeting*, July 18-20, 2022, Halifax, Nova Scotia, Canada. Presenting authors: Y. Sivashankar, A. Li-Chay-Chung, C. Fenerci, E. Mancor, K. Sollazzo.
- Phillips, N. (2021). A symposium entitled, "The role of sex and gender in hearing, health, and well-being in older adults," presented at the 15<sup>th</sup> Global Conference on Aging, International Federation on Aging, Niagara Falls, Canada, 09-12 November 2021. First author presenters: G. Einstein, P. Mick, N.A. Phillips, J.R. Dubno, G. Singh.

PHILLIPS, N.A.

*Invited Talks/Conference Oral Presentations*

- Phillips, N.** (2022). Indicators & Assessment of Dementia Risk: Imaging, Biomarkers, and Modifiable Factors. Invited presentation at the CIHR 2022 Summer Program in Aging (SPA) moderated panel (May 11, 2022, virtual).
- Phillips, N.** (2022). Sensory function and its relationship with cognition, brain imaging, and dementia clinical status. Invited keynote at the *Johns Hopkins University Cochlear Center for Hearing and Public Health Seminar*, Baltimore, Maryland, USA, April 25, 2022.
- Phillips, N.** (2022). Sensory impairment along the spectrum of dementia risk: Relationships with cognition and brain function. Invited plenary talk at the *Rotman Research Institute Virtual Conference: Aging & Brain Health: Sensory & Cognitive Interactions in the Aging Brain*. March 21, 2022.
- Phillips, N.** (2021). Sensory health: Implications for dementia risk, prevention, and practice. Memory Clinic Rounds, Jewish General Hospital, Montreal, Québec, (virtual). November 25, 2021.
- Phillips, N.** (2021). Dementia and sensory health: Recent advances. Invited talk for the Bashkir State Medical University, Bashkortostan, Russia (virtual). May 27, 2021.
- Phillips, N.** and Reed, M. (2021). What Our 70 Years (Combined!) of Clinical Practice Has Taught Us About Older Adults with Hearing and Cognitive Difficulties: A Conversation Between Marilyn Reed and Natalie Phillips. The SAC Audiology Event (virtual). May 20, 2021.
- Phillips, N.** (2021). Sensory loss and dementia: A review and evidence from the COMPASS-ND study. International Behavioural Neurology Videoconference Rounds, University of Toronto. March 24, 2021.
- Phillips, N.** (2020). Sensory loss and dementia: What is the evidence? Geriatric Academic Rounds, QEII Health Sciences Center, Halifax, Nova Scotia (virtual), December 9, 2020.
- Phillips, N.** (2019). Sensory function, cognition, and brain anatomy in older adults with, or at risk for dementia. Invited talk at the Aging & Speech Communication Conference, Tampa, Florida, USA, November 3-6, 2019.
- Pichora-Fuller, M. K., Hämmäläinen, A., Wittich, W., **Phillips, N.**, & Mick, P. Social factors are associated with sensory and cognitive measures but do not mediate sensory-cognitive associations in older adults in the Canadian Longitudinal Study of Aging, Poster presented at the 10th Canadian Conference on Dementia, Quebec City, October, 3-5, 2019.
- Phillips, N.** (2019). Hearing, cognition, and brain structure: Initial findings from the COMPASS-ND study. Keynote presentation at the *5th International Conference on Cognitive Hearing Science for Communication (CHSCOM)*, Linköping, Sweden, June 9 – 12, 2019.
- Pichora-Fuller, M. K., Reed, M., **Phillips, N.**, & Saunders, G. Hearing and cognitive decline in ageing: New directions for audiological practice. Master Class (11.5 hours), Alice Springs, Australia, May 31 to June 2, 2019.
- Phillips, N.** (2019). Cognitive Function II: Assessing Cognition in Older Adults with Visual or Hearing Impairment. Invited presentation at “A Transdisciplinary Approach to Engage Specialty Investigators in Aging Research Sponsored by the National Institute on Aging, Grant Number: 2U13AG040938-04. Workshop III: “Workshop on Embedding/Sustaining a Focus on Function in Specialty Research and Care.” January 31-February 1, 2019. Pentagon City, USA.

PHILLIPS, N.A.

- Phillips, N.** (2018). New initiatives in dementia research: An overview of the COMPASS-ND study of the Canadian Consortium for Neurodegeneration in Aging (CCNA). Talk presented at the *Cuban Neuroscience Center (CNEURO) Winter School "Neurotechnology applications on aging-related disorders"*, December 5, 2018, Havana, Cuba.
- Phillips, N.** (2018). Interventions at the sensory and cognitive interface. Talk presented at the *Canadian Consortium on Neurodegeneration in Aging (CCNA) Annual Science Days*, October 1-3, 2018, Montreal, Quebec, Canada.
- Wittich, W., Hämäläinen, A., Urqueta Alfaro, A., Guthrie, D., Pichora-Fuller, M.K., Mick, P., & **Phillips, N.** (invited). Research into sensory-cognitive aging: Pooling diverse resources for a common goal, 15e edition des journées de la recherche du Réseau Québécois de recherche sur le vieillissement, Symposium sur les retombées d'actions structurantes et de partenariats, Université Laval, Quebec City, Quebec, October 2, 2018.
- Phillips, N.** (2018). The benefit of multisensory audio-visual speech cues in first and second language processing. Invited **keynote** presentation at the 2018 CSBBCS Executive Symposium "New Research Directions in Multisensory Integration." *Canadian Society for Brain, Behaviour and Cognitive Science (CSBBCS) 28th Annual Meeting*, July 4-8, 2018, St. John's, Newfoundland, Canada.
- Phillips, N.**, Guthrie, D., Mick, P., Pichora-Fuller, K., & Wittich, W. (2017). Sensory and Cognitive Function in Dementia: Implications for Assessment and Quality of Life (QoL). Talk presented at the *21st IAGG World Congress of Gerontology and Geriatrics*, July 23-27, 2017, San Francisco, California, USA.
- Chauvin, A., & **Phillips, N.** (2017). Cognitive control in bilinguals: Does one size fit all? Talk presented at the *11th International Symposium on Bilingualism*, June 11-15, 2017, Limerick, Ireland.
- Pichora-Fuller, M.K., Mick, P.T., Wittich, W., & **Phillips, N.** Linking sensory and cognitive aging: The influence of social factors. Fourth International Conference on Cognitive Hearing Science for Communication. Linköping, Sweden, June 21, 2017.
- Phillips, N.A.** (2017). An overview of the cognitive and clinical battery in the COMPASS-ND study of the Canadian Consortium on Neurodegeneration in Aging (CCNA). Invited presentation at the CIHR Summer Program in Aging (SPA 2017) Physical Activity and Aging, May 15-19, 2017, Montréal, Quebec.
- Coulter, K., **Phillips, N.**, Gonzalez Cautela, B.V., René, J-L., Covey, A., Gilbert, A., Kousaie, S., Titone, D., Baum, S., Klein, D., Gracco, V. (2017). L'influence du contenu et de la compétence linguistique sur le traitement de phrases dans le bruit chez les bilingues. Talk presented at *le 85e Congrès de L'Association Francophone pour le Savoir (ACFAS)*, May 9, 2017, Montreal, Canada.
- Phillips, N.A.** (2017). Cognitive function and sensory loss in aging and dementia. Invited presentation at the 4th International Conference on Cognitive Hearing Science for Communication, 18-21 June 2017, Linköping, Sweden.

PHILLIPS, N.A.

- Phillips, N.A.** (2016). Aging, Hearing Loss, Cognitive Function, and Dementia: What are the links? Talk presented at the *33rd World Congress of Audiology*, September 18-21, 2016, Vancouver, BC.
- Phillips, N.A.** (2016). Cognitive function and cognitive assessment in the older adult: Implications for hearing professionals. Talk presented at the *International Hearing Aid Research Conference*, August 10-14, 2016, Tahoe City, California, USA.
- Phillips, N.A.**, Duncan, H.D., Nikelski, J., and Cherkow, H. (2016). Neuroanatomical evidence of multilingualism's contribution to brain and cognitive reserve in mild cognitive impairment and Alzheimer disease. Talk presented at the plenary session on Mild Cognitive Impairment at the *2016 Cognitive Aging Conference*, April 16, 2016, Atlanta, Georgia, USA.
- Phillips, N.A.** and Johns, E. (2016). EEG coherence and executive function in mild cognitive impairment and Alzheimer's disease. *Cognition and Circuits Seminar*, March 16, 2016, Montreal Neurological Hospital.
- Phillips, N.A. (2015). Cognitive testing and cognitive resources: Implications for hearing and cognition professionals. Invited oral presentation at the Fifth Eriksholm Workshop on the topic "Hearing impairment and Cognitive Energy," June 3-5th, 2015.
- Phillips, N.A.** (2015). Bilingualism and Cognitive Reserve: Evidence from persons with or at risk for Alzheimer's disease. Invited lecture at the *Montreal Bilingual Brain Initiative Symposium*, May 28-29, 2015, Montréal, Canada.
- Phillips, N.A.** (2014). The Impact of Multilingualism on the Neurophysiological and Structural Correlates of Healthy and Pathological Aging. Invited Plenary Lecture, Joint Meeting of ECNS, ISBET and ISNIP, September 6, 2014, Halifax, Nova Scotia, Canada.
- Phillips, N.A.** (2014). Overview of the CCNA Neuropsychological Assessment Battery. Canadian Consortium on Neurodegeneration in Aging (CCNA) Scientific Conference, June 21-22, 2014, Montréal.
- Phillips, N.A.** (2013). Downstream benefits of audio-visual speech cues on working memory and sentence processing across the lifespan: Evidence from ERPs. HEAD Seminar Series, November 6, 2014, Linköping University, Linköping, Sweden.
- Phillips, N.A.** (2012) Exploring the links between executive function, second language acquisition and bilingual language processing, (A. Prior, chair). Oral paper presented to the *31st Second Language Research Forum (SLRF)*, Pittsburg, Pennsylvania, USA, October 18-21.
- Kousaie, S., & **Phillips, N.A.** (2012). The bilingual advantage in cognitive control: Whom what, when, where and why? Oral paper presented at the symposium on AThe cognitive impacts of bilingualism: An attempt at conflict resolution of empirical findings, (**N.A. Phillips**, chair) at the *Canadian Psychology Association=s (CPA) 73rd Annual Convention*, June 14-16, Halifax, Nova Scotia, Canada.
- Phillips, N.A.** and Kousaie, S.(2012). The bilingual advantage in cognitive control: Behavioral and electrophysiological evidence. Oral paper presented at the symposium on ACognitive control and bilingualism, (M. Hilchey, Chair) at the *Canadian Society for Brain, Behaviour and Cognitive Science (CSBBCS) 22nd Annual Meeting*, June 7-9, 2012, Kingston, Ontario, Canada.
- Kousaie, S., & **Phillips, N.A.** (2012). Behavioural and electrophysiological investigations of the bilingual "advantage" in young and older adults. Oral paper presented at the *Bloomfield Center for Research in Aging Seminar Series*, March, Montreal, Quebec, Canada.

PHILLIPS, N.A.

- Phillips, N.A., Johns, E.K., and Powell, G.A.** (2012). ERP measures of working memory in patients with mild cognitive impairment and Alzheimer disease. Oral paper presented at the symposium entitled, *Electrophysiology as an investigation tool of attention and working memory*, (P. Jolicoeur, C. Lefebvre, chairs) at the *Canadian Society for Brain, Behaviour and Cognitive Science (CSBBCS) 22nd Annual Meeting*, June 7-9, 2012, Kingston, Ontario, Canada.
- Phillips, N.A.** (2011). Interactions between perceptual and cognitive factors during audio-visual speech perception: Evidence from behaviour and event-related brain potentials. Colloquium presented to the Centre de Recherche en Neuropsychologie et Cognition (CERNEC) conference, Montréal, Québec, September 30, 2011.
- Phillips, N.A.** (2011). Look at me when I'm talking to you! The benefits of audio-visual speech perception. Colloquium presented to the Department of Psychology, Concordia University, Montréal, Québec, September 22, 2011.
- Phillips, N.A., Gagné, J.-P., Basu, M., Copeland, L., Gosselin, P., Winneke, A., Chan, J., and Bishundayal, S.** (2010). The role of sensory and cognitive factors in audio-visual speech perception in younger and older adults. Talk presented at the plenary session on speech perception at the *2010 Cognitive Aging Conference*, Atlanta, Georgia, USA, April 15-18, 2010.
- Phillips, N.A., Gagné, J.-P., Basu, M., Copeland, L., Gosselin, P., Saint-Pierre, A., Winneke, A.** (2009). Audio-visual speech perception in younger and older adults: Effects on word identification and memory. Oral paper presented at the *10th Annual meeting of the International Multisensory Research Forum (IMRF)*, New York City, June 29 - July 2, 2009.
- Phillips, N.A.** (May 2009). Executive function impairments in mild cognitive impairment and in patients with dementia: Evidence from neuropsychological and electrophysiological measures. Invited colloquium in honour of the 20<sup>th</sup> Anniversary of Dalhousie University's Doctoral Program in Clinical Psychology. May 15, 2009.
- Phillips, N.A.** (May 2009). Executive function impairments in mild cognitive impairment and in patients with dementia: Evidence from neuropsychological and neurophysiological measures. Rounds delivered to the Department of Clinical Neurosciences, Jewish General Hospital, Montréal. May 12, 2009.
- Phillips, N.A. and Koussaie, S.** (October 2008). What do early and late ERP effects tell us about processing in a first and second language?, *Making Sense of Frontal Language ERPs*, (chair, J. Dien). Presented at the Forty-Eighth Annual Meeting of the *Society for Psychophysiological Research (SPR)*, Austin, Texas, October 1-5, 2008.
- Phillips, N.A.** (September 2008). The influence of working memory and other cognitive functions on task switching. Invited talk in the symposium, *Cognitive control processes*, (chair, F. Karayanidis). Presented at the *Tenth International Conference on Cognitive Neuroscience (ICON10)*, Bodrum, Turkey, September 1-5, 2008.
- Phillips, N.A.** (June 2008). Electrophysiological techniques in the assessment in clinical populations: Are they ready for prime time? Presented at the *2008 Annual Convention of the Canadian Psychological Association*, Halifax, Nova Scotia (June 12-14, 2008).

PHILLIPS, N.A.

- Phillips, N.A., Johns, E., & Sinai, M.** (16 March 2008). Neuropsychological and electrophysiological evidence of executive function in mild cognitive impairment and in patients with dementia. Invited talk in the symposium *ALe trouble cognitif léger (ou mild cognitive impairment) chez la personne âgée*, (chair, S. Belleville). Le 30<sup>ème</sup> Congrès Annuel de la Société Québécoise pour la Recherche en Psychologie (Trois-Rivières, 14-16 March 2008).
- Sinai, M., Phillips, N.A., & Goffaux, P.** (2006). Task difficulty effects on backward inhibition. Symposium presentation at the *Canadian Society for Brain, Behaviour, and Cognition Conference*. June 22-24, Saskatoon, SK, Canada.
- Goffaux, P., Phillips, N., Sinai, M., Pushkar, D.** (2006). Failing to prepare: How working memory affects age-related changes in task switching performance and electrical brain activity. Talk presented at the *16th Annual Meeting of the Canadian Society for Brain, Behaviour and Cognitive Science*, June 22-24, Saskatoon, SK, Canada.
- Phillips, N.A.** (11 October 2005). Executive Control, Working Memory, and Language Processing in the Aging Brain. Presented at *Aging and Speech Communication: An International and Interdisciplinary Research Conference*, October 9-12, 2005, Indiana University, Bloomington, Indiana.
- Phillips, N.A., & Matousek, R.** (2005). The effects of phonological noise on speech processing and working memory in younger and older adults. Paper presented at the symposium on *AAAn updated view of working memory constraints on language*, (D. Titone, chair) at the *15<sup>th</sup> Annual Conference of the Canadian Society for Brain, Behaviour and Cognitive Science (CSBBCS)*, July 14-17, Montreal, QC, Canada.
- Phillips, N.A.** (27 March 2005). Behavioural and event-related brain potential measures of language processing in older adults. Presented at the 3<sup>rd</sup> Annual Research Symposium of the CIHR Strategic Research Training Program in Communication and Social Interaction in Healthy Aging. February 25-27, 2005. Ottawa, Canada.

### *Conference Presentations*

- Guan, D., Gosselin, P., Chen, H., Pichora-Fuller, M.K., **Phillips, N.**, Smith, E.E., & Ismail, Z. (2021). The Relationship Between Subjective Hearing Impairment and Mild Behavioral Impairment – A Study of Older Adults Without Dementia in the COMPASS-ND Study. Poster presented at the *Alzheimer’s Association International Conference 2021*, Amsterdam, Netherlands, July 26-30.
- Honda, C. T., Gilbert, A. C., **Phillips, N. A.**, & Baum, S. R. (2020). Electrophysiological correlates of lexical stress perception in bilinguals. Paper presented at the *12th International Seminar on Speech Production*, Providence, RI, December 14-17, 2020.
- Gilbert, A., C., Gullifer, J., Wolpert, M., Saito, H., Kousaie, S., Itzhak, I., Gracco, V.L., Klein, D., **Phillips, N.A.**, Titone, D., Baum, S.R. (2019). Language dominance and entropy as predictors of word segmentation sue production in bilinguals. Talk presented at the *60<sup>th</sup> Annual Meeting of the Psychonomic Society*, November 14-17, Montreal, QC, Canada.
- Phillips, N.A.** & Fogarty, J. (2020). Neuropsychological function in persons with SCD, MCI, and AD: Overview of findings from the COMPASS-ND second data release. Canadian Consortium on Neurodegeneration in Aging (CCNA) Partners Forum and Science Days 2020. October 26, 2020.
- Grant, A., Kousaie, S., Coulter, K., Gilbert, A., Baum, S., Gracco, V., Klein D., Titone, D., & Phillips, N. (2019, November). “Individual Differences in Gray Matter Volume Predict Bilingual Speech Perception in Noise” Poster presented at the Annual Meeting of the Psychonomic Society, Montreal.
- Grant A., Kousaie, S., Coulter, K., Baum, S., Gracco, V., Klein, D., Titone, D., & **Phillips, N.A.** (2019). From structure to function: A multimodal analysis of bilingual speech in noise processing. Talk presented at the *11th Annual Meeting of the Society for the Neurobiology of Language*, Helsinki, Finland, August 20-22, 2019.
- Gullifer, J., Kousaie, S., Gilbert, A., Giroud, N., Grant, A., Coulter, K., Klein, D., Baum, S., Phillips, N.A., Titone, D. (2019). Language entropy: A novel quantification of language experience among bilinguals. Poster presented at the Poster presented at the *11th Annual Meeting of the Society for the Neurobiology of Language*, Helsinki, Finland, August 20-22, 2019.
- Kousaie, S., Baum, S., **Phillips, N.A.**, Gracco, V., Titone, D., Chen, J.K., & Klein, D. (2019). The impact of language learning experience on phonological working memory: A functional magnetic resonance imaging study. Poster presented at the *11th Annual Meeting of the Society for the Neurobiology of Language*, Helsinki, Finland, August 20-22, 2019.
- Grant, A., Coulter, K., Kousaie, S., Gilbert, A.C., Baum, S., Gracco, V., Klein D., Titone, D. & Phillips N. (2019, March). “ ‘What did you say?’ A multi-modal investigation of bilingual speech in noise processing” Presentation at the Montreal Bilingual Brain Initiative 2019 Symposium.
- Kousaie, S., Baum, S., **Phillips, N.A.**, Gracco, V., Klein, D., Titone, D., Chen, J.K., & Klein D. (2018). The influence of bilingual language experience on verbal fluency and brain structure and function. Poster presented at the *10<sup>th</sup> Annual Meeting of the Society for the Neurobiology of Language*, August 16-18, 2018, Quebec City, QC, Canada.

PHILLIPS, N.A.

- Kousaie, S., Baum, S., **Phillips, N.A.**, Gracco, C., Titone, D., Chen, J-K., Chai, X.J., & Klein, D. (2018). Evidence from multi-modal neuroimaging for the importance of bilingual language experience on brain structure and function. Talk presented at the *Society for the Neurobiology of Language Satellite Symposium "The Bilingual Brain: A lifelong perspective"*, August 15, Quebec City, QC, Canada.
- Bruce, H., Bherer, L., Campos, J., Gagne, J.P., Phillips, N., Pichora-Fuller, M.K., St-Onge, N., & Li, K.Z.H. (2018). The role of cognition in hearing loss and mobility among older adults with age-related hearing loss. Poster presented at the *2018 Cognitive Aging Conference*, Atlanta, Georgia, USA, May 3-6, 2018.
- Phillips, N., Fogarty, J., Best, S., Borrie, M., DiProspero, C., Mohades, Z., Parent, A., Whitehead, V., & Chertkow, H. (2018). Overview of the neuropsychology battery of the Canadian Consortium for Neurodegeneration in Aging (CCNA) COMPASS-ND study. Poster presented at the *2018 Cognitive Aging Conference*, Atlanta, Georgia, USA, May 3-6, 2018.
- Kousaie, S., Baum, S., Phillips, N.A., Gracco, V., Titone, D., Chen, J.K., Chai, X.J., & Klein, D. (2017). Speech perception in noise in a native and a second language: A functional magnetic resonance imaging (fMRI) investigation. Poster presented at the *9th Annual Meeting of the Society for the Neurobiology of Language*, Baltimore, MA, USA, November 8-10.
- Kousaie, S., Baum, S., Phillips, N.A., Gracco, V., Titone, D., Chen, J.K., Chai, X.J., & Klein, D. (2017). L'effet de l'expérience linguistique sur la perception de la parole dans le bruit dans les deux langues des bilingues. Talk presented at the *85e Congrès de L'Association Francophone pour le Savoir*, May 8-12, Montreal, QC, Canada.
- Phillips, N.A., Coulter, K., Gonzalez, B., René, J-L., Covey, A., Gilbert, A., Kousaie, S., Titone, D., Baum, S., Klein, D., & Gracco, V. (2017). L'influence du contenu et de la compétence linguistique sur le traitement de phrases dans le bruit chez les bilingues. Talk presented at the *85e Congrès de L'Association Francophone pour le Savoir*, May 8-12, Montreal, QC, Canada.
- Kousaie, S., Fleming, D., Baum, S., Phillips, N.A., Titone, D., & Klein, D. (2016). The effect of language experience on speech perception in noise: a functional magnetic brain imaging investigation. Talk presented at the *3rd edition of VocUM*, November 23-24, Montreal, QC, Canada.
- Williams, C., Covey, A., Kousaie, S., & Phillips, N.A. (2016). Perception du discours avec un bruit de fond chez les personnes bilingues. Poster presented at the *84e Congrès de L'Association Francophone pour le Savoir*, Montreal, QC, Canada, May 9-13.
- Duncan, H. D., Nikelski, J., Pilon, R., Whitehead, V., Chertkow, H., & **Phillips, N. A.** (2016). Neuroanatomical evidence of multilingualism's contribution to brain and cognitive reserve in mild cognitive impairment and Alzheimer disease. Oral presentation at the *2016 Cognitive Aging Conference*, Atlanta, Georgia, USA, April 14-17, 2016.
- Al-Yawer, F., **Phillips, N.**, DeBoysson, C., Mellah, S., and Belleville, S. (2016). The Impact of Cognitive Training on Brain Electrophysiology and Divided Attention in Healthy Older Adults. Poster presented at the *2016 Cognitive Aging Conference*, Atlanta, Georgia, USA, April 14-17, 2016.
- Chauvin, A., and **Phillips, N.A.** (2015). Cognitive Control Mechanisms In Bilinguals: Is It All The Same? Poster presented at the *Workshop on Bilingualism and Executive Function: An Interdisciplinary Approach*. May 18-19, 2015, CUNY Graduate Centre, New York, New York, USA.

PHILLIPS, N.A.

- Duncan, H.D., Nikelski, J., Pilon, R., Whitehead, V., Chertkow, H., and **Phillips, N.A.** (2015). Multilingualism and cognitive reserve: Evidence from cortical thickness and tissue density. Poster presented at the *Workshop on Bilingualism and Executive Function: An Interdisciplinary Approach*. May 18-19, 2015, CUNY Graduate Centre, New York, New York, USA.
- Kousaie, S., Baum, S., **Phillips, N.A.**, Gracco, V., Titone, D., Chen, J-K., & Klein, D. (2015). The effect of bilingual language experience on speech perception in noise in a native and second language. Poster presented at the *Montreal Bilingual Brain Initiative Symposium: Multiple Perspectives on Bilingualism and the Brain*, Montreal, QC, Canada, May 28-29.
- Phillips, N.A.**, Ratnarajah, A.S., Powell, G., Cicione, S., DeBoysson, C., Mellah, S., and Belleville, S. (2014). The effect of cognitive training on divided attention and EEG coherence in healthy older adults. Poster presented at the 2014 Cognitive Aging Conference, Atlanta, Georgia, USA, April 3-6, 2014.
- Phillips, N.A.**, Hebert, M., Modlin, L., Pagen, L., Chauvin, A. (2014). Audio-visual speech stimuli facilitate sentence processing as a function of working memory and age. Poster presented at the 2014 Cognitive Aging Conference, Atlanta, Georgia, USA, April 3-6, 2014.
- Duncan, H.D., Kousaie, S., & **Phillips, N.** (2014). EEG coherence and executive functions in younger and older monolinguals and bilinguals. Poster presented at the 2014 Cognitive Aging Conference, Atlanta, Georgia, USA, April 3-6, 2014.
- Taler, V., Kousaie, S., & Phillips, N.A. (2014). The relationship between codeswitching behaviour and neuropsychological performance in older adults. Poster presented at the 2014 *Cognitive Aging Conference*, Atlanta, GA, USA, April 3-6, 2014.
- Duncan, H.D., Pilon, R., Whitehead, V., Chertkow, H., & **Phillips, N.** (2013). Does multilingualism contribute to cognitive reserve in MCI: Evidence from MRI cortical thickness. Poster presented at the *23<sup>rd</sup> Annual Rotman Research Institute Conference, Toronto, ON*, March 4-6, 2013.
- Duncan, H.D., Pilon, R., Whitehead, V., Chertkow, H., & **Phillips, N.** (2013). Does multilingualism contribute to cognitive reserve? Oral presentation at Centre for Research on Brain, Language, and Mind DataStorm, Montreal, QC., October 4th, 2013.
- Phillips, N.A.**, Johns, E.K., & Powell, G. (2012, June). Working memory in patients with amnesic mild cognitive impairment: An event-related brain potential study using the n-back task. Poster presented at the *Canadian Psychology Association=s (CPA) 73<sup>rd</sup> Annual Convention*, Halifax, Nova Scotia, Canada.
- Duncan, H.D., Segalowitz, N., McHenry, C., & **Phillips, N.A.** (2012, May). Le bilinguisme, le vieillissement, et le contrôle attentionnel spécifique au langage. Poster presented at the *80e Congrès de L=Association Francophone pour le Savoir (ACFAS)*, Montreal, Quebec, Canada.
- Kousaie, S., & **Phillips, N.A.** (2012, May). L'effet du bilinguisme sur le contrôle cognitif chez les adultes âgés varie en fonction de la tâche. Poster presented at the *80e Congrès de L=Association Francophone pour le Savoir (ACFAS)*, Montreal, Quebec, Canada.
- Phillips, N.A.**, Leshunskaya, A., Klein, D., & Segalowitz, N. (2012, May.) La commutation de langue et la commutation de tâches : des mécanismes cérébraux communs ou distincts? Poster presented at the *80e Congrès de L=Association Francophone pour le Savoir (ACFAS)*, Montreal, Quebec, Canada.

PHILLIPS, N.A.

- Kousaie, S., & Phillips, N.A. (2012, February). Bilingualism and cognitive control in healthy aging. Poster presented at the *International Neuropsychological Society (INS) 40th Annual Meeting*, Montreal, Quebec, Canada.
- Falk, T.H., Trambaiolli, L., Fraga, F., Anghinah, R., & Phillips, N. (2011, October). Quantitative evidence of EEG amplitude modulation changes in Alzheimer=s Disease: Implications for early detection and treatment outcome measurement. Poster presented at the *Canadian Conference on Dementia (CCD)*, Montreal, QC, Canada.
- Frtusova, J. B., Duncan, H. D., Chertkow, H., Nasreddine, Z., & Phillips, N. A. (2011). Different Factor Structure of the MoCA in Normal Aging, Mild Cognitive Impairment, and Alzheimer disease. Poster presented at the *6th Canadian Conference on Dementia*, October 27th–29th, Montreal: Quebec.
- Johns, E. K., Davies, S., & Phillips, N. A. (2011, July). Functional Neural Mechanisms Underlying Executive Functioning in Mild Cognitive Impairment and Alzheimer=s Disease: An EEG Coherence Study. Poster presented at the *Alzheimer=s Association International Conference on Alzheimer=s Disease*, Paris, France.
- Chertkow, H., Phillips, N., Nasreddine, Z., Johns, E., Whitehead, V., McHenry, C., Bishundayal, S., Solomon, S., Desormeau, J. (2011, July). The Montreal Cognitive Assessment (MoCA): Validation of Alternate Forms and New recommendations for Education Corrections. Poster presented at the *Alzheimer=s Association International Conference on Alzheimer=s Disease*, Paris, France.
- Baranyaiova Frtusova, J., Winneke, A., and Phillips, N.A. (2011). Auditory-visual speech enhances working memory performance in younger and older adults. Poster presented at the 2011 Annual Meeting of the Cognitive Neuroscience Society, San Francisco, CA, April 2-5, 2011. Pg. 158-159.
- Johns, E. K., Davies, S., & Phillips, N. A. (2011, June). Differences in the Relationship Between EEG Coherence and Working Memory Performance in Young Adults and High and Low Performing Older Adults. Poster presented at the 21st annual meeting of the *Canadian Society of Brain, Behaviour and Cognitive Science*, Winnipeg, MB.
- Kousaie, S., and Phillips, N.A. (2011). Conflict monitoring and resolution: Are two languages better than one? Evidence from reaction time and event-related brain potentials. Poster presented at the 8<sup>th</sup> International Symposium on Bilingualism (ISB8). June 15-18, Oslo, Norway.
- Duncan, H., McHenry, C., Segalowitz, N. and Phillips, N.A. (2011). Bilingualism, aging, and language-specific attention control. Poster presented at the 8<sup>th</sup> International Symposium on Bilingualism (ISB8). June 15-18, Oslo, Norway.
- Leshinskaya, A., Klein, D., and Phillips, N.A. (2010). The neural signatures of switching language and switching task. Poster presented at the 2<sup>nd</sup> Annual Neurobiology of Language Meeting, San Diego, California, November 11-12, 2010.
- Anderson, K. G., Dugas, M. J., Koerner, N., Radomsky, A., & Phillips, N. (2010, November). Appraisals of ambiguous information: Can GAD be distinguished from other anxiety disorders? *Association for Behavioral and Cognitive Therapies*, San Francisco, California.
- Davies, S., Johns, E. K., & Phillips, N. A. (2010). Executive function and EEG coherence in younger and older adults. Poster presented at the 20<sup>th</sup> annual meeting of the *Canadian Society of Brain, Behaviour and Cognitive Science*, Halifax, Nova Scotia, June 11th-13th, 2010.

PHILLIPS, N.A.

- Duncan, H. D., Karpowicz, L., Segalowitz, N., & Phillips, N.A. (2010). Bilingualism and language-specific attention control. Poster presented at the 20<sup>th</sup> annual meeting of the *Canadian Society of Brain, Behaviour and Cognitive Science*, Halifax, Nova Scotia, June 11th-13th, 2010.
- Baranyaiova Frtusova, J., Winneke, A., and Phillips, N.A. (2010). Relationship between auditory visual speech and working memory capacity in younger adults. Poster presented at the 32<sup>nd</sup> *Groupe de recherche sur le système nerveux central (GRSNC) International Symposium: Enhancing performance for action & perception - Multisensory integration, neuroplasticity & neuroprosthetics*, Montréal, Québec, May 10-11 2010.
- Duncan, H. D., Karpowicz, L., Segalowitz, N., & Phillips, N.A. (2010). Language-specific attention control in aging. Poster session presented at the Centre for Research on Language, Mind and Brain Research Day, Montreal, QC. [Date: May 7th, 2010]
- Dupuis, K., Phillips, N.A., Boodhoo, K., & Pichora-Fuller, K. (2010). Age-related differences in context use in intact and distorted speech: An electrophysiological investigation. ### *Trainee Conference Presentations*

- Sollazzo, K., Mancor, E., Grunden, N., Rehan, S., Phillips, N. (2022). Serial Position Effects and Hearing Loss in the Progression of Alzheimer's Disease (S316). Symposium talk at *the Canadian Society for Brain, Behaviour, and Cognitive Science 33<sup>rd</sup> annual Meeting*. July 17-21, 2022, Halifax, NS, Canada.
- Mancor, E., Sollazzo, K., Grant, N., Rehan, S., Phillips, N. (2022). No Sex Differences in Cognitive Reserve in Memory in Mild Cognitive Impairment (S315). Symposium talk at *the Canadian Society for Brain, Behaviour, and Cognitive Science 33<sup>rd</sup> annual Meeting*. July 17-21, 2022, Halifax, NS, Canada.
- Papadatos, Z., & Phillips, N. (2022). Olfactory dysfunction is common in Alzheimer's disease and is related to cognitive impairment and regional neurodegeneration. Spotlight poster presentation at *the Rotman Research Institute Virtual Conference: Aging & Brain Health: Sensory & Cognitive Interactions in the Aging Brain*. March 21, 2022.
- Grant, N. and Phillips, N. (2021). Default-Mode Network Connectivity in Mild Cognitive Impairment: The influence of Hearing Loss. Symposium talk presented at the Canadian Society for Brain, Behavior and Cognitive Science (CSBBCS). June 17-18, 2021, Montreal, QC, Canada (virtual).
- Anastasiou-Ventura, P., Papadatos, Z., Rehan, S., Grant, N., & Phillips, N.A. (2021). Hearing loss is associated with hippocampal volume in those at risk for Alzheimer's disease. Award won at the Concordia University engAGE Three Minute Thesis Competition, Montréal, QC, Canada, March 24, 2021.
- Anastasiou-Ventura, P., Papadatos, Z., Rehan, S., Grant, N., & Phillips, N.A. (2021). Hearing loss is associated with hippocampal volume in those at risk for Alzheimer's disease. Poster presented at the 22nd Annual Neuropsychology Day and Brenda Milner Lecture, Montréal, QC, Canada, May 25, 2021.
- Papadatos, Z. & Phillips, N.A. (2021). Is there a shared etiology of olfactory impairments in Alzheimer's and Parkinson's disease? Poster presented at the Alzheimer's Association International Conference 2021 (AAIC). Denver, Colorado, USA [Attended virtually]. July 25-30, 2021.
- Papadatos, Z., Rehan, S., Al-Yawer, F., & Phillips, N. (2021). Olfactory dysfunction is common in Alzheimer's disease and is related to cognitive impairment and regional neurodegeneration. Poster presented at the 2021 Virtual Convention of the Canadian Psychological Association. Ottawa, Canada [Attended virtually]. June 15, 2021.
- Chauvin, A., Pellerin, S., Boatswain-Jacques, A.-F., René, J.-L., & Phillips, N.A. (2021, June). Young and older bilinguals benefit from visual speech cues and supportive sentence context during speech perception in noise in their first and second language. Poster presented at the 2021 Virtual Convention of the Canadian Psychological Association. Ottawa, Canada.
- Chauvin, A., Boatswain-Jacques, A.-F., Pellerin, S., René, J.-L., & Phillips, N.A. (2021, March). Benefit of visual speech cues and sentence context in bilinguals. Podium presentation at the Virtual 48th Annual Scientific and Technology Conference of the American Auditory Society.
- Papadatos, Z., Rehan, S., Al-Yawer, F., & Phillips, N. (2021, March). Olfactory dysfunction is common in Alzheimer's disease and is related to cognitive impairment and regional neurodegeneration. Poster presentation at the 2021 Rotman Research Institute Virtual Conference. Toronto, Canada.

PHILLIPS, N.A.

- Al-Yawer, F., Pichora-Fuller, M. K., Wittich, W., Mick P., Giroud, N., Rehan, S., & Phillips, N. (2021, March). Sex-specific interactions between hearing and memory in older adults with Mild Cognitive Impairment: Findings from the COMPASS-ND study. Poster presentation at the 2021 Rotman Research Institute Virtual Conference. Toronto, Canada.
- Rehan, S., Giroud, N., Al-Yawer, F., Wittich, W., & Phillips, N. (2021, March). Visual performance and cortical atrophy in vision-related brain regions differ between older adults with (or at risk for) Alzheimer's disease. Poster presentation given virtually at the 2021 Baycrest Rotman Research Institute Conference.
- Rehan, S., Giroud, N., Al-Yawer, F., Wittich, W., & Phillips, N. (2021, March). Visual performance and cortical atrophy in vision-related brain regions differ between older adults with (or at risk for) Alzheimer's disease. Oral presentation given virtually at the 2021 engAGE Research Symposium.
- Papadatos, Z., Rehan, S., Al-Yawer, F., & Phillips, N.A. (2020). Sensory function, cognition, and brain structure in SCD, MCI, and AD: Initial findings from the COMPASS-ND study.
