Undergraduate Award Bulletin
Leonard J Bocarro Science Engineering and Technology Scholarship

The Leonard Bocarro CEng (UK), Peng (OIQ) was an engineer whose curiosity and love of engineering and technology was a prominent characteristic of his life. He was an active member of his community, involved in regional soccer, local church choir and was an active member of the local badminton club. This scholarship was established to encourage and support students whose passion in the science, engineering and technology disciplines extends to active participation within their community. This award is renewable.

Eligibility Criteria

Program: Bachelor in any discipline from the Faculty of Arts & Science or Faculty of Engineering and Computer Science **with at least oneyear of studies** completed.

Status: <u>Full-time enrollment</u> Fall 2020 and Winter 2021

GPA: Assessment GPA of 3.30 or higher

Citizenship: Open to Quebec residents only

Award value: $2,000

Applicant's Essay
Qualified students who wish to be considered for this award must, in addition to their application form, demonstrate involvement in an extra curricular activity such as volunteering in the community or participation in sports (competitive, recreational or administration, coaching, officiating). Candidates must submit a short description, attestation from a sporting club, or a CV as proof of their participation.

Essays will be judged on content, as well as the quality of the applicant's reasoning and written expression of ideas. If you have a **Co-Curricular Record** at Concordia University, feel free to include a copy with your submission along with the other supporting documents described above.

APPLICATION DEADLINE: October 15, 2021 at 5:00 p.m.

In order to apply for this Application Based Award, you must submit all documentation securely in your MyConcordia Portal through your Student center. Detailed instructions on the process can be found at the following link: https://www.concordia.ca/students/financial-support/scholarships-awards/upload-process-for-concordia-application-based-awards.html
