CAREER RELATED EXPERIENCE

Research Assistant

DATE

New Rural Economy Project, Concordia University

- Integrated disparate data on rural economies throughout Canada into a comprehensive report
- Communicated and coordinated research project tasks amongst a seven member research team
- Maintained and updated the projects website, integrating creativity and aesthetic skills with my extensive knowledge of HTML code

Student Coordinator, Departmental Undergraduate Research Day **DATE**
Concordia University

- Assisted Department of Sociology and Anthropology faculty and staff in the organization of the undergraduate research conference, which focused on interdisciplinary solutions to global problems
- Selected students' papers to be displayed and coached them in the effective preparation and presentation of their research projects
- Coordinated the logistics of the event, including selection and booking of room space, and the invitation of chairs to head the research panels

ACADEMIC PROJECTS

The Medium Is No Longer the Message: Information Overload and the Immigration Process **DATE**
Department of Anthropology Ethnic Communities in Canada Course (Dr. Margaret Mead) Concordia University

- Researched the experience of new immigrants to Canada (primarily Italian) and their interpretations of Canadian news sources
- Assessed all relevant literature and chose the most pertinent sources
- Mastered the Italian language in order to develop a deeper relationship with my informants
- Awarded A+ grade for the quality of the work completed

OTHER WORK EXPERIENCE

Waiter (part-time) **DATE**
BICE Restaurant, Montreal QC

- Provided consistently formidable service to a busy dining room
- Implemented time management, problem solving, and customer service skills

VOLUNTEER EXPERIENCE

Literacy Tutor **DATE**
National Frontier College, Montreal QC

- Provided one-on-one tutoring to youth and adults (mostly from immigrant communities) who struggle with literacy
- Implemented not only the 45 hours of training received, but my extensive knowledge of immigrant communities and the issues they face as well
- Developed strong interpersonal and communication skills

EXTRACURRICULAR ACTIVITIES

Sociology and Anthropology Student Union – Student at Large **DATE**
The Link – Junior Editor **DATE**

AWARDS AND ACHIEVEMENTS

- **Concordia University Arts and Science Deans List** **DATE**
