

CONCORDIA GOLF CLASSIC

Concordia Golf Classic supporters change lives!

Thanks to generous donors like you, the Concordia Golf Classic has raised more than \$8.3 million for bursaries and scholarships since 2004.

More than half of Concordia's 50,000 students rely on financial aid for books, tuition fees and living expenses. Help us beat last year's record \$621,000 to create more awards for deserving students.

Your support can improve access to higher education and help cement our reputation as one of the most inclusive universities in Canada.

Join us for the 22nd edition of our award-winning fundraiser on **Tuesday, September 2, 2025**, at Golf Griffon des Sources (golfgriffon.com) in Mirabel, Quebec.

Book your foursome today and check out our sponsorship opportunities!

Enjoy a wonderful day on the green and visibility for your brand among Quebec's business and banking communities — and make a difference for the next generation of leaders and changemakers.

"This award has relieved a significant financial burden. With your help, I can put my all into my studies and my sport. I am forever grateful."
