

Site	Person	Interview #	Question 53	Question 54
03	01	89	Safe community for all residents, treat all residents fairly continue to be a caring community.	Form a community council (not rigid). If an emergency arose, we don't know what to do. Do something with Belmont Park for kids.
03	01	83	Make sure people continue to come and move in.	Needs things for young people to encourage them to stay here.
03	01	96	Stay as a rural community, no big developments.	Shorter bus times for kids. Better snow clearing. Coffee shop?
03	01	107	Maintain a sense of community. Continue to care about each other.	More done with Belmont Park.
03	01	72	Stay the same.	None.
03	01	102	Remains the same.	Soil conservation, proper land use, keep water clean.
03	01	134	Everyone continues to prosper and to do well.	Nothing.
03	01	95	Get cable out here	Bus/passenger service for seniors.
03	01	49	Good as is.	Stop putting chemicals on potatoes.
03	01	57	Don't know... no services are too far away.	None.
03	01	80	I hope I can still survive on my own.	Nothing really.
03	01	85	I don't feel Lot 16 is as rural as it used to be, growth, new people, not a quiet community any more.	Younger generation not as caring as older folks, things have changed. No community involvement like before.
03	01	129	Stays a rural community based on farming, not a bedroom community of Summerside.	Lot 16 can't do anything just on its own.
03	01	36	Not a whole lot of change.	The community needs a young couple group, he's not interested in "old lady clubs".
03	01	67	hope it survives	pretty well looked after

03	01	34	Need more concern over stream and pond on Belmont Rd. (It has silted in due to farmers and Summerside)	Something for kids to do.
03	01	25	Remain a farming community.	Keep the hall going.
03	01	144	Okay how it is.	A place for children to play.
03	01	33	Don't know what they could do....	Fix the creek on Belmont Rd.
03	01	133	We're happy with things.	We have good services and they're close enough.
03	01	79	A very young and old community at the same time. Influx of young people. Like to see bond like how it used to be. We don't know everyone anymore like how it was when we were children. More cohesiveness would be good.	Community cohesiveness! It is a reallt neat community - the more educated can learn a lot from the less educated farmers.
3	3	532		
3	3	98	maintain the rural residential feel	discourage pesticide use of residential properties (lawns)
3	3	60	that the people all work together, when the school was here, it was better, lots of newcomers with no local ties now	get the new people to feel more part of the community
S03	P02	I 128	Hopes for the community to remain the way it is	For the community to continue to do well and move forward
S03	P02	I 100	More employment opportunities with better wages for area residents	Park should be improved, generating more employment in the area as a result. Gov't should also improve the roads in the area
S03	P02	I 118	More recreational facilities for youth and lower speed zones on local roads	Safety for area children through the reduction of speeds on local roads

S03	P02	I 097	Improve recreational parks and facilities in the area as well as local roadways	An overall clean-up and beautification of the community
S03	P02	I 143	Get to know neighbors better and have more social contact with one another while working together for the good of the community	Be there for one another and lend support in times of need

S03	P02	I 005	To grow and have more people involved in the community	More activities for children and keep people in the community
S03	P02	I 039	More things developed in community (ie: more parks) and to have better snow removal along with lower speeds and a higher police presence on the area roads	Improve recreational facilities and parks and have speeds reduced on local roadways
S03	P02	I 120	For people to communicate and work together for good of community. Encourage people to stick together and share with each other	For people to be more involved in the community
S03	P02	I 031	Build a stronger community and move forward together	Build a stronger community and move forward together
S03	P02	I 032	Continue to expand and have households become more involved in the community	Everyone work together for the good of the community
S03	P02	I 115	Stay as a farming community and remain quiet, country community	Stay as a friendly community where neighbors help one another in times of need
S03	P02	I 126	People to stick-together, progress and stay healthy	For the community to stick-together and prosper
S03	P02	I 046	Continue to prosper and keep community small, friendly	Maintain small, rural community atmosphere and avoid any forms of amalgamation with neighboring communities
S03	P02	I 140	For community to keep growing and attract more new people	No answer given (refused)
S03	P02	I 091	For community to continue to grow	Take better care of local infrastructures and get newer people more involved in community
S03	P02	I 086	For community to grow and prosper	Farmers should pay more attention to water supply and protect the environment better
S03	P02	I 008	Maintain quiet, relaxing community atmosphere while everyone in the community remains healthy	Maintain current lifestyle of the community (ie: "keep up the good work")
S03	P02	I 122	No hopes for the future of the community	No answer given (refused)
S03	P02	I 063	Stay as a small, quiet community that doesn't grow and expand too much	For the community to "stay as is", continue with town meetings and community events
S03	P02	I 092	No answer given (refused)	No answer given (refused)
S03	P02	I 090	For community to stay the same, a quiet farming	No answer given (refused)

			community	
S03	P02	I 099	For the community to remain the same	For the area to remain as a quiet, rural community
S03	P02	I 018	For community to remain as a supportive, friendly community where everyone knows one another and stays safe	Maintain relationships between people and contact with one another in the community
S03	P02	I 019	For things to stay as they are now	For area to remain as a quiet, peaceful, rural community
S03	P02	I 058	More volunteerism and community involvement among area residents	To amalgamate 3 communities (SW Lot 16, Central Lot 16, Belmont) into one community
S03	P02	I 016	No answer given (refused)	Build a local arena for area youth
S03	P02	I 087	Get to know people better and keep up community involvement. Improve town hall and parks	Stay as a friendly, close-knit community and get to know everyone better
S03	P02	I 088	Get to know new people moving into the area and remain as a quiet, farming community	Remain as a small, close-knit, friendly community
S03	P02	I 110	Get younger people more involved in the community	Bring community back to what it once was, a "real rural community"
S03	P02	I 059	Stay as a small, rural community, maintain community buildings and refurbish old school in SW Lot 16	Provide more leisure activities for area youth while maintaining rural atmosphere and keep "urban life" outside
S03	P02	I 055	Hope that community doesn't change too much and remains small	Hope for the community to remain the same: a small, rural community
S03	P02	I 139	(Refused)	(Refused)
S03	P02	I 002	More recreational programs for area youth	More recreational programs for area youth
S03	P02	I 001	More recreational programs and facilities (ie: ballpark) for area youth	More recreational programs and facilities (ie: ballpark) for area youth
S03	P02	I 141	To see an increase in population in the area and more community functions	More environmental stability (ie: use of fewer pesticides and harmful chemicals) in the area
S03	P02	I 035	For community to grow and prosper and have good neighbors move into the area	For community to keep growing and move forward
S03	P02	I 011	Continue with social groups in the area and increase	Increase community involvement among area residents

			community involvement	
S03	P02	I 022	Hope that next generation of citizens be as 'close-knit' as current	Get younger generation more involved in the community
S03	P02	I 127	Need for a municipal council for the area	Develop a senior's complex and more programs for seniors in the community
S03	P02	I 105	Cleaner environment (ie: fewer farm chemicals and less liquid manure)	Keep the environment clean and chemical free
S03	P02	I 142	Hope for the community to remain small, quiet and rural	No answer given (refused)
S03	P02	I 009	Remain the same, small, quiet, rural community	Stay the same as it is now
S03	P02	I 030	For the community to remain small and quiet	For the community not to change or grow too much
S03	P02	I 006	Upgrade the provincial park and add a ballpark to the area	Get to know people in the community better
S03	P02	I 038	Make more use of local community hall	Develop more programs for area youth
S03	P02	I 014	Get to know each other better in the community	Get to know new people in community better
S03	P02	I 066	Bring back 'old-spirit' of community	Develop a 'closer-knit' community
S03	P02	I 070	Provide more recreational parks and facilities (ie: ballpark) for area youth	Provide more recreational parks and facilities (ie: ballpark) for area youth
S03	P02	I 061	Better school transit systems for school children in the area	Better recreational facilities for area children
S03	P02	I 071	Hope community remains the same (ie: quiet, peaceful)	Hope newer people integrate well into community and community remains the same as it always has
S03	P02	I 048	More recreational facilities for area children	More parks and recreational facilities for area youth
S03	P02	I 047	Hope the community remains the same	The community is not lacking anything, hope for the community to stays the same
S03	P02	I 136	More family doctors and better healthcare for area residents and improve waiting lists for healthcare	Improve healthcare for the area residents and add more doctors
