THE CONCORDIA PARENTS ASSOCIATION

Congratulations! Your son or daughter has joined the Concordia family. As a parent, you play a vital role in their academic journey and we would love for you to be part of our community, too. The Concordia Parents Association is our way to keep you informed.

Members of the association will receive our alumni publication, Concordia University Magazine, as well as Accent — our monthly alumni e-newsletter — and invitations to upcoming university and alumni events in Montreal and in your hometown.

Sign up to be part of the Concordia Parents Association at concordia.ca/parentsassociation. Any information you provide will be kept confidential.

BIENVENUE À MONTRÉAL!

The results are in: Montreal is the world’s top city for students, according to the QS Best Student Cities rankings. It’s a great time to be part of this city and Concordia. We’re an open and engaged university that encourages our students to become active, critical and concerned citizens. Our approach has also made us the top-ranking university under 50 in Canada and the second in North America, according to the QS World University Rankings. We are also one of the world’s 200 most international universities, according to Times Higher Education.

Here’s why Montreal suits students so well:
• We have the highest concentration of postsecondary students of any large city in North America. That means lots of student-oriented pricing, activities and services.
• Rent is affordable. It’s the best deal in Canada for big-city dwellers.
• Transportation is convenient and comparatively cheap, featuring our award-winning underground transportation system.
• The Copenhagenize Index of bike-friendly cities puts Montreal at the top in North America. The revolutionary Bixi bike-sharing system was born here. The city’s extensive network of bike paths link Concordia’s two campuses.

A STIMULATING ENVIRONMENT FOR LEARNING AND GROWING

• Montreal attracts the best acts on the planet for outdoor musical events like Osheaga and the Montreal International Jazz Festival. Culture is front and centre in everyday life. Winter events like Montréal en lumière and Nuit blanche draw performers and creators of all kinds.
• The United Nations agency UNESCO designated Montreal a City of Design, one of only two in North America, because of our “innovative living environments that enhance daily life and existence.” The cityscape forms a beautiful environment that injects Montrealers with creative energy and inspiration.
• French is the official language of Montreal, yet the city has a strong English heritage and presence. Living here provides an opportunity to learn and improve French in a friendly environment.
• The city’s population includes people from all around the world. This astonishing diversity creates a rich linguistic, musical, literary and culinary scene.
ABOUT CONCORDIA

Concordia is a next-generation university focused on students, ideas and society. Our academic goals are grounded in an ethos of dynamism and social responsibility. This remarkable environment was created in 1974, after merging two proud Montreal traditions — the classic liberal arts education offered by Loyola College and the practical educational opportunities offered by Sir George Williams University.

We are leading the way to a new kind of university, one that makes higher education accessible. We share ideas through free and open access to scientific findings and seek ways to make social and economic justice more prevalent. Concordia offers some 500 undergraduate and graduate programs, diplomas and certificates, while maintaining formal ties with more than 100 institutions in 33 countries.

CONCORDIA’S ALUMNI NETWORK

Concordia, including its founding institutions Loyola College and Sir George Williams University, boasts an alumni network of 220,000 engaged citizens who live and work around the world. We have vibrant alumni chapters in Toronto, Vancouver, Ottawa, Calgary, Boston and New York City — to name a few.

We wish to welcome you as a Concordia parent to our diverse and cosmopolitan community through an array of events and activities. Visit: concordia.ca/alumni-friends.

UNIVERSITY POLICIES

In Quebec, an 18-year-old is considered an adult and as such has the right to confidentiality. The following webpage provides the university policy on access to academic information as well as other official policies that may be of interest to parents. They include the Concordia Code of Rights and Responsibilities, the Policy on Residence and the Academic Code of Conduct: concordia.ca/about/policies.

PAYING TUITION AND FEES

The easiest way to pay tuition is online. Students log into their MyConcordia portal and choose “My Student Centre.” Under the “Finances” section, they can select “Make a payment.”

Anyone who banks with a Canadian chartered bank can pay his or her tuition by telephone banking, online, at the bank or by ATM. Tuition can also be paid in person at the Birks Student Service Centre by personal or certified cheque, money order, bank draft or debit.

NEW STUDENT CHECKLIST

Before your son or daughter heads to Concordia, be sure to review our handy checklists.

Undergraduate student checklist: bit.ly/concordia-new-student-checklist

HEALTHY, BALANCED LIVING

HEALTH SERVICES
Life as a student is busy and intense and requires a lot of energy. Maintaining good health is key. Concordia Health Services provides high-quality health care on both of our campuses. From clinical care to nutrition and lifestyle education, Health Services helps students stay in top shape so they can focus on studies. To learn more, visit concordia.ca/health.

MENTAL HEALTH SERVICES
We connect students with professional counsellors and accredited psychologists or psychotherapists. Services are free and are completely confidential. Visit concordia.ca/students/counselling.

To learn more about all the support services for your son or daughter, go to concordia.ca/campus-services.

HEALTH INSURANCE
For information about medical coverage for Canadian out-of-province students or international students, visit concordia.ca/students/health/insurance-coverage.

VACCINES
If your son or daughter is due for a vaccine booster while in Montreal, don’t worry! They can book an appointment to see a nurse at Concordia University Health Services through concordia.ca/health.

For reliable information about vaccines, visit concordia.ca/students/health/vaccination.

STAYING FOCUSED

CONCORDIA LIBRARIES
Both the Webster Library on the Sir George Williams Campus and the Vanier Library on the Loyola Campus are open 24 hours a day, seven days a week during the academic year. For group projects, students can meet in one of our 30 study rooms, some set up with cutting-edge technology designed for collaborative work.

We offer more than 300 laptops or tablets for students to sign out and take to class or even off campus. Our libraries keep textbooks for every undergraduate course offered at the university. Our skilled subject librarians are always ready to help students with research in person and online by chat or email.

For a gorgeous, inspiring work environment, students can settle into a spot in our Reading Room in the Grey Nuns Building on the Sir George Williams Campus. We’ve converted the former chapel into a serene study space with large work surfaces and comfortable chairs. Our Grey Nuns group study rooms are equipped with white boards and mobile screens with connectors for laptops. library.concordia.ca

LEARNING SUPPORT SERVICES AND THE STUDENT SUCCESS CENTRE
Learning Support Services work with students to find the academic assistance that best suits their needs. Students can meet with a professional learning specialist to discuss strategies on how to improve writing, studying or presentation skills: concordia.ca/learning-support.

Peer tutors and mentors are widely available through the Student Success Centre to share with their fellow students how to truly succeed in university. Concordia’s Student Success Centre also offers orientation events for new students and a variety of workshops for skills development and career planning: concordia.ca/students/success.

Students looking for part-time jobs, internships or full-time jobs can find helpful resources through the Student Success Centre’s Career and Planning Services (CAPS). CAPS provides guidance to research careers, prepare for the job market and connect with employers: concordia.ca/students/success/career-planning-services

ACCESS CENTRE FOR STUDENTS WITH DISABILITIES
Every year, Concordia’s Access Centre for Students with Disabilities helps hundreds of students get the assistance they need to reach their academic goals. The centre connects students with services like adaptive and assistive software training, in-course note taking, accommodations for exams, and access to an assistive and adaptive computer lab. To learn more, visit concordia.ca/access.

STAYING SAFE
The Concordia University Security Department is dedicated to maintaining a secure university environment, which allows students to study, work and live in a safe setting. Our school maintains a 24-hour campus patrol and all of our residences are equipped with both an access card and key system in order to maximize safety: concordia.ca/security.

Students can opt to receive emergency alerts from the university via email or text message on their cell phone. This service is available through their MyConcordia portal, under the “Messaging” tab.

Concordia’s Office of Emergency Management uses Facebook to promote emergency preparedness and alert the community to emergencies on or around campus: facebook.com/concordia.emergency.management.

GETTING AROUND

THE CONCORDIA SHUTTLE BUS
Students, faculty and staff with a valid Concordia ID card can take advantage of a free, 20-minute shuttle bus service between campuses. Our shuttle buses run on a regular schedule, approximately every 20 to 25 minutes: concordia.ca/maps/shuttle-bus.

CYCLING
For avid cyclists, the city’s De Maisonneuve Boulevard bike path connects our two campuses.

PUBLIC TRANSIT
The Société de transport de Montréal (STM) maintains an extensive network of bus routes and underground metro stations throughout the city that is reliable and easy to use. In addition, the STM offers a reduced-fare monthly bus/metro pass — the OPUS card — for students. Find out more at concordia.ca/students/birks.

ON CAMPUS

CONCORDIA STUDENT UNION
The Concordia Student Union (CSU) defends student rights and acts as the highest student representative body. Among the CSU’s most used services are its Legal Information Clinic, the CSU Student Advocacy Centre and the CSU Off-Campus Housing and Job Bank (HOJO): csu.qc.ca.

STUDENT CLUBS AND ASSOCIATIONS
With more than 200 clubs and associations, student life at Concordia is among the most vibrant of any university in the country. To explore Concordia’s student groups and learn how to get involved in university life, students can visit concordia.ca/students/clubs.

A HUB FOR ARTS AND CULTURE
At Concordia, we study, research and experience art across every artistic discipline. Students can discover the exciting cultural events we create, curate and host.

Concordia boasts one of the most diverse collections of public art of any university in Canada. A great entry point is through any of our five galleries: concordia.ca/arts/galleries.

• The FOFA Gallery
• The MFA Gallery
• The Leonard & Bina Ellen Art Gallery
• The VAV Gallery
• The Communication Studies Media Gallery and Mobile Media Gallery
RECREATION
If there’s a sport your son or daughter is interested in, chances are they’ll find it at Concordia. Our intramural leagues and clubs include:

• baseball • skiing • golf • cross-country running
• basketball • ice hockey • ball hockey • roller hockey • lacrosse • volleyball • ultimate

Winter is no obstacle to staying active. The impressive dome that covers the sports field in front of our Recreation and Athletics Complex on the Loyola Campus lets Concordians play outdoors all year round. Another way for students to embrace winter is to go for a skate in the Ed Meagher Arena, home to our Stingers hockey teams. Learn more at: concordia.ca/recreational-sports.

FITNESS
We make it easy to stay in shape with facilities on both campuses. Le Gym on the Sir George Williams Campus has the best in high-tech cardio and weight-lifting machines. Students can sign up for classes like Zumba, yoga and spinning, or a session with a personal trainer. Your son or daughter can also take advantage of the conditioning floor at Le Centre — part of the PERFORM Centre at Loyola. Concordia’s preventive health research centre focuses on promoting healthy living; concordia.ca/recreation.

“Your daughter or son is on a journey to becoming a well-rounded, community-engaged and career-prepared graduate, equipped to be a life-long learner. These are the Concordia values we strive towards.”
— Anne Whitelaw Interim provost and vice-president Academic

RESIDENCES

Home is never far away for students who live in residence. The Grey Nuns Residence is located in downtown Montreal, on Guy Street just south of Ste. Catherine Street, one of the main shopping destinations in the city, and a few blocks from Crescent Street, headquarters of nightlife fun. Students can still retreat to an oasis of calm: the green grounds of the Grey Nuns Building are a beautiful buffer against the busy city streets.

The Jesuit Residence and Hingston Hall are located on Loyola Campus, where state-of-the-art facilities blend with turn-of-the-century architecture. Classrooms, laboratories and the Vanier Library are all within a moment’s walk from these residences. And to top it off, all our facilities are surrounded by green spaces where students can study, picnic or get together with friends. It’s the hive for athletics, too. Students can join the swarm and cheer on the Stingers!

Our co-ed residences are secure facilities. Students use access cards to come and go. Staff is on site 24 hours a day. Our resident assistants are always available to help navigate life in Montreal.

DINING

Loyola Campus:
Residents take meals at the Buzz Bistro (dining hall), located across the parking lot from Hingston Hall, Wing A (HA).

There is a flex-dollar kiosk located in the main lobby of Hingston Hall, Wing A/Wing B (HA/HB). Others are located on campus, including in the Richard J. Renaud Science Complex (SP) and Communication Studies and Journalism Building (CJ).

Sir George Williams Campus:
The main dining hall is located on the ground level in the Grey Nuns Residence (GN).

RESIDENT ASSISTANTS

Resident assistants (RAs) are second- and third-year students who are hired to help guide residents through their transition from home to university.

Throughout the year, RAs regularly plan events and activities to create a sense of community and provide residents with an opportunity to meet new people, learn about the services on campus and get to know Montreal.

Some past events and programs have included a midnight breakfast, tobogganing on Mount Royal, an art crawl through the city, video game tournaments, coffee houses, clothing swaps and jam nights.

RAs also ensure that every resident feels comfortable in residence. They are available to mentor residents and help make the experience the best it can be.

MAIN RULES IN RESIDENCE: RESPECT AND SAFETY

Upon arrival each resident must sign a lease that includes the Code of Community Living Standards and Discipline. This code helps ensure that each resident is provided with a comfortable and safe living space. The code of residence policies is available online at concordia.ca/students/housing/life/policies.

SOME CODE BASICS:

Smoking — Residence is a non-smoking facility. It is forbidden to smoke in the building or use/possess any smoking paraphernalia.

Drinking — The legal drinking age in Quebec is 18. Drinking is allowed only in residents’ personal rooms. Open alcoholic drinks are not allowed in common areas.

Noise and quiet hours — A resident’s right to quiet study and sleep time takes priority over a resident’s right to make noise. Quiet hours begin on weekdays at 10 p.m. and Friday and Saturday at 1 a.m. During exam periods, 24-hour quiet hours are in effect.

Damage to property — The individual(s) responsible for damage, when known, will assume complete responsibility.

Key lockouts and key replacements — Residence Life reserves the right to charge for having to grant access to a room. Any lost keys will result in a $20 replacement charge.

Harm and/or threat to another — Violence or physical aggression will not be tolerated in residence.

Appliances in rooms — There is a list of forbidden items outlined in the lease, including kettles, coffee makers, space heaters and rice cookers. Coffee makers, kettles and microwaves are available to residents in common rooms.

EVENTS COMMITTEE

Chaired by community facilitators, the events committee provides an opportunity for residents to get involved in planning events and activities for their peers. Residents can obtain information about how to become involved through their RAs.

For complete information about residence life, visit concordia.ca/residence.

“We provide a home away from home. Our team aims to help students grow, discover and create lasting memories — not to mention lifelong friendships.”

NEXT-GEN. CAMPAIGN

2017 marked the launch of The Campaign for Concordia: Next-Gen. Now. The $250-million campaign is our most ambitious to date and will support our nine strategic directions (concordia.ca/directions) to position Concordia as Canada’s next-generation university.

To address tomorrow’s greatest challenges, we’re developing new research centres, think tanks and academic programs. We’re multiplying hands-on and work-integrated learning. We are also increasing our impact-oriented activities through entrepreneurship centres, living labs and innovation hubs to build on our long history of community and industry engagement. Learn more: concordia.ca/campaign.
