Allowable Expenses must comply with rules and regulations prescribed by the source of funds used to support the activity.

There are no exceptions to this Policy unless approved in writing by the Chief Financial Officer of the University.

Faculties or units are free to enact more restrictive rules around the ones set out in this Policy.

POLICY

General Policy Guidelines

1. All members of the University (faculty, principal investigators, staff and students) must be prudent, mindful and responsible when using the University’s funds, as these funds come from varied private and public sources. It is the responsibility of all faculty, principal investigators, staff and students to be as economical as possible when incurring Allowable Expenses.

2. While the University recognizes that Allowable Expenses will be incurred in carrying out its teaching, research and operational activities, such expenses should be commensurate with the purpose, scope and the significance of the event. Adhering to a
different protocol, under certain circumstances, could be considered reasonable for certain expenses to be incurred.

3. To the extent University Space is available and suitable for the intended Hospitality related event, the University Space should be reserved and selected as the venue to host events covered by this Policy. The Policy on the Temporary use of University Space (VPS-24) must be followed.

4. Allowable Expenses can be incurred by an individual, charged directly to the University or requested through Hospitality Services, depending on the nature of the expenses and the venue.

Responsibilities

5. The Claimant is the individual who will be reimbursed for the Allowable Expenses being claimed. The Claimant is responsible for ensuring that the Expense Report is complete, accurate, legitimate, eligible, appropriate, reasonable and duly authorized. The Claimant must also ensure that the Allowable Expenses were incurred for University purposes, in accordance to this Policy and will not be submitted for reimbursement against any other University funds or to third parties and that the Claimant will not claim any financial benefit for income tax purposes related to such Allowable Expenses.

6. It is the responsibility of the Claimant to ensure that an Expense Report is submitted in accordance with this Policy and the Handbook. Incomplete and/or inaccurate Expense Reports will result in reimbursement delays. The University is not responsible for any interest or financing charges levied upon the credit card used for a Claimant’s Allowable Expenses as a result of delays associated with incomplete and/or inaccurate Expense Reports.

7. The Expense Report shall contain a clear description of the University purpose for which the Hospitality event was held, while also identifying the names of the internal people and the External parties involved.

Approvals

a. Internal Events include the consumption of alcohol, whether on or off University Space; OR

b. The number of internal attendees for an External event is greater than the maximum internal attendees allowed for such an event, as specified in the Handbook;

Then, in the case of (a) and (b) above, the Academic Dean or Administrative Unit Head of the department or unit that the requester reports to must also approve this Hospitality event.

9. Before the Normal approval process is commenced, prior approval of the Hospitality event by the member of the Senior Administration of the unit the requester reports to must be obtained when the total Allowable Expense related to a Hospitality event is in excess of $5,000;

10. For any Allowable Expenses which are claimed using an Expense Report, the processes found in the Travel and Conference Policy Handbook will apply. When Allowable Expenses are incurred using vendors or internal Hospitality Services, the approval of such Allowable Expenses must be obtained by the person with authority to sign on the fund(s) being charged.

11. The individual who approves the Allowable Expenses for a Hospitality event is responsible for ensuring that these expenses are consistent with the processes set forth in this Policy and that the Allowable Expenses are incurred for the benefit of the University.

12. The authority to approve an Expense Report may be delegated during temporary absences of the individual having signing authority, provided this delegation is made in accordance with the Policy on Contract Review, Signing and Required Approvals (BD-1).

13. Approval and reimbursement of Allowable Expenses claimed on an Expense Report does not constitute final acceptance by the University. All Allowable Expenses reimbursements are subject to subsequent review and adjustment by Financial Services, Internal Audit, granting agencies, or at the request of the Claimant, faculties or departments. The final decision related to any adjustment rests with Financial Services.

   • Expenses related to a spouse*/partner* (where in attendance to an event/meal in this capacity) unless pre-authorized and deemed required for University business
   • Political fundraising events

*Companions may accompany a University member during a University related trip, however all incremental costs are considered personal expenses and cannot be claimed as Allowable Hospitality Expenses. An exception to this will be made only if expenses for a companion are expressly permitted by a research grant or contract.
22. Special or particular circumstances may arise that warrant exceptions to the list of ineligible expenses. In these cases, the approver of the expense report must give specific approval of such expenses and explain the University purpose of these expenses. In such case, the approver must be the member of the Senior Administration of the unit the requester reports to.
