UNIVERSITÉ **Concordia** UNIVERSITY

Doctoral Scholarship on Gambling - 2020-2021

Description

Concordia University's *Research Chair on Gambling*, funded by the FRQ-SC and the Fondation Mise-sur-toi, offers an annual Scholarship at the Doctoral level. This award seeks to encourage graduate research in the field of gambling, under the aegis of the *Research Chair*. The research must be focused one of the following thematic poles: (i) gambling and social inequalities; (ii) gambling, digitalization & cyberspace.

Value and duration

The Scholarship can begin in **January, May, or September**. Its duration is 12 months, but award holders may re-apply annually (for up to 24 months). The value of the Scholarship is **$17,000** and can be combined with an award from any external granting agency.

Eligibility

Candidates must hold a Master's degree. Candidates must be full-time students who are either continuing their Doctoral program or who have been admitted into a Doctoral program. First year Ph.D. students will be given priority. Candidates must be supervised or co-supervised by a researcher affiliated to the *Research Chair on Gambling*. International candidates are responsible for obtaining the proper documents for their stay in Quebec.

Application procedure

Candidates must submit the following:
- Letter of interest (2 pages) stating the reason for applying for a Scholarship at the *Research Chair;*
- Research proposal (3 pages) elaborating on the research project, expected outcomes and deliverables;
- Official transcripts;
- Curriculum vitae;
- Copy of the letter of acceptance to the Doctoral program or proof of registration;
- Two reference letters.

Please submit your application package by e-mail, with *Research Chair on Gambling Scholarships/Fellowships* in the subject line, to:

> Dr. Sylvia Kairouz
> Research Chair on Gambling
> Department of Sociology & Anthropology
> Concordia University
> e-mail : lifestyle.lab@concordia.ca

The *Research Chair*'s committee will contact the candidates after reviewing applications.
