Section 16
16.1 GENERAL INFORMATION

The Calendar is an official University document defining academic programs and the regulations which pertain to them. It is accurate as of its publication date. The University Senate reserves the right to modify the academic programs and regulations at its discretion after the publication date of the Calendar. In addition, the University reserves the right to modify the published scale of tuition and other student fees at any time before the beginning of an academic term. The most current information is available from the Office of the Registrar and, for graduate programs, from the School of Graduate Studies. Moreover, the information contained in the Calendar or any other University document related to academic programs and regulations is subject to verification and correction by the Office of the Registrar and the School of Graduate Studies.

The regulations contained in this section apply to all students at the undergraduate level, whether they are enrolled in degree, certificate, or Qualifying programs or registered as Visiting or Independent students, with the following exceptions:

16.1.1 Academic Year

The academic year begins with a summer session (May to August) followed by a regular session (September to April).

Summer Session:
The summer session includes all courses offered between the beginning of May and the end of August.

Regular Session:
The regular session is divided into a fall term (September – December) and a winter term (January – April), each 15 weeks long. Terms include an examination period, during which any final examination must be held. The Academic Calendar §11 lists precise dates for the beginning and end of classes and examination periods.
16.1.2 Credit System

In accordance with the recommendations of the Conseil des Universités du Québec, students' academic activity is measured according to the credit system. For the average student, each credit represents a minimum of 45 hours of academic activity, including lectures, tutorials, laboratories, studio or practice periods, examinations, and personal work.

I. FULL- AND PART-TIME STATUS

A student's status is determined by the number of credits for which she or he is registered at the close of the tuition refund period, in the following way:

<table>
<thead>
<tr>
<th></th>
<th>Full-Time*</th>
<th>Part-Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Registration for both fall and winter terms</td>
<td>24 credits or more</td>
<td>Less than 24 credits</td>
</tr>
<tr>
<td>Registration for fall term only</td>
<td>12 credits or more</td>
<td>Less than 12 credits</td>
</tr>
<tr>
<td>Registration for winter term only</td>
<td>12 credits or more</td>
<td>Less than 12 credits</td>
</tr>
<tr>
<td>Registration for the summer session</td>
<td>12 credits</td>
<td>Less than 12 credits</td>
</tr>
</tbody>
</table>

*NOTE: Students receiving Quebec loans and bursaries are advised that, according to the rules established by the Government of Quebec, they must maintain registration of 12 credits or more each term. For further information, see Financial Aid §18.6.1. For Quebec residency purposes, full-time and part-time are defined on a per-term basis. Courses with DISC notation are included in the calculation. For further information, see Proof of Quebec Residency §13.7.

II. CREDIT LOADS

Regular Session — Full-Time Status

Full-time students normally take 30 credits in each regular session. They may register for a maximum of 15 credits in each of the fall and winter terms. Engineering programs may require more than 30 credits. For information on Engineering credit loads, see §71.

Regular Session — Part-Time Status

Part-time students in all Faculties may register for a maximum of nine credits in each of the fall and winter terms.

Regular Session — Independent Status

Independent students may normally register for a maximum of nine credits in each of the fall and winter terms.

Summer Session

Any student, other than one in the Institute for Co-operative Education (§24) or the Faculty of Engineering and Computer Science (§71), may register for a maximum of 12 credits during the summer session.

16.1.3 Residence Requirements

Residence requirements define the number of credits which students working towards a Concordia University degree must take at the University itself.

1. Of the total number of credits required for an undergraduate degree, students must take a minimum of 45 credits, normally the last 45, at Concordia University. The BEng, BA (Early Childhood and Elementary Education), BEd (TESL), BSc in Athletic Therapy, and BFA (Specialization in Art Education) require 60 credits, normally the last 60, at Concordia.

2. At least 50 per cent of the credits for honours, specializations, majors, minors or other concentrations must be taken at Concordia. The BComm and BAdmin programs also require that at least 50 per cent of the core courses be taken at Concordia.

3. Concordia University students who wish to include courses taken at another university within their residence requirements must obtain permission in advance. (See §16.1.7.)

4. Students who already have an undergraduate degree may undertake a second undergraduate degree, subject to the conditions below. (Before registering, such students should consider whether their purpose might be better served by taking a graduate degree, diploma, or certificate program.) To obtain a second undergraduate degree, students must:
   a) register in a program with a higher concentration than a minor, and
   b) complete at least two-thirds of the credits normally required for the second degree in courses other than those credited to the first degree — for example, a minimum of 60 credits must be completed when the normal requirement is 90 credits, and
   c) complete at least 36 credits in the new field of concentration.
5. An exception to 4b) above, is the BEd in TESL, for which students must complete at least half of the 120 credits required for the second degree in courses other than those credited to the first degree.

6. Any student who is accepted at Concordia University after failing or compiling an unsatisfactory record at another university, will generally be required to complete at least 60 credits.

16.1.4 Registration for Courses

Students select courses for each session (summer and fall/winter) prior to the start of classes.

- All newly admitted students will receive advising and registration information in the offer of admission letter.
- New Independent students can obtain registration information at the School of Extended Learning and in the online Independent Students Information Guide at concordia.ca/admissions/independent-students/registration.
- New Visiting students can obtain registration information in the online Registration Guide at concordia.ca/students/registration.
- Returning students in good standing can obtain registration information at myconcordia.ca.

Most students will be able to register for all their courses online at myconcordia.ca.

16.1.5 Cancellation of Classes

If no class cancellation notice is posted on the classroom door, classes are officially considered cancelled if an instructor is 15 minutes late for a 50-minute class, 20 minutes late for a 75-minute class, or 30 minutes late for longer classes.

16.1.6 Withdrawal

1. The Student's Responsibilities

It is the student's responsibility to meet all deadlines and follow all necessary steps to withdraw from a course or courses, or from the University. Not attending classes or informing an instructor of an intent to withdraw does not constitute official withdrawal. It is not mandatory for an instructor to provide students with any evaluation or feedback of their progress in a course before the withdrawal deadline. Students who do not properly withdraw before the published deadlines, and who do not complete assigned work, tests or exams, will receive failing grades.

2. Withdrawal from a Course or Courses

There are two different types of course withdrawal:

a) DNE (Did Not Enter)

The DNE withdrawal has no academic or financial impact on the student. The DNE’d course will be removed from the student’s academic record and no fees will be charged for that course. The DNE deadline is usually within the first two weeks of the term for fall and winter courses and within the first week for spring and summer courses. For exact dates, please refer to point 4. Withdrawal Deadlines.

b) DISC (Discontinued)

The DISC withdrawal notation remains on a student’s academic record and does not affect the student's GPA. However, the student is financially responsible for the payment of all tuition and other fees pertaining to the course. The DISC deadline is usually after the eighth week of classes of the term for fall and winter courses and within the first five weeks for spring and summer courses. For exact dates, please refer to point 4. Withdrawal Deadlines.

Students who wish to withdraw (DNE or DISC) from a course or courses must do so online at myconcordia.ca → MyConcordia Menu → Registration.

When dropping courses online, students must make sure to confirm the transaction and/or verify their registration record to make sure that the course was properly dropped.

3. Withdrawal from the University

Students who wish to withdraw from the University completely must:

a) withdraw from their courses by the appropriate deadline (see §11 Academic Calendar) online at myconcordia.ca → MyConcordia Menu → Registration

and

b) notify the Office of the Registrar in writing, by:

i. registered letter addressed to:
   Office of the Registrar
   Records Office
   Room S-LB 700
   1455 De Maisonneuve Blvd. W.
   Montreal, Quebec H3G 1M8

   Students should be sure to legibly print their full name and include their Concordia student ID number and signature.

   or

   ii. signed fax sent to 514-848-2621. Students should be sure to legibly print their full name and include their Concordia student ID number and signature.

Correspondence for course withdrawal must be received by the deadline dates (see §11 Academic Calendar).
4. **Withdrawal Deadlines**
Withdrawal deadlines are published in the Undergraduate Class Schedule (concordia.ca/students/registration/term-dates-deadlines). All financial regulations pertaining to course withdrawals, and refunds or financial credit for fees, are available online at:

- tuitionandfees.concordia.ca → Tuition Fees & Financial Regulations
- myconcordia.ca → MyConcordia Menu → Financial → Tuition and Fees → C. Tuition Refunds

5. **Lapsed Program Status**
Students in the Faculty of Arts and Science who have been absent from their program for nine consecutive terms or more will be withdrawn from their program and must meet with an academic advisor before reinstatement into the program.

Students in the John Molson School of Business who have been absent from their program for six consecutive terms or more will be withdrawn from their program and must meet with an academic advisor before reinstatement into the program.

Students in the Faculty of Engineering and Computer Science who have been absent from their program for six consecutive terms or more will be withdrawn from their program and must submit a new application for admission through the Admissions Application Centre.

Students in the College of Fine Arts who have been absent from their program for nine consecutive terms or more will be withdrawn from their program and must meet with an academic advisor before reinstatement into the program.

Students in the School of Extended Learning who have been absent from their program for nine consecutive terms or more will be withdrawn from their program and must meet with an advisor in the Student Transition Centre before reinstatement into the program.

### 16.1.7 Studies at Other Universities

With the exceptions listed below, students who wish to take courses at other universities for transfer credit (for example, in the summer) must obtain permission in advance from their Faculty Student Request Committee.

1. **Inter-University Registration Within Quebec (Inter-University Agreement)**
Quebec universities have agreed to permit students registered at one university (called the home university), to take one or more courses at another university (called the host university) if they have valid reasons for doing so.

A student must obtain authorization to cross-register from his or her academic advisor, the appropriate Associate Dean or delegate of the student’s Faculty, and the Registrar. Students must apply via a web-based application at crepuq.qc.ca.

The host university has the right to refuse to register a student from another university in any of its courses or programs. Students are expected to follow the registration procedures of the host university and are subject to the regulations of the host university, except for tuition and fee policies which are governed by the home university. Fees are paid to the home university.

Students may only register in those courses for which they receive prior authorization. Concordia will deregister Inter-University students from courses where students do not have the appropriate permission.

Credit earned at host universities counts towards Concordia residence and degree requirements. The grades achieved at other institutions for courses taken under the Inter-University Agreement will be recorded on Concordia records and transcripts using a grade conversion table available at the following website: concordia.ca/offices/registrar.

These grades will be included in the calculation of grade point averages in the same manner as any grade achieved in a course taken at Concordia.

2. **Concordia Student Exchange Program and Internships Abroad**

To promote international education, Concordia International offers students the opportunity to spend up to one academic year studying abroad on exchange at one of Concordia’s partner institutions throughout the world. While participating in an exchange, students remain registered at Concordia University, pay their normal Concordia tuition fees, and are eligible for Concordia awards and financial aid. Students are also responsible for paying all incidental fees, such as but not limited to: health and travel insurance, living expenses, fees for any required international travel documents to study in their host country, and transportation costs to and from the host institution. The application deadlines are February 1 for summer, fall, winter and academic year placements and June 15 for final winter placements. Students applying for the winter are strongly encouraged to apply by February 1 as spots at certain partner institutions may be limited after this date. A limited number of exchange spots for summer may be available at select host institutions. Please check with Concordia International before applying for summer.

To be eligible to participate in an academic exchange, undergraduate students must meet the following conditions:

- have successfully completed a minimum of 24 undergraduate Concordia credits toward their degree by the time the exchange program begins;
- be in good academic standing and have a good academic record;
- have their Faculty’s permission to transfer a preliminary selection of courses from their host institution to their Concordia degree requirements.

In addition to academic exchange programs, Concordia International also offers students opportunities to participate in several internship programs abroad. Please visit Concordia International’s website for current opportunities: international.concordia.ca.

**MESRS Bursary for Study Outside Quebec / Programme de bourses pour de courts séjours d'études universitaires à l'extérieur du Québec**

This bursary is a provincially funded program for Quebec resident students registered in a program leading to a bachelor’s, master’s, or PhD degree who would like to complete part of their degree program outside the province. The amount of the bursary varies according to the region and duration of study as follows:

- $1,000 maximum per month for studies undertaken in Australia, Japan, New Zealand, the United States and Western Europe;
- $750 maximum per month for all other countries and other provinces in Canada.

Eligibility: Undergraduate students must have completed at least 24 Concordia credits toward their degree by the time their program begins.
16.1.8 Student Request Committees

1. Student Request Committees consider applications from students for exceptions to academic regulations or related matters, such as permission for course overloads, registration or withdrawals after the deadline, course substitutions, exceptions to residence requirements, permission to take courses at other universities, and exceptions to the rules governing the refund of tuition and other fees.

2. A student request shall be made on a Student Request form available online through the student portal: MyConcordia Menu → Student Administrative Affairs → UG Student Requests. The completed request form, student statement, and all supporting documentation should be submitted as follows:

   • for students registered in the Faculty of Arts and Science programs — to the academic department housing the program in which they are registered;
   • for students registered in the John Molson School of Business, the Faculty of Engineering and Computer Science or Fine Arts programs — to the Faculty Undergraduate Student Affairs Office;
   • for students registered in courses offered by the School of Extended Learning (SEL) — to the SEL’s Welcome Centre;
   • for Independent students — to the Birks Student Service Centre.

   Requests for refunds of fees will not be considered unless the student has officially withdrawn from the course(s) in question (DISC).

   Requests based on medical grounds must be supported by a Student Request Medical Certificate duly completed by a registered medical practitioner. The Medical Certificate form is available online through the student portal: MyConcordia Menu → Student Administrative Affairs → UG Student Requests.

3. A student request shall be made within a reasonable period of time from the circumstances giving rise to the request. Normally, the following guidelines apply:

   A request with respect to a: must be submitted by:
   - Summer-term (1) course: November 1
   - Fall-term (2) course: March 1
   - Fall/winter (3) course: August 1
   - Winter-term (4) course: August 1

   In determining whether the period of time elapsed is reasonable, all of the circumstances of the case shall be evaluated.

4. Each Faculty shall have a Student Request Committee composed of:

   • no fewer than three faculty members appointed by the Faculty Council;
   • one representative appointed by the Registrar;
   • one student appointed by the Faculty Council;
   • the Associate Dean (or delegate) who shall chair the Student Request Committee.

   The School of Extended Learning Student Request Committee shall be composed of:

   • no fewer than two faculty members appointed by the Council of the School of Extended Learning;
   • one representative appointed by the Registrar;
   • one student appointed by the School Council;
   • the Director of the Student Transition Centre (or designate) who shall chair the School of Extended Learning Student Request Committee.

   The Independent Student Request Committee shall be composed of:

   • one representative appointed by each Faculty Council for a total of four representatives;
   • one representative appointed by the Director of the Student Transition Centre;
   • one student appointed by the Concordia Student Union;
   • one representative appointed by the Registrar who shall chair the Independent Student Request Committee.

5. A Student Request Committee may delegate the responsibility for handling certain kinds of requests to designated individuals (e.g. academic advisors, faculty advisors, School of Extended Learning advisors, student affairs coordinators). Where a decision is made by a delegated individual, the student may appeal that decision to the Student Request Committee, as a whole, based on new evidence or other serious grounds, by sending an appeal request, in writing, to the Chair of the Student Request Committee within ten (10) working days of receiving the decision.

6. In all cases, the delegated individual and/or the Student Request Committee shall render a reasoned written decision, based on the complete and documented written request, within thirty (30) working days of receiving the request. Decisions of the Student Request Committee are final, with the exception of decisions made on requests for withdrawals after the DNE deadline. All Faculty or School of Extended Learning recommendations in favour of a retroactive withdrawal will be forwarded to the University Retroactive Withdrawal Committee for the final decision. The University Retroactive Withdrawal Committee shall be chaired by the Dean of Students and composed of:

   • one representative appointed by each Faculty Council and the Council of the School of Extended Learning for a total of five representatives (two-year term, one time renewable [maximum four years]);
   • the University Registrar;
   • the manager of the Student Accounts Office;
   • one student appointed by the Concordia Student Union.
7. The University Retroactive Withdrawal Committee shall render a reasoned written decision, based on the complete and documented written request, within thirty (30) working days of receiving a recommendation from the Faculty or School of Extended Learning Student Request or Independent Student Request Committee.
8. The decisions of the University Retroactive Withdrawal Committee are final.

16.1.9 Graduation

Degree and certificate candidates who expect to complete requirements in a particular year must apply to the Office of the Registrar before July 15 for fall graduation and before January 15 for spring graduation. Students must complete the graduation application online by accessing the Concordia website: myconcordia.ca → MyConcordia Menu → Student Services → Graduation Application. The graduation fee is payable whether or not a student attends convocation.

16.1.10 Student Record

A record is a comprehensive report of a student’s academic history at the University. It is a complete academic record and includes all courses followed at Concordia. It is available to the student and to authorized University staff and faculty. Students may obtain a copy of their record from the Birks Student Service Centre during normal operating hours or by written request. For each copy there is a charge of $3. Students may also access their record through the Concordia website, myconcordia.ca, at no charge.

16.1.11 Transcript

A transcript is a version of a student’s record intended for the use of external institutions, organizations, and employers. It is a complete academic record and includes all undergraduate and/or graduate courses followed at Concordia. It is accompanied by an explanation of its terminology and is sent directly to the addressee at the written request of the student, providing there is no outstanding account owing to the University. An official transcript is printed on security paper, and is signed and sealed by the University Registrar.

16.2 CURRICULUM REGULATIONS

16.2.1 Modifications to Academic Programs and Regulations

With the exception of the following conditions, the curriculum requirements in effect at the time students are admitted to a program (e.g. BA, BFA, Certificate in Business Studies) and/or concentration (e.g. major, specialization), are the requirements which apply to them until they complete their program.

1. The University reserves the right to modify academic program requirements in the light of (a) changing trends in academic and professional fields, and (b) the availability of resources. In the exceptional event that a program is substantially altered by the University Senate, the University recognizes its responsibility to offer suitable transition arrangements for students. The new program requirements should become effective for all students no later than five years after the effective date of change for newly admitted students.
2. When a program is discontinued, the University recognizes its responsibility to offer courses in the program while phasing it out according to a schedule appropriate to the needs of the affected students. Students will be informed of the schedule when the decision is made to phase the program out. When students in a discontinued program have not been registered for three years, it may not be possible to enable them to complete that program. They may, however, transfer into another program in the University for which they meet the admission requirements.
3. Where students acquire credit towards a degree or certificate in a discontinuous manner and over a protracted time, the University reserves the right, at any time, to require them to take further credits or fulfill additional requirements to obtain that degree or certificate.
4. Modifications to the academic regulations in §16.1 and 16.3 become effective for all students on a given date regardless of the student’s date of admission to a program, with the following exceptions:
   - 16.1.3 Residence Requirements
   - 16.3.11 Academic Performance
   - 16.3.12 High Academic Achievement

   Modifications to these three regulations apply only to students admitted or readmitted to a program on or after the effective date of such modifications.
5. In the event a student is readmitted after failing an academic year, the University reserves the right to require the student to take additional credits or to repeat certain courses. The student is also subject to changes in academic regulations or program requirements in effect at the time of the student’s readmission.
6. Notwithstanding the above, all students in Engineering programs are required to meet the Canadian Engineering Accreditation Board (CEAB) standards. Students are required to graduate having met the substantial equivalent of the curriculum in force in the winter term prior to degree conferral. It is the student’s responsibility to ensure that their course selection meets the program requirements for their graduation. For further information, see §71.10.7.
16.2.2 Degree Regulations
The regulations relating to degree requirements are located in the Faculty sections:

- Faculty of Arts and Science: Section 31
- John Molson School of Business: Section 61
- Faculty of Engineering and Computer Science: Section 71
- Faculty of Fine Arts: Section 81

16.2.3 Concentration Requirements
Every undergraduate program requires a cohesive sequence of courses. To graduate in a degree program, a student must have completed one of the following concentrations: honours, specialization, major. In the Faculty of Engineering and Computer Science, concentrations are referred to as programs. Most of these programs have options, where students take a number of related courses in a chosen area. Honours is a highly concentrated program with a required performance level; the specialization and the major require varying degrees of concentration, normally without a performance requirement. An honours, specialization, or major can be combined with a minor. In some circumstances, a double major is also possible.

1. Honours Programs
The University offers programs leading to an honours degree in certain disciplines. The honours program consists of 60 or more credits in a discipline, with superior performance required to enter and remain in the program. In their first year, students may register in honours program courses, but their acceptance as honours students will depend on their performance. Students who do not meet requirements for honours standing may proceed in either a specialization or a major program.

These regulations are the minimum academic standards for honours programs. The programs and particular Faculty regulations are listed in the Faculty sections under “Honours Programs.”

1. An honours student must meet general degree requirements and the specific requirements for an honours program.
2. An honours student must maintain a grade point average (GPA) of 3.00 in all honours courses; the minimum acceptable grade in any honours course is “C.”
3. An honours student must have a minimum GPA of 2.70 for honours courses taken each year. For part-time students this is calculated in 18-credit blocks.
4. In non-honours courses, an honours student must have a GPA of no less than 2.00.
5. Honours students who do not meet these standards will be withdrawn from the honours program and will proceed in the major or specialization program. Reinstatement in the honours program is possible only with the permission of the Faculty Honours Committee.

2. Specialization Programs
A specialization, as recommended by the Conseil des Universités du Québec, is a sequence of courses totalling 60 or more credits. In a few cases it includes a performance requirement. In addition to courses in a particular discipline, the specialization may include courses in other closely related fields.

3. Major Programs
A major, as recommended by the Conseil des Universités du Québec, is a sequence of courses totalling 36 or more credits, except in the John Molson School of Business where the major consists of at least 24 credits in a particular discipline. The major may include certain courses in other closely related fields.

4. Minor Programs
A minor, as recommended by the Conseil des Universités du Québec, is a sequence of courses totalling 24 or more credits, except in the John Molson School of Business where the minor consists of at least 12 credits in the chosen discipline. In addition to the required 42-credit core, the minor may also be combined with another major program.

5. Combined Programs
An honours, specialization, or major program may be combined with a minor program. In some circumstances, a major program may also be combined with another major program.

6. Certificate Programs
1. Faculty – An undergraduate certificate is a coherent program, usually of 30 credits, made up of regular undergraduate courses. Courses taken as part of a certificate program are normally applicable to the appropriate undergraduate degree. There is no guarantee that a certificate program can be completed in one academic year.
2. School of Extended Learning (SEL) – The Complementary University Credit (CUC) certificates offered by the School employ a competency-based learning approach. The course learning outcomes focus on the acquisition of specific skills that are immediately transferable to the professional work environment. SEL courses taken as part of the CUC certificate are not transferable to programs offered by a Faculty.

16.2.4 Writing Skills Requirement
The University is reviewing its Writing Skills Requirement. The University Writing Test has been suspended effective May 1, 2008. The Engineering Writing Test has not been suspended. (See §71.20.7.)
16.3 EVALUATION, GRADING SYSTEM, EXAMINATIONS, AND PERFORMANCE REQUIREMENTS

16.3.1 Evaluation

A university degree or certificate certifies that its holder has attained a measurable level of achievement as established by a recognized system of evaluation. Thus the performance of each student in each course must be evaluated by the instructor or instructors responsible for the course.

Final grades are determined by students’ performance on one or more of the following:
1. Assigned work, term papers, projects, etc.
2. Class participation which, in certain disciplines, may justify an attendance requirement
3. Progress tests
4. Laboratory tests and/or laboratory work
5. Mid-term and/or final examinations
6. Level of written expression.

The weight accorded to the various elements is at the discretion of the instructor or instructors responsible for the course. At the beginning of a course the instructor will provide students with the evaluation scheme in writing. The scheme cannot be altered without appropriate notice.

Normally in the winter and summer terms, an instructor will submit final grades no later than seven calendar days after the scheduled final examination in a course or, where there is no final examination, seven calendar days after the last scheduled class in a course. All final grades for all courses are required to be submitted no later than seven calendar days after the University’s last scheduled final examination. In the case of grades for potential graduates, instructors are required to submit final grades no later than three calendar days after the scheduled final examination in a course or, where there is no final examination, three calendar days after the last scheduled class in a course. For the fall term, all final grades for all courses are required to be submitted three days after the commencement of the winter term. There may be additional delays before grades are posted as approvals of the grades and processing time are necessary. Students may obtain their grades through the Concordia website at myconcordia.ca.

Final grades and grade changes are official only when they have been approved by the appropriate Faculty or School of Extended Learning Dean or delegate. The University reserves the right to make corrections at any time in case of error.

16.3.2 Language of Instruction and Examinations

While courses at Concordia University are normally taught in English, if students prefer, they may write assignments and examinations in either English or French. However, language and literature courses may require assignments and examinations to be written in the language being studied. Students who wish to write in French should ask at the beginning of a course whether their instructor can read French or whether someone else will evaluate their work. If the work must be read by another person, extra time may be needed.

16.3.3 Grading System

At the end of each course, the instructor will submit a letter grade for every student registered. Using the grade point equivalents listed below, grade point averages (GPA) are calculated for the evaluation of academic achievement, honours standing, prizes, and academic standing.

16.3.4 Failing Grades and Administrative Notations

Failing Grades “F,” “FNS,” “R,” and “NR” notations
1. “F” indicates failure in a course in which a supplemental examination is available.
2. “FNS” indicates failure in a course in which no supplemental examination is available.
3. In a course graded “R,” a student is not permitted to write a supplemental examination, apply for a “MED” or “DEF” notation, or complete work late.
4. Not Reported “NR” indicates that a student appears to have unofficially withdrawn from a course. It is assigned by the Registrar when no material is available to evaluate and the instructor has been unable to submit a grade. “NR” carries a grade point value of zero and counts as a failure.

For information on how to apply for “F” and “FNS” notations and the regulations which govern them, see §16.3.8 I.

For information on how to apply for “R,” “MED,” and “DEF” notations and the regulations which govern them, see §16.3.8 II.

For information on how to apply for “NR” notations and the regulations which govern them, see §16.3.8 III.

1. Complementary University Credits “CUC” are credits earned as part of a Complementary University Credit certificate. These credits are not considered as program credits earned in any other degree or Faculty certificate program or Independent studies.

2. Deferred “DEF” indicates that a student has been unable to write a final examination due to unforeseeable circumstances beyond the student’s control. A “DEF” notation carries no grade point value. For information on how to apply for “DEF” notations and the regulations which govern them, see §16.3.8 I.

3. Discontinued “DISC” indicates that a student has properly withdrawn from a course after the end of the course-change period. The notation appears permanently on academic records and official transcripts. It carries no grade point value and does not count in assessments of academic standing, but does count towards a student’s status (i.e. full- and part-time).

4. Did Not Enter “DNE” is a temporary notation indicating that a student has officially withdrawn from a course by the deadline for withdrawal with tuition refund. The course and “DNE” notation are subsequently removed from a student’s record.

5. Did Not Write “DNW” indicates that a student has not written the final examination for a course. The notation is used only in combination with a letter grade (such as “F/DNW,” “B/DNW”). A student in good standing may write a supplemental examination (if available) in a course with a “DNW” unless the grade is “R/DNW” or “FNS/DNW.” For information on how to apply for supplemental examinations and the regulations which govern them, see §16.3.8 III.

6. Exemption Received Credit Removed “EREM” indicates that the credit earned for this course cannot be retained because it is a repetition of a course for which the student has already received exemption.

7. Incomplete “INC” indicates that a student has not completed required course work, such as a term paper, assignment, or laboratory and that the instructor has agreed to accept the work after the due date. The notation is used only in combination with a letter grade (such as “F/INC,” “C/INC”) and is assigned on the basis that the missing work is weighted as zero. When appropriate, “DNW” and “INC” can be used simultaneously (e.g. “F/INC/DNW”). For information on how to apply to complete courses with an “INC” notation, and the regulations which govern late completion, see §16.3.6.

8. Medical “MED” indicates that a student has been unable to write a final examination or complete other assignments due to a long-term medical situation. A “MED” notation carries no grade point value. For information on how to apply for “MED” notations and the regulations which govern them, see §16.3.8 II.

9. Pending “PEND” indicates that the grade is not available at this time.

10. Repeat “REPT” indicates that the credit earned for this course cannot be retained because it is a repetition of a course or of similar course material.

11. Report “RPT” indicates report work completed by a student in a co-operative education program. These credits are not considered as program credits earned.

12. Transfer Credit Received, Credits Removed “TREM” indicates that the credit earned for this course cannot be retained because it is a repetition of a course for which transfer credit has already been awarded.

13. Work Term “WRKT” indicates work completed by a student during a co-operative education work term. These credits are not considered as program credits earned.
16.3.6 Late Completion of Courses with “INC” Notations — Procedures and Regulations

1. The deadlines for completion of course assignments are given to students on the first day of class. The “INC” notation is assigned when an instructor has agreed that a student may complete work after the deadline.
2. A student with an “R” grade or “NR” notation in a course may not apply for late completion in that course.
3. Students must apply for late completion of a course. Applications for Late Completion are available at the Birks Student Service Centre. For each course there is a charge of $20. Completed applications must be returned to the Birks Student Service Centre by:
   - February 1: Fall-term courses
   - May 15: Winter and fall/winter courses
   - September 1: Summer-session courses
4. The completed work must be submitted by:
   - February 15: Fall-term courses
   - May 30: Winter and fall/winter courses
   - September 15: Summer-session courses
5. It is the responsibility of the instructor to submit a final grade within five days of these dates.

16.3.7 In Progress “IP” Notations — Procedures and Regulations — Faculty of Arts and Science

1. The IP notation is assigned when an instructor has agreed that the work of a student in a course may be submitted past the time for reporting grades. At the undergraduate level the IP notation is applicable only to the completion of an honours thesis, internship or fieldwork outside of the University, or directed study or research. Students should refer to §31.003.3 for a list of applicable courses within the Faculty of Arts and Science. In all cases, due to third party involvement in course work, it is beyond the control of the instructor and/or the student for the student to complete the work within the required deadline.
2. The completed work must be submitted by:
   - April 1: Fall-term courses
   - August 1: Winter and fall/winter courses
   - December 1: Summer-session courses
3. It is the responsibility of the instructor to submit a final grade within 10 days of these dates.
4. If the completed work is not submitted by the stated deadline, the IP notation will be changed to a letter grade.

16.3.8 Deferred “DEF,” Medical “MED” Notations and Supplemental Examinations — Procedures and Regulations

I. Deferred “DEF” Notations
1. A student who has missed a final examination due to unforeseeable circumstances beyond his or her control can apply to have his or her original grade replaced by a temporary “DEF” notation. The original grade assigned must include a “DNW” notation.
   Note: Unforeseeable and/or extraordinary circumstances may include, but are not limited to, a serious illness or severe injury; a recent death in one’s immediate family; unexpectedly assuming responsibility of an immediate family member due to serious illness; severe emotional stress; fire. Personal travel is not an acceptable reason to be granted a “DEF” notation.
   In the case of work commitments or religious observations, see §16.3.10.I.4.
2. A “DEF” notation cannot be assigned in a course with an “R” or “NR” notation.
3. Application forms for “DEF” notations are available from the Birks Student Service Centre. A completed application must be submitted to the Birks Student Service Centre, not to the instructor, department, Faculty, or the School of Extended Learning, by January 15 for fall courses (I/2), May 15 for fall/winter courses (I/3 and I/4) or August 31 for summer courses (I/1). The application must be accompanied by a Concordia medical certificate or, if the reasons are not medical, by other appropriate documents indicating that the student was unable to write an examination on the day or days in question. If the required documentation is not available before the application deadline, the student should submit the request form and provide the supporting material as soon as possible.
   Please note that in the case of absence due to short-term medical situations, the student must visit his or her medical practitioner on or before the date of the missed exam. Additionally, by submitting the Concordia medical certificate, the student authorizes the University to verify its legitimacy. Tampering, altering, or modifying the Concordia medical certificate in any way could lead to charges brought against the student under the Code of Rights and Responsibilities and/or the Academic Code of Conduct.
4. The application for a “DEF” notation must be accompanied by a $25 per course processing fee.
5. The Registration and Examinations Office is entitled to ask the student to provide additional information.
6. When the Registration and Examinations Office approves the awarding of the “DEF” notation, it will temporarily replace the student’s original grade for the course or courses concerned. The student is then entitled to write a deferred examination.
   For information about deferred examinations, see §16.3.10 II.
7. When the deferred examination has been completed and evaluated, a new grade will replace the “DEF” notation.
8. When a student receiving the privilege of writing a deferred examination does not write the examination during the specified period, the privilege will be withdrawn and a final grade in the course will be recorded by the Office of the Registrar according to the grade achieved by the student before the “DEF” notation was granted.

9. Requests for deferred examinations can be made in a maximum of three (3) exam sessions during a student’s undergraduate or Independent studies at Concordia. Requests which exceed this number will be submitted to the University Examinations Committee for consideration. Refer to numbers 3, 4, and 5 of this section for information on the application process and deadlines.

II. Medical “MED” Notations
1. A student who has missed a final examination and/or been unable to complete course assignments due to a long-term medical situation can apply to have his or her original grade replaced by a “MED” notation. The original grade must include the “DNW” notation for a missed final examination; “INC” for course assignments not completed; “DNW/INC” when both elements are missing.
2. A “MED” notation cannot be assigned in a course with an “R” grade or “NR” notation.
3. Application forms for “MED” notations are available from the Birks Student Service Centre. A completed application should be submitted to the Birks Student Service Centre, not to the instructor, department, Faculty, or the School of Extended Learning, by January 15 for fall courses (2), May 15 for fall/winter courses (3 and 4), or August 31 for summer courses (1). The application should be accompanied by a medical certificate on a physician’s original letterhead indicating that a long-term medical situation prohibited the student from being able to complete the final examination on the day or days in question. If the required documentation is not available before the application deadline, the student should submit the request form and provide the supporting material as soon as possible.
4. The application for a “MED” notation must be accompanied by a $25 per course processing fee.
5. The Registration and Examinations Office is entitled to ask the student to provide additional medical information.
6. When the Registration and Examinations Office approves the acceptance of a medical certificate, the notation “MED” will replace the student’s original grade for the course or courses concerned. For information about “MED” replacement examinations, see §16.3.10 II.
7. When the replacement examination or missing work has been completed and evaluated, a new grade will replace the “MED” notation. If the student does not write a replacement examination or complete the missing work, the “MED” notation will appear permanently on his or her record and transcript (e.g. “MED/DNW” or “MED/INC”). “MED” notations carry no grade point value. Courses with “MED” notations are not included in assessments of academic standing.
8. When a student repeatedly submits medical certificates, the University reserves the right to refer him or her to a physician appointed by the University for a recommendation.

III. Supplemental Examinations – Regulations
1. Each Faculty and the School of Extended Learning determines for which of its courses a supplemental examination is offered.
2. A student must be in acceptable standing in order to write a supplemental examination.
3. A student is permitted to write only one supplemental examination for a course, whether or not the course is being repeated.
4. A student who has received a passing grade for a course may not write a supplemental examination for that course.
5. A student who has received an “NR” or “R” grade may not write a supplemental examination for that course.
6. Applications to write supplemental examinations are available from the Birks Student Service Centre. A completed application should be submitted to the Birks Student Service Centre, not to the instructor, department, Faculty, or the School of Extended Learning, by January 15 for fall courses (2), May 15 for fall/winter courses (3 and 4), September 16 for summer courses (1) or February 1 for graduating students (fall-term courses (2) only).
7. The application for a supplemental examination must be accompanied by a $35 fee for each course. The supplemental fee is refundable only if the student is denied permission to write the supplemental.

16.3.9 Academic Re-evaluation

I. General
1. Concordia University affirms the right of students to request the re-evaluation of course work which includes tests, examinations, essays and other work that has contributed to the grading of a course. It is assumed that initiating a formal re-evaluation (“a re-evaluation request”) is a last recourse, taken when prior and sincere attempts to resolve problems and disagreements informally and directly have failed.
2. Students have the right to see their course work. Students are responsible for the preservation of any material, in its entire and original form, which has been returned to them. A re-evaluation request may be refused if this material is not available.
3. Instructors are responsible for the preservation of course work that has not been returned to students as follows: until December 31 of the next calendar year for fall-term courses; until April 30 of the next calendar year for fall/winter and winter-term courses; and until August 31 of the next calendar year for summer-term courses.
4. In cases where grades are received for activities other than written or artistic course work, such as class participation, oral presentations, oral examinations and performance, no re-evaluation is normally possible. However, every attempt shall be made by the instructor concerned and the Chair of the Department or, in the case of a course offered by the School of Extended Learning, the Director of the Student Transition Centre, to address the concerns raised by the student.
5. The grounds for a re-evaluation request are restricted to claims that i) a miscalculation of the grade occurred; or ii) the evaluation of the work was demonstrably unfair.
6. A grade may be maintained, raised or lowered as a result of a re-evaluation request.
II. Procedure
7. Students who are dissatisfied with the grade received on one or more pieces of course work shall first attempt to meet with the instructor and explain their position. If the student remains dissatisfied or is unable to meet with the instructor, he or she may, upon receiving the final grade for the course, make a re-evaluation request.
8. A re-evaluation request shall be made on an "Academic Re-evaluation Request" form available at the Birks Student Service Centre. The student shall specify the reasons for seeking the re-evaluation and shall indicate what informal attempts towards re-evaluation have been made. A processing fee must accompany the request. (See the Tuition and Fees website at tuitionandfees.concordia.ca for the current fee.)
9. A re-evaluation request with respect to a fall-term course must be made no later than the following February 1; with respect to a fall/winter or winter-term course, no later than the following June 15 and with respect to a summer-term course, no later than the following October 1. These deadlines may be extended by the Registrar in particular cases if the student can provide evidence that he or she was unable to have acted within the deadlines.
10. The Registrar shall forward the re-evaluation request to the Chair of the appropriate Department.
11. The Chair shall decide whether the re-evaluation request conforms to the criteria outlined in articles 4 and 5 above within ten (10) days of receiving the re-evaluation request.
12. If the Chair decides that the re-evaluation request does not conform to the criteria outlined in articles 4 and 5 above, he or she shall communicate this decision with reasons, in writing, to the student with a copy to the Registrar. Should the student disagree with this decision, he or she has the right to appeal the Chair’s decision to Re-evaluation Appeals Panel as set out in article 25 below.
13. Requests for review or other consideration which do not conform to the grounds for a re-evaluation request may fall under the purview of the Chair, the Dean, the Student Request Committee or other mechanisms.
14. If the Chair decides that the re-evaluation request conforms to the criteria outlined in articles 4 and 5 above, he or she shall appoint a re-evaluator whose name shall be communicated to the student and to the instructor concerned. Normally, the re-evaluator shall not be an instructor in whose course the student is registered at that time.
15. Before the re-evaluation begins, the instructor shall provide the Chair with information regarding the nature and structure of the course as well as the evaluation criteria and methods used. The Chair shall communicate this information to the re-evaluator.
16. The entire piece of work identified by the student shall be re-evaluated. The re-evaluator may request additional input from the student or the instructor.
17. The re-evaluation shall normally be completed within thirty (30) days of the Chair’s decision that the re-evaluation shall proceed. If it becomes clear that the thirty (30) day delay cannot be met, the Chair shall immediately communicate this information to the student in order to determine whether any serious difficulties may arise from extending the delay. In the case where the thirty (30) day delay is extended, every effort shall be made to remedy any academic disadvantage that the student may experience as a consequence of the extension of the delay.
18. Upon completion of the re-evaluation, the re-evaluator shall assign a grade to the work in question and shall forward the re-evaluated material to the Chair along with a reasoned report. The reasoned report shall make mention of the documentation and methodology used. The Chair shall communicate the re-evaluation decision, in writing, along with the reasoned report, to the student, the instructor and the Registrar, as well as whether the final grade for the course will be modified as a result of the re-evaluation decision.
19. In cases where there is a significant discrepancy between the original grade assigned and the grade assigned by the re-evaluator, the Chair may convene a meeting with the instructor and the re-evaluator in order to discuss the issue before communicating the decision to the parties concerned. If disagreement as to the discrepancy remains after the meeting, the re-evaluator’s grade shall stand.
20. In cases where the re-evaluation decision reveals a generalized flaw in the original evaluation process, the Chair shall take appropriate steps to ensure that the grades of other students in the course are reviewed and modified if appropriate.
21. A final grade that is modified as a result of the re-evaluation shall be entered onto the student’s academic record and transcript. If no appeal is filed, the modified grade shall permanently replace the original grade on the student’s academic record and transcript. If an appeal is filed, an interim notation to the effect that the grade is “under appeal” shall accompany the grade until the final disposition of the case.

III. Appeals
22. A permanent Secretary of the Re-evaluation Appeals Panel (RAP) (the Secretary) shall be appointed by the Secretary-General. The Secretary shall be responsible for the administrative functioning of the RAP and shall maintain the confidential files of the RAP.
23. A RAP of three (3) members, as well as a non-voting Chair, shall be selected by the Secretary for a given appeal. The RAP shall be composed of two (2) faculty members drawn from the Faculty Tribunal Pool and one (1) student drawn from the Student Tribunal Pool as provided for under the Policy for the Establishment of Tribunal Hearing Pools. Every attempt will be made to select the student member from the student’s constituency (undergraduate or graduate status).
24. A student or instructor may appeal a re-evaluation decision based on either substantive grounds or on the presence of serious and prejudicial procedural defects. In the case of an appeal from an instructor, “prejudicial” shall be limited to the effect that the alleged procedural defect has on other students in the course or on the academic standards of the University. The appeal must state in clear and precise terms the grounds on which the appeal is based. Such an appeal must be made, in writing, to the Secretary within fifteen (15) days after the date of transmission of the re-evaluation decision.
25. A student may appeal a Chair’s decision that the re-evaluation request did not conform to the criteria outlined in articles 4 and 5 above. This appeal may be based on either substantive grounds or on the presence of serious and prejudicial procedural defects in the Chair’s consideration of the re-evaluation request. The appeal must state in clear and precise terms the grounds on which the appeal is based. Such an appeal must be made, in writing, to the Secretary within fifteen (15) days after the date of transmission of the Chair’s decision.

26. Upon receipt of an appeal from a student, the Secretary shall send a copy to the Registrar, the Chair, the instructor and the re-evaluator, if appropriate, soliciting their input within ten (10) days. Any input received within the ten (10) day period shall be forwarded to all parties, soliciting their comments on the input within a further ten (10) days. All input and comments received within the twenty (20) day period shall form part of the dossier submitted to the RAP.

Upon receipt of an appeal from an instructor, the Secretary shall send a copy to the Registrar, the Chair, the student and the re-evaluator, if appropriate, soliciting their input within ten (10) days. Any input received within the ten (10) day period shall be forwarded to all parties, soliciting their comments on the input within a further ten (10) days. All input and comments received within the twenty (20) day period shall form part of the dossier submitted to the RAP.

27. The RAP shall render a decision, based on the written record only, normally within thirty (30) days of the filing of an appeal. The RAP shall meet at least once in person before rendering its reasoned decision.

28. In the case of an appeal of a re-evaluation decision, should the RAP determine that serious and prejudicial procedural defects were present in the re-evaluation process or that there are substantive grounds necessitating a new re-evaluation, it shall instruct the Chair to arrange for a new re-evaluation.

29. Should the RAP decide that an appeal be upheld in the case of a Chair’s decision that the re-evaluation request did not conform to the criteria outlined in articles 4 and 5 above, it shall instruct the Dean to arrange for a re-evaluation independent of the relevant Chair.

30. The RAP shall communicate its signed, dated and reasoned decision to the student, the instructor, the re-evaluator (if appropriate), the Chair and the Registrar and shall include copies of all documentation considered.

31. The decision of the RAP is final.

IV. Miscellaneous Provisions

32. The word “days” is defined as working days which excludes weekends, holidays and other days during which the University is closed.

In the calculation of any delay set out in these procedures, the months of July and August shall not be taken into account. In the case of an appeal submitted to the RAP before July 1, the regular delays set out in these procedures shall apply.

33. Any written notice addressed to a student pursuant to Section III – Appeals under these procedures shall be sent by courier to the last address provided by the student to the University and shall be deemed to be received one (1) day after delivery.

34. If the course in question was taught by the Chair, the Dean shall assume all of the duties imposed on the Chair in these procedures. If the course in question does not form part of a department, the re-evaluation request shall be forwarded to the appropriate administrator responsible for the course.

35. The overall responsibility for the implementation and recommended amendments to these procedures shall rest with the Provost and Vice-President.

16.3.10 Examinations

Students must present identification in order to write any examination. Acceptable identification is: Concordia student ID card; photo- and signature-bearing Medicare card or driver’s licence. Unless expressly permitted by the instructor, the possession of electronic communication devices is prohibited during examinations.

I. Final Examinations

1. Academic Calendar §11 lists the official examination periods.

2. Examination schedules are posted in the Mezzanine of the Hall Building and in the second floor of the John Molson School of Business (SGW Campus) and CC 214 (LOY Campus); on kiosks throughout the campuses; or through the Concordia website at myconcordia.ca.

3. Since special arrangements cannot be made in the event of personal time conflicts (including personal travel plans), students should not make commitments for the examination periods until after the final schedule is posted. Nonetheless, in certain documented circumstances, a student who will not be in the Montreal area during the official final examination period can request to write his/her examination at another university or college.

A student who needs to write at an external institution must submit a “Request to Write a Concordia University Exam at an External Institution” available from the Birks Student Service Centre. The completed request should be submitted to the Birks Student Service Centre within the following deadlines:

November 15: for December final examination period
April 1: for April-May final examination period
June 1: for June final examination period
August 1: for August final and replacement-supplemental examination period

The request must be accompanied by a $10 per course processing fee.

Among the factors considered in the review of the request is the suitability of the testing location, testing conditions, and time constraints. The institution chosen must be an accredited university or college and the proctor/invigilator must be an employee of that institution and must agree to administer the exam(s) at the exact same date and time as scheduled at Concordia University and time differences must be taken into account.

The student is responsible for any fees that may be charged by the external institution.
4. An examination “conflict” is defined as two examinations scheduled at the exact same day and time or three examinations scheduled in consecutive time blocks (9:00-12:00, 14:00-17:00, 19:00-22:00; 14:00-17:00, 19:00-22:00, 9:00-12:00, 14:00-17:00). Two examinations in one day or three examinations in 24 hours are not considered a “conflict.” When the final examination schedule indicates that a student has a “conflict” as defined above, information on how to resolve the conflict is available on the kiosks located throughout the campuses; or through the Concordia website at myconcordia.ca.

The Registration and Examinations Office will make every effort to resolve the “conflict” by providing an “alternate” examination provided they are advised of the conflict by the deadline. “Alternates” are usually scheduled for the first Sunday immediately following the original examination date.

Students who cannot write an examination due to work commitments or religious observations may also request permission to write an “alternate” by reporting their conflict and providing the appropriate documentation in support of their request.

Further information is available by contacting the Registration and Examinations Office. Also see §16.3.10.III.3.

5. No student will be admitted to the exam room if his/her name does not appear on the roster of students assigned to write in that room.

6. No candidate will be permitted to enter an examination room after the first third of the examination has elapsed, or to leave before the first third of the examination has elapsed:
   - 3 hour examination: no entry after first 60 minutes has elapsed; no exit before first 60 minutes has elapsed
   - 2.5 hour examination: no entry after first 50 minutes has elapsed; no exit before first 50 minutes has elapsed
   - 2 hour examination: no entry after first 40 minutes has elapsed; no exit before first 40 minutes has elapsed
   - 1.5 hour examination: no entry after first 30 minutes has elapsed; no exit before first 30 minutes has elapsed
   - 1 hour examination: no entry after first 20 minutes has elapsed; no exit before first 20 minutes has elapsed

7. Students will be assigned to a specific desk/seat location.

8. Student ID cards will be collected at the time of “signing-in” and will be returned when “signing-out.”

9. Students may not leave the exam room during the last 15 minutes.

10. If during the course of an examination a student becomes ill, the student should report at once to the invigilator, hand in the unfinished paper and request that the examination be cancelled. Before leaving the University, the student must also visit the Temporary Examinations Office location in order that a report of the situation may be filed. If physical and/or emotional ill-health is the cause, the student must then report at once to a physician/counsellor so that subsequent application for a deferred examination is supported by medical documentation.

11. If a student completes an examination, even though he/she is ill or faced with other personal problems or situations, the subsequent grade obtained in the course must stand. Petitions on the grounds of illness will not be considered.

12. In the fall and winter terms, no tests or examinations are permitted in the final week of classes. Any exceptions must be approved in advance by the appropriate Faculty Council.

II. Deferred, Replacement and Supplemental Examinations – Regulations

The University Examinations Committee is comprised of one faculty member from each Faculty, a student representative, the Director of Health Services, and a representative from the Office of the Registrar.

1. Deferred Examinations
   a) A student who did not write a final examination and has been granted a “DEF” notation is permitted to write a deferred examination.
   b) A deferred examination counts for the same weight in the course evaluation scheme and covers the same course material as the original examination.
   c) When a student receiving the privilege of writing a deferred examination does not write the examination during the specified period, the privilege will be withdrawn and a final grade in the course will be recorded by the Office of the Registrar according to the grade achieved by the student before the “DEF” notation was granted.
   d) An examination cannot normally be deferred a second time. A student who is prevented from writing the deferred exam due to extraordinary circumstances may apply to the University Examinations Committee for a retroactive “DISC” in the course. The Committee’s decisions are final.
   e) When a deferred examination has been written and evaluated, the grade is added to the student’s marks for other course work. The resulting final grade will replace the “DEF” notation on the student’s academic record and transcript.
   f) A student who fails a course after writing a deferred examination may have one opportunity to write a supplemental examination during the next scheduled supplemental examination period provided the original grade was not “FNS” and all other criteria for writing a supplemental have been met (see §16.3.8 III).
   g) A student cannot write a deferred examination in a course with a grade of “R” or “NR.”

2. Replacement Examinations
   a) A student who did not write a final examination and has been granted a “MED” notation is permitted to write a replacement examination.
   b) A replacement examination counts for the same weight in the course evaluation scheme and covers the same course material as the original examination.
c) When a student does not write a replacement examination, no further examination, replacement or supplemental, will be scheduled. However, students who were prevented from writing the replacement examination due to extraordinary circumstances will be able to apply to the University Examinations Committee. If the Committee approves such a request, the student will be granted a retroactive "DISC." The Committee's decisions are final.

d) When a replacement examination is not written, the "MED" notation (e.g. "MED/DNW") will appear permanently on the student record and transcript.

e) When a replacement examination has been written and evaluated, the grade is added to the student’s marks for other course work. The resulting final grade will replace the "MED" notation on the student’s academic record and transcript.

f) A student who fails a course after writing a replacement examination, may have one opportunity to write a supplemental examination during the next scheduled supplemental examination period provided the original grade was not "FNS" and all other criteria for writing a supplemental have been met (see §16.3.8 III).

g) A student cannot write a replacement examination in a course with a grade of "R" or "NR."

3. Supplemental Examinations

a) A student who applies for and satisfies all the requirements is permitted to write a supplemental examination.

b) Whether or not a supplemental examination is written, the original grade for the course ("F," "F/DNW") will remain permanently on the student’s academic record and transcript.

c) The grades from both attempts (first attempt and the supplemental exam) are included in calculating grade point averages and assessments of academic standing.

d) A student who fails a supplemental examination is given a grade of "R." A student who does not write a supplemental examination is not assigned a second failing grade for the course.

e) When a student does not write a supplemental examination, no further examination, replacement or supplemental, will be scheduled. However, students who were prevented from writing the supplemental examination due to extraordinary circumstances will be able to apply to the University Examinations Committee.

f) The University Examinations Committee is comprised of one faculty member from each Faculty, a student representative, and a representative from the Office of the Registrar. The Committee is chaired by the Dean of Students. The Committee’s decisions are final.

g) John Molson School of Business and the Faculty of Engineering and Computer Science: There are no supplemental examinations available for courses offered in these Faculties, other than for COMP 201 and COMP 218.

III. Deferred, Replacement, Supplemental, and Alternate Examination Periods

Deferred, replacement, supplemental, and alternate examinations are written at various times throughout the year.

1. Deferred/Replacement Examinations

a) John Molson School of Business and Faculty of Engineering and Computer Science: Deferred examinations for courses offered in these Faculties are written the next time the course is offered. For potential graduates in Engineering and Computer Science, if there is no examination scheduled for the course in question in the term before graduation, a deferred examination would be made available during the final examination period of that term.

b) Faculties of Arts and Science, Fine Arts, and the School of Extended Learning: Deferred examinations for courses in these Faculties are written during the next regular examination period provided the course is given in the next term and that a final examination is scheduled. If the course is not offered or there is no examination scheduled for the course in question in the subsequent examination cycle, the deferred examination would be scheduled during the next replacement examination period (February [mid-term break], August, October).

2. Supplemental Examinations

a) John Molson School of Business and Faculty of Engineering and Computer Science: There are no supplemental examinations available for courses offered in these Faculties, other than for COMP 201 and COMP 218.

b) Faculties of Arts and Science, Fine Arts, and the School of Extended Learning: Supplemental examinations for fall/winter courses (2/3, 4) are normally written in late August. For summer session courses (1) supplemental examinations are usually written in October. Graduating students may write supplemental examinations in February for fall courses (2) only.

3. Alternate Examinations

a) When an academic department requests that students from all sections of a particular course be examined at the same date and time, this is known as a "common" exam.

b) Because the scheduling of these "common" exams may conflict with the scheduling of other exams, an "alternate" exam can be made available. This "alternate" exam is a second exam covering the same material and is usually scheduled for the first Sunday immediately following the regular exam date.

c) Courses with only one section will rarely have an "alternate" available to resolve conflicts.

4. In certain documented circumstances, a student who will not be in the Montreal area during the deferred, replacement, supplemental, or alternate examination period can request to write his/her examination at another university or college. For information on writing examinations at an external institution, see §16.3.10.I.

ACADEMIC INFORMATION: DEFINITIONS AND REGULATIONS

2015-16 Concordia University Undergraduate Calendar
16.3.11 Academic Performance

I. Performance Regulations
Students are required to maintain an acceptable standard of scholarship. Each student’s academic standing is assessed at the end of every year on the basis of an annual weighted grade point average (WGPA) as defined below. The specific regulations applicable to students registered in each Faculty can be found in the following sections of the Calendar:

<table>
<thead>
<tr>
<th>Faculty/School</th>
<th>See Calendar</th>
<th>System Used</th>
</tr>
</thead>
<tbody>
<tr>
<td>Faculty of Arts and Science</td>
<td>31.003.1</td>
<td>WGPA</td>

</table>

These regulations may be modified in the case of students transferring either between Faculties or from another university.

II. Weighted Grade Point Average
a) Annual Grade Point Average
An annual weighted grade point average (WGPA) for each student is calculated at the end of each academic year (including the summer, fall and winter terms), provided that the student has attempted a minimum of 12 credits. If the student has attempted fewer than 12 credits, these credits will be included in the assessment for the following academic year.
When a student transfers from one degree or certificate to another degree or certificate, the WGPA is calculated only for courses recorded in the current degree or certificate. (This calculation normally excludes the grades for any transfer credits awarded.) Special regulations for graduating students may be specified in each Faculty’s regulations.
Grades for supplemental and replacement examinations and for late completion of courses with “INC” or “MED” notations are included in the assessment period in which they are recorded.
In the case of courses taken more than once in the same assessment period, only the grade corresponding to the latest attempt of the course will be used in the calculation of the annual WGPA.
In the Faculty of Engineering and Computer Science, prerequisite courses required for admission to a program will not be counted unless they are specifically listed on the student’s acceptance letter.
A grade obtained as the result of a penalty for academic misconduct will remain in the calculation of the annual WGPA whether or not the course has been repeated.
The WGPA is calculated as follows:
First, for each course attempted, the number of credits for the course is multiplied by the grade points obtained for the course, as specified in §16.3.3. Then, the sum of the grade points for all courses is divided by the total credits attempted.

\[
WGPA = \frac{\sum (course \ credits \times \ grade \ points)}{\sum (credits \ attempted)}
\]

Example:

<table>
<thead>
<tr>
<th>Course</th>
<th>Grade Achieved</th>
<th>Credit Value</th>
<th>Grade Points*</th>
<th>Weighted Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>D</td>

<td>1.00</td>
<td>= 3.00</td>
</tr>
<tr>
<td>2</td>

<td>= 6.90</td>
</tr>
<tr>

</tr>
<tr>

<td>= 22.20</td>
</tr>
<tr>
<td>5</td>
<td>F</td>
<td>3.00</td>
<td>0.00</td>
<td>= 0.00</td>
</tr>
</tbody>
</table>

Total Credits Attempted = 17.00
Total Weighted Grade Points = 38.10

\[
WGPA = \frac{38.10}{17.00} = 2.24
\]

*As detailed in §16.3.3

b) Cumulative Grade Point Average
This is the running total of the GPA since a student was admitted to the most recent degree (or certificate) program. It includes the same courses as were included in the calculation of the annual weighted grade point average, and the courses for which “transfer credit” with an accompanying grade has been awarded in the most recent degree or certificate. In the case of repeated courses, only the grade corresponding to the latest attempt of the course will be used in the calculation of the cumulative GPA.
A grade obtained as the result of a penalty for academic misconduct will remain in the calculation of the cumulative GPA whether or not the course has been repeated.
The cumulative GPA is used as the basis to determine eligibility for high academic achievement (§16.3.12).
c) Final Graduation Grade Point Average
This is a cumulative GPA of all courses applicable to the degree program being completed. In the case of transfer students, all courses taken at Concordia and transferred with the corresponding grades into the program being completed will be included in calculating the final graduation GPA. This GPA is calculated and recorded on the record only when a student graduates. In the case of repeated courses, only the grade corresponding to the latest attempt of the course will be used in the calculation of the final graduation GPA.
A grade obtained as the result of a penalty for academic misconduct will remain in the calculation of the final graduation GPA whether or not the course has been repeated.

The final graduation GPA is used as the basis to determine eligibility for high academic achievement (§16.3.12).

III. Qualifying Programs and Visiting Students
Students registered in Qualifying programs or as Visiting students are subject to the regulations of the Faculty in which they are registered.

IV. Independent Students
1. Independent students are subject to the same grade point average requirements as students registered in programs offered by the Faculty of Arts and Science. (See §31.003.1)
2. Independent students who are classified as failed may not reregister without permission of the Registrar.

V. Regulations for Failed Students and Students in Conditional Standing
1. Failed students or students in conditional standing are not eligible to write supplemental examinations.
2. Undergraduate students who are classified as failed may not reregister as Independent students.

VI. Recording of Failed and Conditional Standing
Assessment of academic standing is noted on the student record and transcript.

16.3.12 High Academic Achievement
A degree “With Distinction” or “With Great Distinction” will be awarded to students who obtain final graduation grade point averages (GGPA) of at least 3.40 or 4.00 respectively. The final graduation grade point average is calculated based on courses taken in the program being completed, including Concordia courses transferred into this program with their corresponding grades, as determined by guidelines of the Office of the Registrar. In the case of external transfer students, all courses taken at Concordia will be included in calculating the final graduation GPA.

16.3.13 Repetition of Courses
1. A student may repeat a failed course only once. However, a student who fails a required course twice may appeal to the appropriate Student Request Committee for permission to take the course a third time. If permission is not granted, the student may not be allowed to continue in the University towards that program and/or degree.
2. A student who has received a passing grade for a course may repeat the course for personal reasons (e.g. to meet an external requirement) only once. A student may appeal to the appropriate Student Request Committee for permission to take the course a third time. The student’s record and transcript will include all grades, but grades with the “REPT” notation will carry no credit value.
3. A student who wants or needs to repeat a course that is prerequisite to other courses must do so before taking any following course in the sequence.
4. The grade corresponding to the latest attempt of the course will be used for calculating the cumulative GPA and the final graduation GPA.
5. In the case of courses taken more than once in the same assessment period, only the grade corresponding to the latest attempt of the course will be used in the calculation of the annual WGPA.
6. A grade obtained as the result of a penalty for academic misconduct will remain in the calculation of the annual WGPA, the cumulative GPA, and the final graduation GPA whether or not the course has been repeated.
