

Site 18: Humphrey, Ontario

Humphrey is located in Northwestern Ontario and has a population of 1,194. There is a hamlet named Humphrey which collects some of the year-round residents, but 75% of Humphrey's population is comprised of summer residents who live in cottages on lakes. Fishing, boating, tourism, and especially cottages are the main industries. The lakes and shorelines make this the most important industry. This township has some of the highest priced real-estate in Northern Ontario.
