JASON AZZOPARDE

ALEXANDRE QUINTAL CO-OP STUDENT OF THE YEAR AWARD

In recognition of his academic achievements, outstanding performance during his Co-op work terms, and remarkable contributions to Co-operative Education, Jason Azzoparde is the 2015 recipient of the Alexandre Quintal Co-op Student of the Year Award.

As an enthusiastic advocate of the Co-operative education model, Mr. Azzoparde has promoted Concordia University and our Co-op Institute at interviews, through photo advertising and on the University's website. The list of awards and recognitions he has received over the years is very impressive. Having passed 5 actuarial exams, he will soon obtain the ASA (Associate of the Society of Actuaries) designation, a rare accomplishment for students at his level. Additionally, while maintaining full-time academic status as a Co-op student, he played quarterback on the University's Stingers Varsity Football Team. He also actively volunteers his time to share his varied experiences and advice with junior students as well as tutoring and assisting peers on a regular basis. His commitment to hard work, academic excellence and community involvement makes him a well-rounded and exceptional individual.

Mr. Azzoparde was also a recipient of ACDEC's Gilles Joncas Award 2014.

PRIX ALEXANDRE-QUINTAL DE L'ÉTUDIANT COOP DE L'ANNÉE

En reconnaissance de ses excellents résultats universitaires, de son rendement exceptionnel dans le cadre de son stage coop et de sa contribution à l'Institut d'enseignement coopératif, Jason Azzoparde reçoit le prix Alexandre-Quintal de l'étudiant coop de l'année 2015.

Ardent défenseur du modèle d'enseignement coopératif, M. Azzoparde a fait la promotion de l'Université Concordia et de l'institut coop dans des entrevues et des photos publicitaires, ainsi que sur le site Web de l'Université. La liste des distinctions et des marques de reconnaissance qu'il a reçues au fil des ans est impressionnante. Ayant déjà réussi cinq examens d'actuariat, il obtiendra sous peu le titre d'associé de la Société des actuaires (ASA), chose remarquable pour un étudiant du 1er cycle. Par ailleurs, tout en maintenant son statut d'étudiant coop à temps plein, il a occupé le poste de quart-arrière au sein de l'équipe de football universitaire des Stingers. Bénévole enthousiaste, M. Azzoparde donne de son temps à titre de conseiller auprès d'élèves plus jeunes et leur fait connaître ses expériences variées. Il agit en outre comme tuteur auprès de ses pairs et leur vient en aide régulièrement. Son dévouement au travail n'a d'égal que son engagement envers l'excellence universitaire et la communauté. Nul doute, c'est une personne remarquable, aux multiples talents.

Enfin, M. Azzoparde est aussi titulaire de la bourse Gilles Joncas 2014, décernée par l'ACDEC.

MESSAGE FROM THE DIRECTOR

On behalf of Concordia University's Institute for Co-operative Education team, I would like to extend a very warm welcome to our 2015 Co-op Awards of Recognition Event. This is our opportunity to pause and reflect on our many student and employer contributions over this past year.

This year, we are thrilled to be able to distribute close to \$9000 in financial awards to our students. To our employer sponsors, we extend a special word of gratitude for your generous financial support.

We are honoured to mention that in 2015 our Concordia Co-op program will be celebrating our 35th year of operations. We are strategically placed to continue to promote our Co-op program and expand for the many benefits our Co-op students and employers enjoy.

This evening allows us to express our sincere appreciation to our valued employer partners, who represent a diversified variety of organizations whose valuable support and contributions are greatly appreciated.

We are very proud of our co-op team who through their dedication and professionalism continue to provide many benefits for our Co-op students and employers. We are also fortunate to work with Academic Directors, Concordia Executive management and other Concordia community Co-op partners whose support and contributions are making a difference.

We hope you will enjoy yourselves this evening and celebrate with us a remarkable year of positive co-op experiences.

GERRY HUGHES

Director, Institute for Co-operative Education

MESSAGE DU DIRECTEUR

Au nom de l'équipe de l'Institut d'enseignement coopératif de l'Université Concordia, je vous souhaite la bienvenue à l'édition 2015 de la soirée de remise des prix coop. Le temps est enfin venu de prendre une pause et de réfléchir aux nombreuses réussites de nos stagiaires ainsi que la contributions de nos employeurs des douze derniers mois.

Cette année, nous sommes ravis de pouvoir remettre près de 9 000 \$ en bourses à nos étudiants. Nous tenons à exprimer toute notre gratitude aux employeurs pour leur générosité.

Par ailleurs, nous sommes heureux de vous annoncer que 2015 marque le 35^e anniversaire du programme coop de Concordia! Nous sommes bien placés pour continuer de promouvoir notre offre et multiplier les avantages déjà nombreux dont bénéficient les employeurs et les étudiants coop.

En outre, cette soirée nous permet de témoigner toute notre reconnaissance aux employeurs de renom avec qui nous travaillons, qui sont issus d'une grande diversité de secteurs. Nous leur savons gré de leur apport et de leur soutien.

Nous sommes très fiers de notre équipe coop, qui consacre tout son temps et son professionnalisme au profit des stagiaires et des employeurs. Enfin, merci à nos directeurs pédagogiques, membres de la haute direction et partenaires communautaires : c'est grâce à leur contribution que nous nous démarquons.

Nous espérons que vous profiterez pleinement de la soirée. Célébrons ensemble une année remarquable, jalonnée d'expériences coop positives!

GERRY HUGHES

Directeur, Institut d'enseignement coopératif

GUEST SPEAKERS · LES CONFÉRENCIERS

JASON AZZOPARDE

Jason Azzoparde is studying for the Bachelor of Science, Specialization Actuarial Mathematics/Finance at Concordia University. He started his first work term with Intact Insurance and then completed his work term at Towers Watson in Montreal.

A natural leader, Jason Azzoparde is certainly one of a kind. His résumé expresses his commitment to hard work, academic excellence and community involvement. He is always available to help others, share his experiences and provide helpful hints. His commitment to excellence is at every level of his life. The list of awards and recognitions he received along the years is impressive. Having passed 5 actuarial exams, he will soon attain the ASA designation, a rare achievement for students at his level. He has been on the Dean's list with a grade point average of over 95% since he entered the program. All his supervisors have raved about his performance at work.

Jason Azzoparde étudie à l'Université Concordia en vue d'obtenir un baccalauréat ès sciences avec spécialisation en actuariat et en finance. Il a effectué des stages en entreprise à Intact Assurance et au bureau montréalais de Towers Watson.

Leader né, Jason sait incontestablement se démarquer. Son curriculum vitae témoigne d'ailleurs de son ardeur au travail, de l'excellence de ses résultats universitaires et de son engagement communautaire. De plus, Jason est toujours disponible pour aider les autres, parler de ses expériences et donner des conseils pratiques. Il s'est voué à la poursuite de l'excellence dans toutes les sphères de sa vie, comme le montre l'impressionnante liste des prix et reconnaissances qu'il a reçus au fil des ans. Ayant déjà réussi cinq examens d'actuariat, il obtiendra sous peu le titre professionnel d'associé de la Société des actuaires (ASA), chose remarquable pour un étudiant du 1^{er} cycle. Depuis qu'il est inscrit au programme coop, sa moyenne dépasse les 95 % et son nom figure en permanence sur la liste du doyen. Par ailleurs, tous ses superviseurs vantent son rendement au travail.

JEFFREY SACKSNER, B. ENG, MBA

Senior Manager, Operations Strategy and Strategic Sourcing
Pratt and Whitney Canada, a United Technologies Company

Jeffrey Sacksner is a Senior Manager with Pratt and Whitney Canada (P&WC), located at their head office in Longueuil, Quebec. Jeff and his organization are responsible for developing and executing Operations and Supply Chain strategies that help grow P&WC's global leadership position and drive value-chain competitive advantages. Prior to the above, Jeff led the Strategic Sourcing and Supply management of P&WC's largest new engine program.

Jeff has over 20 years of professional experience in both aerospace and telecom industries, having held senior management and leadership positions at multinational corporations including Lockheed Martin and Nortel Networks.

In addition to his full-time position at P&WC, Jeff is a part-time lecturer of Strategic Management, International Business and Entrepreneurship at the John Molson School of Business, Concordia University. He was a recipient of the Distinguished Teaching Award and has been featured in multiple Concordia University articles.

JEFFREY SACKSNER, B. ING., M.B.A.

Directeur principal, Stratégie opérationnelle et approvisionnement stratégique
Pratt & Whitney Canada, une société de United Technologies

Jeffrey Sacksner est directeur principal chez Pratt & Whitney Canada (P&WC), dont le siège social est situé à Longueuil, au Québec. M. Sacksner et son équipe sont responsables de l'élaboration et de l'exécution de stratégies de gestion des opérations et de la chaîne d'approvisionnement. Ces stratégies contribuent à consolider la position de leader de P&WC à l'échelle mondiale et procurent à l'entreprise un avantage concurrentiel tout le long de la chaîne de valeur. Auparavant, M. Sacksner était chargé de l'approvisionnement stratégique et de la gestion de la chaîne logistique dans le cadre du plus important programme de nouveau moteur de P&WC.

Fort de plus de 20 ans d'expérience professionnelle dans les domaines de l'aéronautique et de l'industrie des télécommunications, M. Sacksner a occupé divers postes de haut dirigeant et de cadre supérieur au sein de multinationales, dont Lockheed Martin et Nortel Networks.

Outre ses responsabilités à temps plein chez P&WC, M. Sacksner est chargé d'enseignement en gestion stratégique, en commerce international et en entrepreneuriat à l'École de gestion John Molson de l'Université Concordia. Titulaire du Prix de distinction en enseignement, il a fait l'objet de nombreux articles publiés par l'établissement.

GUEST SPEAKERS · LES CONFÉRENCIERS

BENOIT-ANTOINE BACON

Benoit-Antoine Bacon is the Provost and Vice-President, Academic Affairs, at Concordia University. He is an alumnus of Concordia, where he completed his B.A. Honours degree in Psychology. He also holds an M.Sc. and a Ph.D. in Neuropsychology from the University of Montreal, and he has completed a post-doctoral fellowship at the University of Glasgow, UK.

Upon returning to Canada, he taught for one year at Concordia before joining Bishop's University. At Bishop's, he served as Chair of the Department of Psychology, Dean of the Faculty of Arts and Science, and Associate Vice-Principal of Research.

In addition to his administrative responsibilities, Bacon has continued to teach and to be involved in research. His work in cognitive neuroscience centers on the links between brain activity and perception in the visual and auditory systems, as well as on multisensory integration. He is a member of the FRSQ-funded Center for Research in Neuropsychology and Cognition (CERNEC).

Benoit Antoine Bacon est vice-recteur exécutif aux affaires académiques à l'Université Concordia.

M. Bacon est diplômé de Concordia, où il a obtenu un baccalauréat (Honours) en psychologie. Également titulaire d'une maîtrise et d'un doctorat en neuropsychologie de l'Université de Montréal, il a effectué des recherches postdoctorales à l'Université de Glasgow, au Royaume Uni.

À son retour au Canada, il a enseigné un an à Concordia. Puis, il a assumé à l'Université Bishop's les fonctions de directeur du Département de psychologie, de doyen de la Faculté des arts et des sciences, et de vice recteur adjoint à la recherche.

Outre ses responsabilités administratives, M. Bacon continue d'enseigner et de mener des recherches. Ses travaux en neurosciences cognitives portent principalement sur les liens entre l'activité cérébrale et la perception dans les systèmes visuel et auditif, ainsi que sur l'intégration multisensorielle. Il est membre du Centre de recherche en neuropsychologie et cognition (CERNEC) que finance le Fonds de la recherche en santé du Québec (FRSQ).

CAFCE STUDENT OF THE YEAR AWARD

Since 1994, CAFCE (Canadian Association for Co-operative Education) has chosen a student each year to receive the CAFCE Co-op Student of the Year Award (CSOTYA). This award recognizes a wide variety of achievements -- job performance, academic performance and responsibility, and particular contributions to their co-op employer, Co-operative Education, and the community-at-large. The award is presented to a college and a university Co-operative Education student. The two winning students are celebrated during National Co-operative Education Week.

PRIX DE L'ÉTUDIANT COOPÉRATIF DE L'ANNÉE, DÉCERNÉ PAR L'ACDEC

Depuis 1994, l'ACDEC (Association canadienne de l'enseignement coopératif) décerne son prix de l'étudiant coopératif de l'année. Cette récompense vise à reconnaître un large éventail de réalisations, dont le rendement au travail, le dossier scolaire, le sens des responsabilités et, en particulier, les contributions à la bonne marche de l'entreprise de l'employeur, à la promotion de l'enseignement coopératif et à la vie de la collectivité en général. Le prix est remis à deux étudiants en enseignement coopératif, un au collégial et un à l'université. Les deux lauréats seront honorés au cours de la Semaine nationale de l'enseignement coopératif.

AWARD SCULPTURES · LES TROPHÉES

DESIGN · CONCEPTION: **CESAR REZER** – Bachelor of Fine Arts (Major in Design)

THE GROWTH – STUDENTS' CHOICE AWARD

The growth is the representation of the main achievements in life that need a balance of time and energy in order to be successfully accomplished. The orbits are the reflection of results from a healthy growth projection, which energy in function of time can generate.

« CROISSANCE » – PRIX CHOIX DES ÉTUDIANTS

Dans la vie d'un individu, l'essor évoque de grandes réalisations, dont le plein accomplissement exige un mélange parfaitement dosé de temps et d'énergie. Ici, les orbites reflètent les résultats de la projection d'une saine croissance, que seul peut permettre le dynamisme considéré en fonction du temps.

OUTSTANDING – STUDENT OF THE YEAR

Outstanding is a piece that reflects synchronized choices from a path taken, which can be visually highlighted from everything else surrounding it. It also draws attention for its stance in the same environment as the others.

« EXCELLENCE » – PRIX DE L'ÉTUDIANT DE L'ANNÉE

En tant qu'objet, « Excellence » traduit les choix synchrones qui jalonnent les sentiers de l'existence. Mis en valeur visuellement par tout ce qui l'entoure, il attire de plus l'attention par la position qu'il occupe dans l'espace collectif.

INNERSECTION – EMPLOYERS CHOICE AWARD

A synchronized cooperativism is essential for shaping the society in a solid and organic way starting from its inner development. At some points it intersects with its concepts and desires. It can be determinant for future paths, also resulting from this bond.

« INTERSECTION » – PRIX CHOIX DES EMPLOYEURS

L'établissement d'une société selon une structure organique et stable repose avant tout sur un coopérativisme en synchronie, et ce, dès son développement intrinsèque. De-ci, de-là, il intersecte concepts et ambitions. Son rôle s'avère déterminant dans la percée de voies d'avenir, issues elles aussi de ces croisements.

INDIVIDUALITY – COOPS CHOICE AWARD

Each individual has its own digital and footprints for the growth of a society. Each person is a thinker and contributes by exchanging experiences with your own essence that will also be an attribute for a group or a new kind.

« INDIVIDUALITÉ » – PRIX CHOIX DES EMPLOYÉS COOP

En matière de développement social, chacun laisse son empreinte, la trace de son passage. Poursuivant sa propre réflexion, toute personne contribue à l'avancement de la société en partageant les expériences qui forment son essence même. En définitive, l'individualité incarne l'un des attributs d'un groupe inédit.

Thank you for the support of MatterThings.com

MatterThings.com opens the first dedicated 3D printing and 3D scanning retail store in Canada with over twenty-seven 3D printers to serve you. Located in the Faubourg de L'Île Shopping Centre, 101 Cardinal-Léger, in Pincourt, Quebec, now anyone can have access to build anything. 3D print shoes out of flexible filament, a school project, bracelets, prototypes, spare parts, legs for your quadcopter, prosthetics, a toy for your pet. The possibilities are endless!

For more info visit: matterthings.com or call: (514) 312-6060.

Merci à MatterThings.com pour son appui!

MatterThings.com ouvre son tout premier magasin de détail canadien consacré à l'impression et à la numérisation 3D. Situé au Faubourg de L'Île (101, boulevard Cardinal Léger, Pincourt, Québec), il met plus de vingt sept imprimantes 3D à votre disposition! Laissez place à votre imagination et imprimez tout ce que vous voulez : chaussures (grâce au filament flexible), travaux scolaires, bracelets, prototypes, pièces de rechange, train d'atterrissage d'un quadricoptère, prothèses, jouets pour animaux, etc.
