
COMPLEMENTARY STUDIES FOR ENGINEERING AND COMPUTER SCIENCE STUDENTS

Section 71.110

To fulfill the requirements of the General Education Elective or General Electives, students may choose the courses from the three lists below. In some instances, students may have to complete specific prerequisites before taking any of the following courses. Those prerequisite courses are not counted towards their programs unless they are specifically listed on the student's offer of admission or listed as courses required for the completion of their programs. The relevant prerequisites in each case are stated in the departmental course descriptions.

Students in the Extended Credit Program (ECP) or the Mature Entry Program (MEP) (see §14.2.3) or any other students who have been assigned credits in Humanities and Social Sciences must select those credits from the two corresponding lists below. Those credits cannot be chosen from the list of Other Complementary Studies.
