RESEARCH CHAIR ON GAMBLING'S MISSION

Since its creation in 2012, the **Research Chair on Gambling** has been a hub for innovative research on gambling, risk and prevention. In partnership with various sectors both national and international, it supports a multidisciplinary team of researchers.

JOB DESCRIPTION

Our team is looking for a student interested in working on a research project focusing on gambling:

The selected candidate will be responsible for conducting a qualitative analysis of interview data collected from focus groups and writing up the results (in French) for a report intended for our field partners involved in prevention and intervention with gamblers.

Duties:

- Coding and analyzing data from focus groups
- Interpreting analysis results
- Writing a research report
- Supporting the research team in planning and carrying out project-related tasks

REQUIREMENTS

- A master's or doctoral degree (obtained or in progress) in a relevant discipline (sociology, psychology, criminology, statistics, epidemiology, etc.)
- Advanced skills in qualitative research methods
- Research experience
- Significant experience in writing qualitative research results
- Excellent command of written French
- Strong analytical and synthesis skills
- Knowledge in the field of gambling and gaming is an asset
- Strong computer skills (Word, Excel, PowerPoint, etc.)

TO APPLY

Please send a cover letter and your resume by **January 23, 2026**, indicating “Research Assistant” in the subject line of the email.

Please send the email to Halle Kott at lifestyle.lab@concordia.ca.
