7. Loyola Servitude

Mr. Cavell wondered whether the University would receive any compensation for granting the servitude. Me Freedman responded in the negative, adding that it is not in the University's tradition to seek compensation. This servitude is being granted to ensure good neighbourly relations. Me de Santis suggested that paragraph 2 on page 6 of Document BG-2001-5-D10 be amended to provide for the termination of the servitude should the wall or garage ever be rebuilt, to which Me Freedman indicated that he would see to it that the Deed was so modified.

Upon motion duly moved and seconded (Lowy, Appelbaum), it was unanimously RESOLVED:

R2001-43 *WHEREAS the University is the owner of the property designated as lot 144-Pt.20 of the Official Plan and Book of Reference of the Parish of Montreal, with a building thereon bearing civic address 7141 Sherbrooke Street West, City of Montreal, Province of Quebec;*

WHEREAS a portion of the garage on the neighbouring property designated as lots 142-856 and 142-857-1 on the Official Plan and Book of Reference of the Parish of Montreal, with a building thereon bearing civic address 4557 West Broadway Avenue, City of Montreal, Province of Quebec, encroaches upon the University's property by 0.30 of a metre;

WHEREAS the owner of the neighbouring property is desirous of regularizing the encroachment and has asked that the University grant a servitude of tolerance in this regard; and

WHEREAS there are no adverse consequences to the University in granting such a servitude;

THAT the Assistant Secretary General and General Counsel, on behalf of Concordia University, be authorized to grant a servitude of tolerance, according to the conditions set out in Document BG-2001-5-D10 as revised, in favour of the owner of lots 142-856 and 142-857-1 of the Official Plan and Book of Reference of the Parish of Montreal, with a building thereon bearing civic address 4557 West Broadway Avenue, City of Montreal, Province of Quebec and to sign any documentation related thereto.

9. Report of the Standing Committees

9.1 Budget Committee (April 27, 2001)

In the absence of Mr. Hanna, the Chairman of the Committee, the report was waived.

10. Report of the Rector

Referring to his written report which had been included in the Board documentation, Dr. Lowy recapitulated the highlights of his recent visit to Beirut to inaugurate the Lebanese Chapter of the Concordia University Alumni Association.

The Rector was very pleased to invite all Governors to the groundbreaking ceremony for the new science complex. This event will take place on Friday, June 15, at 11 a.m., on the Loyola campus.

11. Reports of the Vice-Rectors

11.1 Provost and Vice-Rector, Research

Dr. Lightstone updated the assembly on the ongoing academic planning process. The Senate Committee on Academic Priorities and Planning defines the problems to be

addressed in each phase. A key issue which has emerged is the effect of information technology on pedagogy. Concordia must modify its current infrastructure so that it can support the ever-growing wireless technology. Consequently, targeted money will be used to upgrade all large classrooms and common areas in owned space. This project should be completed within the next eight months.

The Provost apprised Governors that the Faculty of Fine Arts, jointly with the Faculty of Fine Arts of UQAM, has received from Valorisation Recherche Québec a grant of \$6 million to build laboratories to conduct research in digital media. In addition to this grant, an additional \$5 million is expected from two other sources.

11.2 Vice-Rector, Services

Mr. Di Grappa reported that two letters of intent had been signed, the first regarding Phase I of the Science Complex (excavation and shoring), and the second concerning the management firm for the relocation of the Communication Studies and Journalism departments. He added that a hearing before the Urban Development Commission is scheduled for the beginning of June, at which time the downtown space plan will be reviewed.

11.3 Vice-Rector, Institutional Relations and Secretary-General

Me Danis reported that the negotiations with the Concordia University Faculty Association will begin in June. Prof. Hal Proppe will act as the University's chief negotiator.

11.4 Chief Financial Officer

Mr. English specified that although the University's financial year ends on May 31, he has been summoned to Quebec City on June 1, at which time he will be told how much money the University will have had for the past financial year. He then reviewed the deficits of Quebec universities as well as funding increases for 2000 to 2003 according to their performance contracts.

Dr. Lighstone said that the Minister of Education had stated last year that the new funding formula was to be fair, equitable and transparent, eliminating historical inequities based on historical budgets. However, it would appear that the latter has succumbed to pressure to distribute funds outside of the new formula.

12. Correspondence

There was no correspondence put before the Board.

13. Any other business

No other business was raised.

14. Date of next meeting

Mrs. Vineberg informed Governors that the next regular meeting of the Board will be held at 8 a.m., on June 20, 2001, in Room GM 407-1, on the SGW Campus.

15. Adjournment

The Open Session adjourned at 6:20 p.m.

Submitted by Danielle Tessier, Secretary of the Board of
Governors and Senate, for approval by the Board at its meeting of
June 20, 2001
