

I am seeking graduate Research Assistant(s) for a policy mapping project exploring changes in Canadian federal and Quebec migration policies over the years and their implications for families.

Responsibilities:

Organizing, coding, and summarizing information from large policy documents into a database.

Literature review.

Schedule / duration:

10 hours per week, for 6 weeks.

Qualifications:

Analytical skills; coding experiences.

Compensation:

Hourly rate, CREW contract.

How to apply:

Please send your CV and a cover letter by July 15, 2026 to Dr. Marie-Pier Joly at marie-pier.joly@concordia.ca
