

Undergraduate Award Bulletin

Leadership in Environmental Sustainability Shuffle Award

Created in 2019 by the Shuffle 30 team known as "Shuffle for the Climate", this in-course scholarship is awarded to a high-performing student who is in a sustainability undergraduate program (details on following page) and who demonstrates environmental leadership by participating in an environmental sustainability group on campus (details on following page).

The Scholarship shall be granted through competition, based on academic merit, among full or part time students pursuing a Bachelor/Baccalaureate degree at the University within the specific Sustainability-related programs, and meeting the following requirements:

Award Criteria:

As a demonstration of sustainability engagement, the Applicant offers proof (based on Sustainability Engagement Pathways and Allowable Proof Volunteer list on following page)

- a)) that they: - Have volunteered for fifteen hours or more with Concordia environmental sustainability groups or organizations (listed on following page)
AND/OR –
- b) Are currently a member of the working staff for a Concordia environmental sustainability group or organization; AND/OR - Are integrating sustainability into the activities of their department or Faculty through the creation of new collaborative sustainability projects;
AND/OR
- c) Are "Living Planet Leader" certified by the WWF Living Planet @ Campus program

The student shall provide the following application form and a letter from the organization where they volunteer, or work, or, from a faculty or staff member supervising the student's integration of sustainable activities.

Award value – 2 available awards each valued at **\$1000.00**

Additional Requirements:

- Eligible applicants must have achieved the average grade of B+ (GPA of 3.30 or higher in an Environmental Sustainability program.
- This scholarship competition is open to Canadian Citizens, Permanent Residents and International Students.
