

INNOVATIONS IN TEACHING: GETTING THE MOST OUT OF ONLINE LEARNING

WEDNESDAY OCTOBER 1

Panel Discussion:
Universities in the 21st century: wired or unplugged

6:30 P.M. to 8:30 P.M.
MB 5.215

Introduction: Dr. Alan Shepard, President and Vice-Chancellor, Concordia University

Moderator: Dr. Lisa Ostiguy, Deputy Provost
Panel Members: Dr. Benoit-Antoine Bacon, Provost and

Vice-President, Concordia University, Dr. Anthony Masi, Provost, McGill University, Dr. Kenneth Robertson, Director General, Champlain Regional College

This community conversation will be led by a panel of academic leaders exploring digital learning in Higher Education in the 21st century. Round table discussions with faculty, educational developers, students and support staff will follow proposing how to manage change and to plan concretely for the future.

THURSDAY OCTOBER 2

GETTING STARTED
9:30 A.M. – 2:30 P.M.

Concordia faculty will be on hand to demonstrate tools and platforms used for digital learning. See for yourself the way they work and how some of them are being used to create new kinds of learning.

9:30 – 10:30 A.M.

Moodle - Faculty Demo

Madoka Gray-Mitsumune, Biology / Anna Sokolovskaya, IITS Training & Support

MB 12.202

10:30 – 11:30 A.M.

Adobe Connect - Faculty Demo
